

Seek ouster of 4 school trustees

March 4 confirmed for recall election

A election to recall four Romulus School trustees will definitely be held Saturday, March 4, 1978 according to word received Friday from Orville Tungate, Wayne County chief deputy clerk.

Tungate confirmed the date in a letter sent to Mrs. Gloria Chandler, secretary of the Romulus school board. She is one

of four trustees named in petitions calling for the recall election.

Mrs. Chandler in turn informed the group of concerned parents and school district taxpayers who have circulated recall petitions, Mrs. Jean Voight said. She, along with Mrs. Theresa Kraft, chairman of the recall group, has been in the forefront of recall

activities in Romulus for the last few months.

Also named in recall petitions are: Gerald Budd, school board president; Gordon Silvey, trustee; and Ron Christensen, trustee. A fifth trustee, Jack Bath, named in the original petitions, resigned from the board about a month ago.

The March 4th date had been tentatively okayed a week ago,

and Tungate's letter confirming the election time culminated months of work by the original recall group of 42 persons to secure a recall election for the five trustees.

The recall drive was prompted when a group of parents and school district residents become alarmed at cutbacks in programs and services made by the school board, including busing of pupils

to schools.

Although a millage election in November gained voter approval for 8.5 mills, the first successful passage in six attempts over a two-year period, and which restored most of the cutbacks, the recall group was still unhappy. They felt that the action should not have been taken by the board in the first place, Mrs. Voight said.

For the recall election to be successful, a majority of votes have to be cast favoring the ouster of candidates on the ballot, according to Leonard Folmar, Romulus city clerk.

The election will be held at the 19 precincts in the city, Folmar said, with the Wayne County Board of Canvassers having the authority to certify election results.

Sen. Faust acts to change name

Romulus International Airport?

If Senate Majority Leader William Faust (D-Westland) has his way, Romulus International Airport will rise from the ashes of what was once world-famous Detroit Metropolitan Wayne County Airport.

Faust last Wednesday introduced a concurrent resolution (the House of Representatives agreeing) in the Michigan Senate calling for the change in name for the vast nine-

square-mile air transportation hub located in the center of Romulus.

The senator commented, "The city of Romulus and its residents have suffered hardships and inconveniences as a result of the airport's location. It is fitting and proper that the city and its citizens receive some benefit and recognition from the airport's presence. Renaming the airport is

the honor that would accomplish this."

Advised beforehand that Faust planned to introduce the measure, labelled Senate Concurrent Resolution No. 327, Mayor William M. Oakley and the Romulus City Council unanimously endorsed their own resolution a day earlier citing "enthusiastic support for this legislative enactment."

Contained in the city resolution were words of praise from the citizens of Romulus "... to the foresightfulness and leadership displayed by Sen. Faust in his authorship of this landmark piece of legislation."

Faust's resolution is now in the hands of the Senate business committee. Hopefully, the senator said, it will go on the committee's agenda

soon, be passed and then be sent to the Senate floor for a vote.

If passed by the Senate, the resolution would go to the House for a vote by its members.

In his resolution, Faust calls upon the Wayne County Road Commission, which operates the airport, to rename it the Romulus International Airport.

Faust's resolution reads: "Resolved by the Senate (the House of Representatives concurring) that the Michigan Legislature memorialize the Wayne County

Road Commission to rename the Detroit Metropolitan Wayne County Airport the Romulus International Airport..."

The proposal to rename the airport follows the trend set in many parts of the nation to name establishments after the area in which they are located. A similar feeling was expressed within recent years to rename the Detroit Race Course the Livonia Race Course because that well-known race track is physically located in and pays taxes to that city.

A fallen giant

A dramatic accident occurred at 2:55 p.m. Friday in Romulus when a giant trailer-truck jack knifed as the driver attempted to stop for turning cars. The truck slid onto the shoulder of the road, and then flipped into the ditch, ripping off the truck's back wheels. No one was reported injured

in the accident that took place in front of 28445 Ecorse Road in Romulus. Officers from the Wayne County Sheriff's Patrol and volunteers from the Romulus Fire Department responded quickly to the accident scene. Michael Goshey was the driver of the truck which is owned by Gateway Tran-

sportation, 6150 Inkster Rd., Romulus. The truck was carrying 20 tons of freight which apparently shifted and caused the rig to flip over on its side. Workmen had to carry out much of the freight by hand and which was not completed until Monday. — ANP photo by Tom Greenwood.

Wesleyan Church to burn mortgage

There's a fire planned in Romulus this Sunday in a building that was built in 1856.

The blaze will take place at 3 p.m. at 37300 Goddard Rd., home of the Romulus Wesleyan Church, which will hold a mortgage burning ceremony in honor of the document being paid off.

"It's wonderful!" exclaimed Rev. James Roberts, 35, pastor of the congregation since last August.

"The members have given twice the normal amount during the past year and we're certainly looking forward to Sunday's mortgage burning ceremony."

Rev. William F. Kinnan, superintendent of the East Michigan District of the Wesleyan Church, will be guest speaker at the 11 a.m. and 3 p.m. services. There will also

be Bible classes held during the 10 a.m. Sunday School time.

Also scheduled to be on hand for the festivities is Rev. Art Rooder, who pastored the church for 10 years during the 1950's.

Special singing by David LaFountain of Newport, Mich. will highlight the services. He writes and sings many of his own gospel songs and accompanies himself on the guitar.

"We extend a warm welcome to the people of the community to come and share in the festivities of this event," said Pastor Roberts, who held a pastorate in Lapeer for three years prior to coming here.

Pastor Roberts may be called at 941-4167 for more information concerning Sunday's special service.

On the inside

New fiscal bill

A bill creating a uniform budgeting process that will force local governments to be fiscally accountable while retaining their local autonomy has been introduced in to the Michigan Senate. See story on Page A-5.

Loans for students

Michigan Attorney General Frank Kelley in a public service article takes a look at higher education and a direct loan system set up to help students finance their college years. See story on Page A-9.

Study new fares

The Southeastern Michigan Transportation Authority (SEMTA) is planning a new passenger fare structure for use on all its buses and trains and is urging citizens to help make the final decision on the best method. See story on Page A-13.

Cite slow going on school study

The 17-member advisory committee appointed by the Romulus School Board continues to hold weekly meetings to see what recommendations it can make toward reinstating school programs.

And the going is admittedly slow. That's the assessment of Mrs. Sandra Langley, chairperson of the School Advisory Committee (SAC). "We are making progress but we're still gathering information into the 17 areas we are studying and want to do more research before making any recommendations to the school board," Mrs. Langley said Monday.

She emphasized that the committee had made no recommendations as yet, but was still getting input from various sources. At last week's meeting at the administration office, four school officials gave reports.

Asst. Supt. Marvin Fischer and Mike Fodor, principal of Hayti School, gave information in regard to restoring art, music and physical education classes.

Harold Hines, business manager for Romulus Community Schools, explained the present budget as well as the proposed spending schedule.

Art McPharlin, a principal and also a member of the advisory committee, discussed what is involved in the use of school buildings.

"We've requested more information on restoring art, music and physical education programs as well as receiving more input on vision and hearing screening programs," Mrs. Langley said.

SAC meets each Tuesday night at 7 p.m. at the administration offices, 36540 Grant St. and Mrs. Langley urges every interested Romulus resident to attend the meetings.

"I really am pleased with the results of the weekly meetings," Mrs. Langley replied when asked

her assessment of the advisory committee's progress.

At last night's meeting, Supt. James Garfield was scheduled to speak on debt retirement and Romulus High School principal Joel Carr to speak on the issue of security at the high school.

City plans inaugural gala ball

Romulus will hold its fourth inaugural ball on Saturday, Jan. 28, at the Progressive Hall, 11580 Ozga Rd. in Romulus, Mayor William M. Oakley announced this week.

The gala event, which is scheduled from 9 p.m. to 1 a.m., will feature the music of Kevin Reed, a well-known local musician.

In addition to dancing, a light buffet and cocktails will be served. Price of tickets to the ball is \$15 per person.

Oakley stressed that the price of tickets is being kept to a minimum to allow as many Romulus residents as possible to attend.

"I would like to think of this celebration as symbolic of a renewed effort and dedication by elected officials and citizens alike to work together in a spirit of cooperation of unity for the common good of our city," Oakley said in making the announcement.

Tickets are available from the following people:

Ron Hopson (941-6854); Marge McCrory (941-3349); Eleanor Tanner (941-2246); Kathy McCullin (941-3092); and Mary Hatton (942-0404).

Affects most taxpayers

Capital gains changes are serious

(This is the second in a series of articles prepared by the Michigan Association of Certified Public Accountants, offering advice on filing 1977 income tax returns).

Recent tax law changes in the treatment of capital gains carry serious implications for taxpayers who have had, or expect to have, capital gains or losses.

And, as the Michigan Association of Certified Public Accountants (CPAs) points out, capital gains and losses can be experienced by almost everyone, not just the rich or those who play the stock market. In these days of inflation anyone who sells a home, business, farm, vacation cottage or other substantial asset could be exposed to the new rules.

The changes, say the CPAs, include:

—Termination of the opportunity

to avoid capital gain by leaving an asset to one's heirs;

—Lengthening of the holding period that determines whether the gain and loss is short-term or long-term; and

—Doubling of the amount of ordinary income that can be offset by capital losses.

For a long time persons whose estates had risen in value could avoid paying a capital gain tax on that appreciation simply by not selling the assets. They left the property to their heirs, whose "cost basis" generally was the fair market value at the date of death, regardless of how much the assets may have appreciated while the decedent held them.

Heirs could immediately sell the property at its date-of-death valuation and owe no tax on any capital gain.

Effective Jan. 1, 1977, that tax protection ended. Heirs who dispose of assets at a gain inherited from a decedent dying after Dec. 31, 1976 are subject to tax on any appreciation occurring after Dec. 31, 1976.

How do you determine what the value was on the last day of '76? In the case of marketable securities, ask your tax advisor to consult a published list of market values on that date. For other assets, the gain is apportioned by the time held before and after Dec. 31, 1976. The rule assumes a uniform rate of appreciation.

For example, an asset, other than a listed security, bought on Dec. 31, 1974 for \$10,000 and sold on Dec. 31, 1977 for \$12,100 appreciated by \$2,100 over the three-year period. Since two-thirds of the period came before

Dec. 31, 1976, two-thirds of the appreciation, \$1,400, is attributed to that time and is added to the basis of the asset. The gain after Dec. 31, 1976 is the other one-third of \$700. It should be noted that such a computation requires very detailed records of purchase dates and prices.

For those who may be unclear as to how capital gains are taxed, the CPA spokesman explained that short-term gains, net of short-term losses — that is, for 1977, gains on assets held nine months or less — are taxed basically like ordinary income.

(The short-term, long-term holding period, increased from six to nine months in 1977, goes to a full year on assets sold in 1978 and thereafter).

Net long-term gains (gains minus losses) are in effect taxed by simply adding one half of the gains for the year to ordinary income. Thus, if your tax rate is 50 percent, the capital gain tax rate in effect would be 25 percent; but if your rate is lower, the capital gain rate would drop accordingly.

Short-term losses can be offset, dollar for dollar, against ordinary income, but net long-term losses can offset ordinary income only at the rate of one dollar of income per two dollars of loss. For 1977, the amount of income that can be offset by losses is \$2,000, twice what it had been. In 1978 it rises to \$3,000. Any losses in excess of the annual limit can be carried over and applied against income in future years.

Another recent change in the law that could sharply increase the tax liability of someone with a sizeable capital gain in 1977, the CPAs report, is the minimum tax on "tax preference items."

The minimum tax was designed to extract at least some tax dollars from wealthy individuals who, through legitimate use of tax shelters, credits, and other means managed to avoid or substantially reduce their tax, even though their incomes were considerable.

Unfortunately, the minimum tax on tax preference items hits not only the very wealthy but also an individual or couple selling off the one big asset they own, acquired, perhaps, over the course of a lifetime.

For example, the CPA Association cites a couple in their early 60s who in 1977 with no plan for reinvesting sold for \$60,000 a home purchased years ago whose cost basis is only \$10,000. With no modifying cir-

cumstances, they realized a gain of \$50,000. If at least one of them were 65 or older, the gain on the first \$35,000 of the sales price would be tax exempt. Since they are not, they not only must add half the gain, \$25,000, to their taxable income for 1977, but also may have to pay a minimum tax on a portion of the other \$25,000.

Persons concerned about having to pay taxes on capital gains in 1977

have one consolation, say the CPAs: at least their gains were realized before a change proposed by the Carter administration could take effect. The proposal is that, except for the sale of one's residence, there be no special treatment for capital gain—that gains be taxed just like ordinary income.

In the next article in this series the CPAs will review the records needed for tax return preparation.

IRS offers answers to common questions

Last year many taxpayers complained to the Internal Revenue Service that the tax forms and tables were especially complicated. This year the forms have been improved and new simplified tax tables can be used by most taxpayers.

Here are some questions with answers, supplied by the IRS, about some of the changes and improvements:

Q: I understand there are going to be simpler tax tables this year. Will they really be easier than last year?

A: Definitely so. Last year, you were required to make several

mathematical computations before even coming to the tables. This year, most taxpayers won't have to make any computations before finding their tax in the tables.

Q: What about my exemptions and my zero bracket amount?

A: Exemptions, the new zero bracket amount, and the general tax credit, are built right into the tables. You simply look up your adjusted gross income on the proper table and find your tax. The zero bracket amount has replaced the old standard deduction.

Q: You said most, but not all,

taxpayers won't have to make any computations. Which taxpayers will have to make computations?

A: Taxpayers who itemize their deductions will have to make one computation before going to the tax tables. They will have to subtract the excess of their itemized deductions over the flat zero bracket amount from their adjusted gross income. The flat standard deduction is \$2,200 for singles and \$3,200 for married persons filing jointly.

Q: Will any other taxpayers have to make computations?

A: Yes. Other categories of taxpayers who will have to make calculations including those whose income exceeds the tax table amounts, those who have more exemptions than the number built into the tax tables, and those who compute their tax using the income averaging method.

Q: You said the zero bracket amount is a flat amount. Am I losing or gaining?

A: Probably gaining because most taxpayers who do not itemize will notice a drop in their tax liability over the old percentage standard deductions. Remember, the new rates are fixed (\$2,200 for singles, \$3,200 for married persons filing jointly) and are no longer a percentage of income.

Disabled veterans are MESC targets

Michigan's disabled DVOP workers can through it

staffs in these cities.

The newly hired DVOP staff will serve as paraprofessionals in temporary, federally funded jobs, seeking out eligible disabled veterans and assisting MESC Job Service staff in providing services to which the disabled veterans are entitled. In addition, the DVOP staff will assist in the development of private sector jobs for the disabled veterans.

public service jobs funded by the U. S. Labor Department through the Comprehensive Employment and Training Act (CETA).

"Thousands of disabled veterans have paid a high price for their service to America. They now deserve the opportunity to prove their worth on the job as they did in the service. We are endeavoring to give them that opportunity

in job service offices according to the population size they serve and the number of disabled veterans registered with them seeking employment. DVOP is currently funded through Sept. 30, 1978.

Teen-agers rock in benefit fund raiser

By JIM BRADLEY
ANP Staff Writer

When a church speaks of a Rock, it usually refers to Jesus Christ.

He's called the Rock of Ages, the Rock That is Higher Than I, and the Rock upon which the church itself is built.

But for a group of Romulus young people, "rock" will have an entirely different meaning this Saturday beginning at 9 a.m.

At that time, a dozen or more young people of Romulus Church of God, ages 13 to 24, will hold a rock-a-thon to raise money to help build a church in New York City.

Youth Director James Thompson will lead the teen-agers of his church, located at 8770 S. Wayne Road, Romulus, in a rocking chair rock-a-thon that will hopefully collect hundreds of dollars to help the Youth World Evangelistic Association (YWEA) raise funds to build the church in New York.

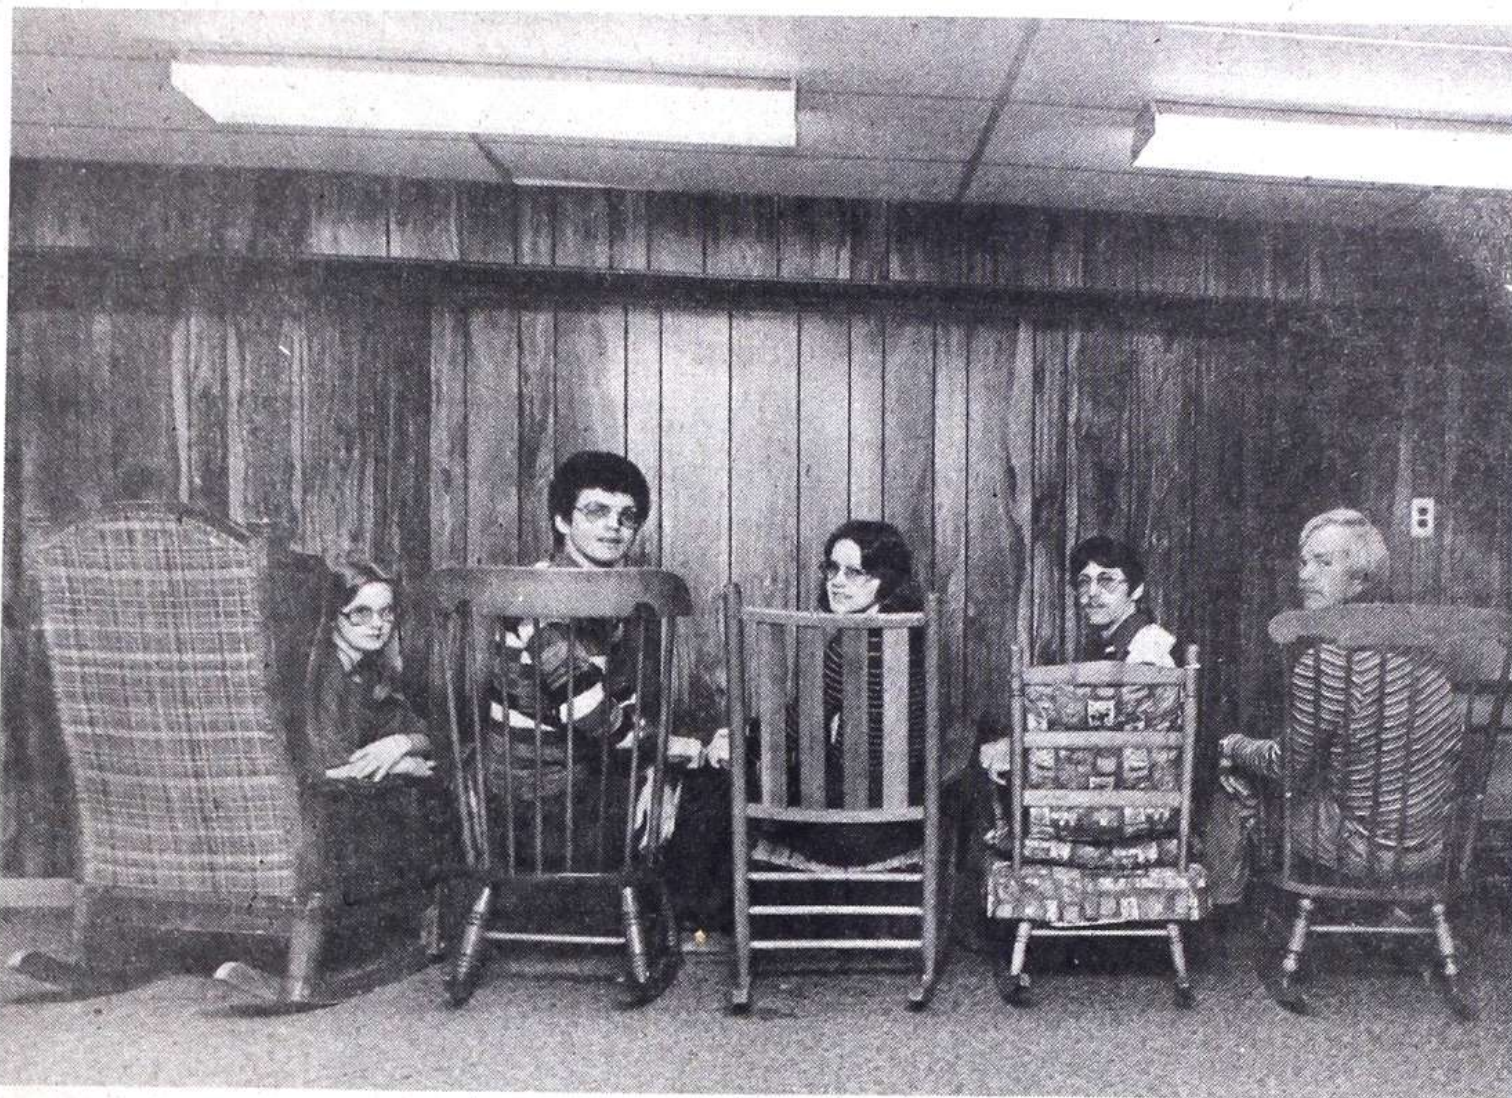

Each participant gets pledges of so much money per hour that they rock in their rocking chair. The one who raises the most money in the Romulus Church of God will receive a nice prize from Thompson.

"We were all excited about the fund-raising project when Mr. Thompson suggested the rock-a-thon," bubbled Jeanna Woodard, one of the members of the youth group.

She said that several Church of God youth groups in Westland, Belleville, Plymouth, Ypsilanti and Willow Run as well as Romulus will be taking part in YWEA's project to build the church in New York City for seven different nationalities.

"We plan to start at 9 o'clock Saturday morning and rock as long as we possibly can," Miss Woodard said.

With added zeal, they might even-

rock around the clock and miss Sunday School the following morning. However, since the rock-a-thon is being held at the church, those who rock around the clock would be the first ones in class.

For Romulus teen-agers and adults who would like to more about the fund-raising efforts of the rock-a-thon in rocking chairs, the church phone is 729-4884. The Rev. Allen Lawson is pastor of

Romulus Church of God.

Christians have been called crazy many times by those who do not believe.

But this is one time the Christians young people at Romulus Church of

God want to really display their faith and endurance to raise money by rocking in their rocking chairs as long as possible to raise a bundle of money.

They certainly don't want to be

"off their rockers" any longer than necessary this Saturday.

Either way, it will be an exciting time for the Romulus teen-agers and they should have a lot of fun as they raise money for a good cause.

Rock around the clock

When you mention the word "rock", most teen-agers think of a type of music. But for a group of young people at Romulus Church of God, 8770 S. Wayne Road, Romulus, the "rock" will have to do with a rocking chair. A dozen or more young people, ages 13 to 24, will obtain pledges for so much money for each hour they rock. All proceeds will go towards building a church in New York City to serve people of seven different nationalities. Youth Director James Thompson (far right) suggested the unique fund-raising project and got an enthusiastic response. The rockers, who will start at 9 a.m. Saturday, will stay in motion as long as possible. Part of the "Rock-a-thon" participants include Jeanna Woodard (from left), Dan Smitherman, Debbie Lawson, Mark Woodard and Thompson. Which rocker style do you like best?—ANP photo by Tom Greenwood.

First baby of '78

Winner of Associated Newspaper's 1978 First Baby Contest was Sherlon Allen Pickell, 44020 Hull Road, Van Buren Township, who was born at 3:10 a.m. Jan. 1 and weighed 6 lbs., 8 ozs. The boy, who was 20½ inches long at birth, looks content as he is pictured here with his parents, Mr. and Mrs. Steve Pickell. Because

Sherlon timed his arrival so well, he is the proud recipient of six prizes given by businesses in the circulation area of ANP's six weeklies — Belleville Enterprise, Romulus Roman, Wayne Eagle, Westland Eagle, Canton Eagle and Inkster Ledger-Star. — ANP photo by Tom Greenwood.

Sherlon: ANP's first baby in '78

By JIM BRADLEY
ANP Staff Writer

The honor of having the first baby of 1978 in the Associated Newspaper circulation area goes to Mr. and Mrs. Steve Pickell of Van Buren Township.

The mother, Betty, 23, gave birth to a son, Sherlon Allen, who weighed 6 lbs., 8 oz. and was 20½ inches long. The father is Steve, 45, and the couple lives at 44020 Hull Road.

The infant was born at 3:10 a.m. Jan. 1 at St. Joseph Mercy Hospital in Ann Arbor and was the Pickell's fourth child.

As a result of winning the ANP First Baby Contest — which covered ANP's six weekly newspapers...The Belleville Enterprise, Romulus Roman, Wayne Eagle, Westland Eagle, Canton Eagle and Inkster Ledger-Star — the Pickells are the recipients of many fine gifts.

Included in the array of contest prizes were: —Layette set from Dy-Dee Service, 8106 Fullerton, Detroit.

—Floral arrangement from Coy Kendall, 43440 Bemis, Belleville.

—An 8 x 10 color photo from R. L. Barron Studio, 6629 Middlebelt, Garden City.

—A free 1-year subscription to any

one of the six Associated Newspaper weeklies, and

—Two free steak dinners at Bonanza Restaurant in Lakewood Shopping Center, I-94 at Rawsonville, Van Buren Township.

"We're very excited about receiving these nice gifts and appreciate them very much," said Mrs. Pickell.

The Pickells, who have lived at their present address for almost two years, have three children — Steven, 10, Paula, 9, and Gerald Keith, 5, — who attend Savage Elementary School in the Van Buren School District.

When asked her favorite hobbies or pastimes, Mrs. Pickell replied, "I love just being a housewife."

Steve, who is unable to work at present, says his favorite hobby is whittling.

The Pickell's newest addition has an unusual name for an unusual reason.

"We were thinking of the name Shirley, and when we had a boy, we wanted to name it as close to the name Shirley as possible," Mrs. Pickell explained.

"So we named him Sherlon."

The couple lives in the Belleville Enterprise circulation area and probably will choose that newspaper for their free year's subscription, they said.

January 18, 1978

Transit bill supporters converge on state capital

Romulus and Belleville-area residents are part of the interested citizens who are helping to lobby for passage of a transportation bill on vehicle accessibility.

Two bus loads of area citizens were among the expected 500 southeastern Michigan residents expected to be in Lansing yesterday and today to seek legislators' help in getting the bill passed into law.

Romulus wants to be included in a Southeastern Michigan Transportation Authority (SEMTA) program designed to accommodate the transportation needs of senior citizens and handicapped individuals.

The latest word from SEMTA is that Romulus is "under active review" and "is currently programmed for a new Dial-A-Ride type service as soon as final funding contracts can be developed."

SEMTA officials maintain that their timetables have been repeatedly held up because of funding problems at the state level.

However, they insist that, "If no further major problems with availability of state funds arise, initial service is possible in early 1978."

The "major funding problems" refers to a moratorium on vehicle purchases for transportation programs that has been in effect since November 1976.

Meanwhile, County Commissioner Royce Smith (D-27th District) contends that Belleville-Van Buren Township-Sumpter Township area should have bus service right away.

"I've already had discussions with legislators on matters pertaining to bus service for Belleville, Van Buren and Sumpter Township, in addition to the other areas I serve," said Smith Monday.

Smith pointed out there was no reason that a bus route could not be planned that would include those three communities.

He said that perhaps a bus could travel west on Michigan Avenue to Belleville Road and then south to I-94 Expressway and back to Detroit.

"And possibly, 16-passenger minivans could transport senior citizen, handicapped and other area residents to hook up with the larger bus," Smith said.

Smith, whose 27th district includes Belleville, Van Buren Township, Sumpter Township, Wayne, Canton Township, part of Westland, Plymouth, Plymouth Township and Northville, says he's concerned about all the people he represents and would like to see bus service for all those areas.

He said it was his understanding that legislation was in the works in Lansing that could provide the needed bus service in the not too distant future.

The bill presently under consideration deals with barrier-free accessibility for the handicapped on public transportation. But in a larger sense, action on House Bill 1156 is even more important because it is tied to a total transit funding bill, according to Tom Moors, special projects coordinator for SEMTA.

Moors explained that about six months ago, a freeze was put on the capital purchase of any vehicles until the accessibility question was ironed out.

Allocations for the purchase of buses to run the transit systems are

stalled and won't be released until the accessibility question is resolved.

Handicapped citizen groups, a vocal minority in recent years, have been pushing for total accessibility of public buses, generally meaning that hydraulic lifts accommodating wheelchairs would have to be installed on all public transit buses.

Not only have purchases of buses for new systems been stalled, but purchases of buses for existing systems, such as the Nankin Transit Commission (NTC), also are being held up.

NTC provides transportation for handicapped and senior citizens in Wayne, Westland, Canton Township, Inkster and Garden City.

According to NTC Chairman Glenn Shaw of Westland, the system

does need some replacement buses, as well as additional buses. The system is now transporting an average of 5,500 people per month, using 11 buses, some of which do have hydraulic lifts.

According to Moors, the accessibility bill in its present form calls for all line haul buses — the big buses on regular routes — to be equipped with lift devices.

In addition, dial-a-ride systems, such as NTC has and Romulus, Belleville, Van Buren and Sumpter wants, would be required to offer at least some buses with that accessibility.

Persons were expected to attend Lansing yesterday and today from the entire seven-county southeastern Michigan region to support the bill.

Romulus Adult Ed kicks off with GED

Winter semester for Romulus Adult Education will begin with a GED testing session on Friday and Saturday.

Individuals interested in taking the high school equivalency exam can register by calling 941-0610.

Free day and evening classes for adult high school will be offered by Romulus Community Education starting the week of Feb. 6. During the past six years, more than 500 adults have received diplomas or GED certificates through the Romulus program.

Traditional classes such as government, English and science are offered as well as courses dealing with medical careers, computers, consumer rights and improvement of reading skills.

Day and evening classes are conveniently located in centers near the Wayne Road and I-94 intersection.

A valuable bonus for finishing high school is the possibility of receiving veteran's benefits. Eligible veterans are entitled to earn several hundred dollars by attending classes at Romulus, a

VA-approved program.

A variety of non-credit hobby classes also will be offered. Disco dancing, last year's most popular class, will again be held and other hobby activities include pottery, belly dancing, dog obedience, ballroom dancing, welding and other classes.

"A brochure describing adult education programs will be mailed to Romulus residents Jan. 18 and other interested adults may request a brochure by calling 941-0610," said William R. Smith, community school director.

Watch those pipes!

Last winter many Romulus residents experienced severe problems with frozen water lines and main breaks.

As a result of that situation, Michael Herman, director of the water and sewer department, has issued a precautionary warning to city residents to safeguard against such a frustrating experience this winter.

"During the winter season, water customers should take extra precaution to protect their meters and pipes from freezing," Herman said.

"If the water meter and/or water pipes are not in an area where they will not freeze, the customer should allow the water to run very slowly to prevent a freeze-up, and, consequently, possible bursting of pipes."

Herman reported that the cost for repairing each frozen meter is \$10.

"Any frozen pipes, other than those owned by the city, are the responsibility of the citizen."

"If the customer experiences difficulties with his water service, he should contact the water department at 941-0666," the director concluded.

Two residents serve as recruiter's aides

Two local residents recently were assigned as recruiter aides to the U.S. Army Recruiting Station in Metro Place Mall, Wayne.

Serving as aides were Johnny D. Jacobs, the son of Mr. and Mrs. John L. Jacobs of Fenster Street, Belleville, and Rick A. Elkins, the son of Mr. and Mrs. Robert Elkins of Springhill Avenue, New Boston.

Pvt. Jacobs, a 1977 graduate of Belleville High School, joined the Army's Delayed Entry Program in November 1976. He went on active duty in July 1977.

"I wanted to get the training and prepare for a career," he explained. "And I also want to go to college later on." He recently married the former Sherry Mae Smith of Flint. He took his basic training at Fort Dix, N.J., and studied automobile repair at the Aberdeen Proving Grounds in Maryland.

After his 30 days as a recruiter's aide, Pvt. Jacobs reported for his permanent duty station at Fort Knox, Ky.

Pvt. Elkins, a 1976 graduate of New Boston Huron High School, joined the Army in March 1977.

"I wanted to learn a skill," he explained. "And I also wanted to take advantage of the educational opportunities."

Pvt. Elkins took his basic at Fort Jackson, S.C., and attended Electronics School at Fort Gordon, Ga. After his stint as a recruiter's aide he headed for his permanent duty station in Korea.

Also in the armed forces: Pvt. William E. Lindberg Jr., the son of Mr. and Mrs. William E. Lindberg of Oakbrook, Romulus, recently was assigned as a military policeman with the 2nd Armored Division at Ft. Hood, Tex.

RICK ELKINS

Pvt. Lindberg entered the Army last August. He is a 1977 graduate of Romulus High School.

Ricky Lee Wilson, 18, the son of Mr. and Mrs. Kenneth Wilson of Harrison, Romulus, has entered the U.S. Air Force's Delayed Enlistment Program (DEP).

According to S.Sgt. Jim Cole, the Air Force recruiter in Garden City, Wilson's entry into the DEP serves two purposes. First, it allows the Air Force to schedule an opening for him to attend basic training and be assigned to a job or skill area. Second, the DEP enables Wilson to wrap up his personal affairs before leaving home.

Wilson will enter the Regular Air Force on Feb. 8. Following graduation from the six-week basic training course at Lackland Air Force Base, Tex., he will receive technical training in the mechanical aptitude area and be assigned to an Air Force duty station.

Pvt. Larry J. Stewart, the son of Mrs. Mary I. Stewart of Toone, Tenn., recently was assigned as a driver with the 4th Transportation Brigade in Bremerhaven, Germany.

Pvt. Stewart entered the Army in June 1977. His father, Arthur T. Stewart, lives on Essex in Romulus.

"A HELPFUL GUIDE TO FUNERAL PLANNING"

That's the title of a free booklet which may answer a lot of questions you may have.

Many residents of our community have used this guide in deciding NOW (when there is no stress or emergency) about making arrangements for funerals IN ADVANCE OF NEED.

Why pre-plan a funeral? First, you can make decisions and choices, yourself, with full composure instead of under the unfortunate circumstances of grieving and emotional stress. Second, you need not "overspend." You should select only that service and that casket, and those touches which you feel are important.

That beloved and meaningfully significant Scripture passage, that special hymn, the minister whose understanding and compassion you so admire — all can be part of your service, if you make your wishes known and arranged for in advance.

The "Planning Guide" covers a great deal more. Call or write for a free copy.

Ballet stars on 56

The New York City Ballet's widely acclaimed production of "Coppelia," danced by Patricia McBride and Helgi Tomasson, will be broadcast live at 8 p.m. Jan. 31, on Channel 56.

This three-hour presentation of the "Live From Lincoln Center" series was choreographed by George Balanchine and Alexandra Danilova. "Coppelia" will originate from the state of the New York State Theater at Lincoln Center. Host Robert MacNeil will conduct live interviews during the intermission with Balanchine and the principal dancers.

Ms. McBride dances the roles of Swanilda, a village beauty, and Coppelia, a life-sized doll invented by Dr. Coppelius. Tomasson is seen as Franz, a local bumpkin in love with Swanilda. Ms. McBride and Tomasson danced in the same roles when the current production premiered in 1974.

Ms. McBride has been a principal dancer with the New York City Ballet since 1961. George Balanchine, regarded as the foremost contemporary choreographer, created many roles, including Coppelia, for her.

"Live From Lincoln Center," the Emmy-award winning series of live telecasts of the performing arts from Lincoln Center, is made possible by grants from Exxon Corp., the National Endowment for the Arts and the Corporation for Public Broadcasting.

SOMETHING FOR EVERYONE

Detroit Auto Dealers Association.

Business leaders gather for meeting

More than 2,000 business leaders from throughout the country will meet in Detroit to attend the fourth annual National Business Leadership Conference at the Detroit Plaza Feb. 2.

The National Business Leadership Conference was established in 1975 by Junior Achievement to recognize the outstanding business leaders whose accomplishments during the past 200 years have formed the basis of our American free enterprise system.

Henry Ford II will serve as general chairman of the conference.

This year's theme — "Building For America's Future" — will focus on preparing youth for leadership roles.

Highlighting the day is the formal induction of new members into the Business Hall of Fame. Selected by the editors of Fortune magazine, the recipients will be individuals who have distinguished themselves as leaders within the private enterprise system, and whose efforts have contributed to the advancement and prosperity of the nation.

Faust bill seeks uniform budgeting

A bill creating a uniform budgeting process that will force local governments to be fiscally accountable while retaining their local autonomy has been introduced in the Michigan Senate by State Sen. William Faust (D-13th District).

The Westland Democrat introduced the Uniform Local Government Budgeting Act after citing the need for a uniform procedure in the local budgeting process.

"Recent studies indicate that some local governments are developing budgets that lack accountability to the taxpayers who subsidize those budgets," Faust said. "We have found evidence that some units approve budgets which lack comparative historical data on revenues and expenditures, fail to note the source of funding for certain expenditures and do not contain a statement on that government's current financial position."

"In other instances, we have found governmental units which do not approve budgets and approach each expenditure as it comes with little or no fiscal planning," he added.

"Through this legislation we hope to eliminate some of these inadequacies while still allowing local units a degree of flexibility in their budgeting process," Faust said.

According to Faust's proposal public accountability in fiscal planning would be improved; a uniform sequence of procedures in the preparation, consideration and execution of local budgets would be outlined; and specific administrative and legislative procedures ensuring that budgets are balanced and remain balanced throughout the year would be spelled out.

Specifically, the bill would require local units to designate a fiscal officer; require that officer to develop a local budget in cooperation with local agencies; require the budget to include comparative data on expenditures and revenues; and that estimated expenditures do not exceed estimated revenues.

Furthermore, the proposed legislation would require the chief administrative officer to send the proposed budget along with a suggested appropriations act to the legislative body of that unit. That legislative body would then be required to enact an appropriations measure consistent with the Michigan Uniform Chart of Accounts.

The bill would prohibit the expenditure of money except as outlined in the budget and also would prohibit the drawing from an exhausted appropriation.

...we hope to eliminate some of these inadequacies

TODAY'S Real Estate

by M. Phyllis Crabtree

When you attempt to estimate the fiscal soundness of a city or county, or your future tax costs as an owner of real property within its jurisdiction, do not oversimplify the problem. For example: nothing is more important than excellent public schools. They are not easy to develop. They are built by the efforts of dedicated people over long periods. Your children of school age get no benefit from long range improvements. They need good schools now.

CENTURY 21 COMMUNITY REALTORS, 10675 Belleville Rd., works closely with every major multiple listing service in the area. This, plus our own listing service and national referral program, means more potential buyers will be exposed to your property. Our office is open 7 days a week from 9 to 9. Why not visit us today? Phone 697-2121.

PINCHED NERVES

Can Destroy Your Health

Many of the following symptoms of pinched and non-functioning nerves precede more serious disorders.

Leg pains	Neck aches
Indigestion	Hay fever
tiredness	Stomach upsets
arm and shoulder pains	Poor circulation
Nervousness	Backaches
itching	Facial aches
Neuralgia	Nervous tension
Heart Palpitation	Dizziness
Shortness of breath	High blood pressure
Irritability	Depression
Sleeplessness	Rectal problems
Double vision	Bladder weakness
Headaches	Run-down feeling
Chest pains	Excessive worry
	Numbness

This list are but a few of the many signal warnings of diseases in the making...it's the only way the body has of saying "help." DISEASES WHICH MAY RESULT FROM THE ABOVE SYMPTOMS ARE: arthritis - asthma - neuritis - pleurisy - bursitis - heart diseases - hemorrhoids - sciatica - back trouble - colitis, nervous breakdown - paralysis and other ailments. Chiropractic care may result in marked improvement and a complete return of health through the scientific removal of nerve interference. Remember the body cures itself despite all the drugs which may be pumped into it. CALL TODAY

Established in 1886, The Romulus Roman, the official newspaper serving the city of Romulus, is a weekly newspaper published each Wednesday by the Associated Newspapers, Inc., 405 Main St., Belleville, Mich. 48111.

The central business office is located at 35540 Michigan Ave., West., Wayne, Mich. 48184. Office hours in Belleville: Monday, through Friday 8:30 a.m. to 4:30 p.m. Phone: 941-1275 for Romulus, area 313. Central office hours Monday through Friday: 8:00 A.M. to 5:00 P.M. Phone 729-4000.

Classified advertising calls at 729-3300 and circulation calls at 729-4000 during central office business hours.

Subscription rates by mail: second class postage paid at Belleville, Mich. 48111, \$12 per year in Wayne County, \$14 per year outside of Wayne County. Carrier delivery \$1 per month, collected on a monthly basis.

Associated Newspapers, Inc., retains ownership of local news items and advertising copy which it helps create or reproduce in its columns and such cannot be reproduced by others without permission.

In addition the The Romulus Roman, Associated Newspapers also publishes the Westland Eagle, Wayne Eagle, Belleville Enterprise, Canton Eagle and the Inkster Ledger-Star.

Editorial opinions

Hubert H. Humphrey showed us

The death of Hubert H. Humphrey last week, has brought with it the stark realization that "they don't make 'em like that anymore."

Humphrey was a man dedicated to the truth, not just as he saw it, but to the truth as our great nation should see it.

He began his career in politics, a career that was to span more than 40-years, in order to affect change that he felt was absolutely necessary in order to keep our country moving on the right path.

To that end he labored in the political arena and learned the realities of political life. But unlike other men that called politics their profession, Humphrey was able to master the art of compromise without becoming a political prostitute.

H.H.H. will be missed. There are

few candidates in the wings that will be able to fill his vacant seat, or to achieve the level of respect that Hubert did.

We will always have people in the political arena that will use their office for personal gain. There will never be a shortage of politicians that are willing to fill their own pockets at the expense of those they have been elected to serve, but those our country can do very well without.

What we cannot do without is people like Hubert H. Humphrey.

We hope the example that Humphrey represented in the political process is noted by aspiring political leaders.

It is possible to blend principle with politics.

We know that because Hubert H. Humphrey showed us.

Romulus International a good idea

On January 11, Senate Majority Leader William Faust, introduced a resolution in the senate calling for the Detroit Metropolitan Wayne County Airport to be renamed — Romulus International.

Faust's action is the direct result of a growing awareness within the city of Romulus, that the airport, under Wayne County control, is taking a great deal from the community and putting nothing back.

The nine square mile county facility is located almost dead-center in Romulus. As a result of that location alone, it is impossible to traverse the city of Romulus without the necessity of detouring around the airport.

Because of the airport's central location within the city, almost every resident of Romulus must live under or near a direct flight-path into or out of the airport. But the County is a tax exempt governmental unit, and

therefore pays nothing for the support of the community that must put up with the airport's inherent inconvenience.

We support the renaming of Detroit Metro Airport to Romulus International.

The very least that the county should be willing to provide the residents of Romulus is their identity. And that does not seem to be a very high price for the county to pay for its rape of that community.

We urge every citizen in Western Wayne County to support Romulus' attempts to gain an identity through the renaming of the airport.

Government has become very good at taking and giving nothing back. This is your opportunity to tell your lawmakers that it is now time to give something back.

It is time for Romulus International Airport.

Editor's note:

This page in the Associated Newspapers is being made available to the residents of the communities we serve.

Anyone of any age is invited to submit an open letter to their community or to the editor of Associated Newspapers.

We will publish letters on any subject. If you feel you have a plan for solving a city problem, or wish to comment on someone else's plan, this space is being reserved for you.

If you or your group would like to address the community at large, or just an individual, this space is reserved for you.

If you think you can do it better, cheaper, faster, or with more flair, this is the place to tell everyone about it.

You are invited to send your opinions on events, or items of public interest, to the editor of Associated Newspapers, 35540 Michigan Avenue, Wayne 48184.

Names will be withheld from letters published only for very good reason. The reason must be included in the letter.

The editor reserves the right to edit and/or condense letters where necessary.

Associated Newspapers has just given you a public voice. If a story is worth telling to your neighbor, why not tell it to your whole community.

Editor's Log

'The good-old-days'

By DENNIS FASSETT
Managing Editor

What ever happened to the good old days?

The further one gets down the road of life, the more frequent that question is asked. But really, what did happen to the good old days?

What ever happened to those solid American cars that could easily carry your family of six through the weekly routine, and still get you 25 miles per gallon? What ever happened to those luxury models that were the last word in power and elegance that still delivered 18 miles per gallon?

What ever happened to the town meeting where you and your neighbors got together and resolved the pressing problems facing the community? What ever happened to the elected officials that had to be talked into running for office? What ever happened to politicians that thought principle was more important than expediency?

What ever happened to the children that were seen and not heard (I'm not sure

about this one), and what ever happened to teen-agers that cared about what their parents thought?

What ever happened to ties and skirts in high school halls?

And on and on.

Maybe a better term for the good old days would be the different old days.

Maybe the real reason that those of us who are approaching middle-age, so often refer to the good old days is simply because hind sight is always 20-20.

I recall a frightfully traumatic experience that occurred when I made the decision to leave my first real job, and go back to college full time.

I had been employed for two years in a profession that I enjoyed a great deal. I was convinced that the people I worked with were some of the best around, but still the urge to get additional education forced my decision to leave that job.

Today looking back at that moment when I walked from that job for the last

time, I am fairly sure that I made the right decision.

That period in my life is now remembered as the time I had to make a tough decision, and made it right. I know that now with the benefit of 20-20 hindsight. Consequently that episode in my life has since been filed as part of the good old days.

We are the sum total of what we eat, drink, see, hear, and think. If that is true, and obviously it is, then to reflect on the past in any way other than with a reference to the good old days, would be a condemnation of one's self. Because if the good old days did not exist for us then what we are today is the result of our own bad old days — and who's on first?

If beauty is in the eye of the beholder, and only skin deep, and the good old days really mean today is OK, then I wonder how I managed to get 18 miles per gallon from my large American car way back in 1956.

Bald Eagle Speaks

Time to master fundamentals

By BOB AMEEN

As the tides of the oceans change over the years, so do the tides of human behavior become altered over the generations.

In the time of my childhood, children were taught by their parents, teachers and other adults to respect their elders and to accord them various courtesies in conduct.

These ranged from saying such things as "Yes sir" and "Yes ma'am" to holding the door open for them to proceed first through doorways. Also the sometimes unfair admonition that "children should be seen and not heard" was a standard rigidly taught and as rigidly enforced when in the presence of adults.

As children grew into young adults, they will still expected to respect their elders, not only at home, but on the job as well.

It was practically unheard of for a teenager or someone in their twenties to question what was said by an adult or to butt into a conversation or to act or talk in any way that could be taken as an offense by an older person with whom they were talking.

In essence, the brunt of acting and talking properly was on the younger person when in the presence of someone

significantly older. For a youth or young adult to act rudely to a co-worker in an office or to someone on the street in conversation was considered quite uncouth.

Today, such expectations are almost unheard of. Children of all ages, youth and young adults backtalk to parents like it was par for the course. Their average conduct toward elders is abominable compared to a few short generations ago.

Some in this group of young people still abide by the old rules of etiquette and conduct. But, on the whole, the majority, it seems, are rude, uncouth, boroish and mouthy to their elders, whether parents, teachers, co-workers or casual acquaintances.

It would be difficult to pinpoint why children, youth and young adults have changed so drastically in a few decades. Certainly, much of the change comes from poor supervision and upbringing by parents, of too liberal public school teachers and of anti-establishment attitudes prevalent in the 1960s.

However these young people feel today about their actions — whether they are "right" or "wrong" — it would be safe to say that when they get older, they will feel

exactly the same as the older generation which they have been smarting off to! Such is the wisdom of time.

Just as in the area of lovemaking, young people today believe they invented actions, movements, philosophies, etc., which have been known and put into practice and use for years on end by their elders.

Experts in all forms of sports always say that no one gets to be a top professional unless they have mastered the fundamentals. When they get into a slump, they invariably return to practicing these same fundamentals over and over again.

Quite possibly, it is time for our young people today to return to the fundamentals of polite actions and speech, or in some cases, to discover them. Some, in fact many, may not have been taught them in the first place.

In any event, for our children, youth and young adults to care enough about what is right, to master the fundamentals and basics of proper speech and conduct is to show an uncaring and indifferent society of adults that they can go one better.

By following this course of action, they can instill those manners in their offspring which were lacking in their early days.

Health Beat

Danger signals

By RUSS TUTTLE
Director, Community Relations
Peoples Community Hospital Authority

On any given day, you can walk into a hospital and find it filled with people suffering from just about every kind of physical and psychological trauma known to man.

Many times over the years I've had the opportunity to talk with members of the professional staff at different hospitals in the State, and I've heard from them their personal reactions to some of the sadness which by definition is found sometimes in a hospital.

No one ever really gets used to seeing other human beings in pain or misery; no one can ever casually dismiss the distress of others; and no one can ever let their personal feelings interfere with their professional responsibilities.

Still, there is one event which occurs that seems to elicit immense personal reactions: we are talking about the phenomenon called suicide.

You must clearly understand that patient confidentiality precludes the use of names of people or specific hospitals. Much of what I'm going to write in this column will have to be considered as metaphors. But, be assured, this is an accurate account of what we are seeing today in hospitals throughout the State and perhaps throughout the Country.

According to one professional whose responsibilities include working with attempted suicide cases, "We seem to be seeing more and more of this action against oneself — especially among younger people in the 15 to 18 age bracket. "While it may sound like a tired old

cliche, one of the motivating factors in attempted suicide is the simple fact that people simply don't know how to communicate with each other.

"If we were to establish a profile of the typical person who might be inclined to attempt suicide, I think you'd be surprised to learn that most of these potentials are sane, rational people who have not yet in their development succeeded in learning the appropriate coping mechanisms."

He said that one's self image probably is the most important thing one has going for oneself.

"If you feel good about yourself and your contributions to your society, the odds are that you have learned to cope with the everyday stresses of existence."

"But take the case of the so-called senior citizen. A person in their late 60's who has spent a life-time as a productive person. It's Christmas time, and most people are busy preparing for a series of parties and celebrations. Our hypothetical senior citizen discovers that she can no longer bake cookies, or help trim the tree, or in any other way take an active role in the traditional joy of the season. Her self image begins to slip. She questions her worth to herself, her family, and society in general. Generally, she will verbalize her feelings. We hear her talking, but we are not honestly listening."

What he was saying is that signals are sent out, but for whatever reasons most people fail to receive those signals; or, if they do receive the signals, they feel too uncomfortable to act. Most people tend to

shun any talk of death, and suicide is the unthinkable event. Hence, often there are prior warnings of a person's intentions: warnings which are actually cries for help but are too often ignored.

We talked about young people and the apparent increase in suicide attempts. "First, we must ascertain if a genuine attempt was made, or if the young person was only making a gesture. If we discover that it was indeed a gesture, we start our communications with the family. At that point we frequently bump into a curious situation. The family seems to spend their time concentrating on the wrong things. They tend to focus not on the problems which precipitated the suicide attempt, but rather, they spend their time preoccupied with their own reactions to what occurred. Again, despite the fact that some one lies in critical condition on a hospital ward, people continue to live in their self-centered, me-only world."

"When some one reaches out and begs for help and understanding, we ought to listen and then react appropriately."

"If there is one best antidote to suicide, it's the humanization of our relationships with each other."

There is a service available to any one who wishes to avail themselves of it. It's called 'Suicide Prevention'. If you feel you have any problems which are leading you in a direction you really don't want to go, call 875-5466 for immediate assistance.

Dial down, suit up

by Doris Cross
HOME ENERGY
CONSULTANT

It's fairly well known that dialing down your thermostat can result in an energy savings of as much as 20 to 30 percent annually. But it may surprise you to know that some items you use to help keep warm in a house with a lowered temperature can further contribute toward energy conservation.

If you dial down your furnace thermostat setting 5 degrees over an eight-hour period each night, you can reduce your total heating bill more than 1 percent for every degree dialed down. That 5 degrees additional night setback will reduce fuel consumption by approximately 7 percent annually.

If at night you use an electric blanket, an item previously considered a "luxury," you can both conserve energy and save on your heating bill by warming your bed-not the whole house. An electric blanket will keep most people warm even if the furnace thermostat is turned down as low as 55 degrees F. Since the blanket is thermostatically controlled, it doesn't consume electricity 100 percent of the time it is being used. In a room having a temperature of 72 degrees F, a double blanket set at Medium is on 23 percent of the time, for an overnight operating cost of approximately 1-1/2¢. In a room at 62 degrees F, this same blanket is on 58 percent of the time and costs about 3-1/2¢ each night to operate. Since an electric blanket uses so little energy, under these conditions ap-

proximately 13 percent savings in fuel costs could be realized.

Clothing specialists say that keeping warm during the daytime is a matter of wearing enough layers of clothes, and they have found that several layers of lightweight clothes will keep you warmer than one heavy garment. The yarn and fabric structure of lightweight clothing should also be considered since it's not the fiber that makes it warm, but rather the yarn and fabric structure. Wool is recognized as a leader in maintaining body heat, but garments made from nylon or acrylic can do a good job as well.

A new and unique item on the market this year for keeping warm when the thermostat is turned down during the day is the Snug Sack. A Snug Sack is similar in design to a sleeping bag except it's meant for sitting not sleeping. Just step into the Snug Sack and pull up the zipper. It envelops the entire body, but leaves the arms free. With its billowy and quilted puffy polyester insulation, it keeps you warm no matter how low the temperature falls.

If you haven't done so already, "dial down" this winter to reduce your energy consumption. But, remember, you don't need to sacrifice "people comfort" if you turn on your electric blanket, put on another layer of clothing, or snuggle up without a care in a Snug Sack until warm weather returns once again.

Asks school involvement

To the Editor:

Recently, I became involved in the Van Buren School District Advisory Board because of a deep interest to learn truths about our schools spending, accountability and the need for a millage...it appears now that there is a crucial deadline, April, 1978, by which time this community must be prepared to either prudently reestablish our school system, or lose our accreditation in the North Central Association.

The loss of this accreditation may mean that our graduates would be bypassed at the College Level (even if achievement scores and testing show this person on par with a student from an accredited school), especially selected colleges with limited openings.

National Scholarship Committees and Foundations tend to overlook schools that do not meet standards.

If our school board said, let us withdraw rather than be dropped—the end result is the same...to once again be accepted, standards and ideals are so high the cost could be astronomical.

The School Board has about two choices in these matters, and that is either scale down the system to stay within budget, or to close the schools entirely when there is no more money (as they did in Ohio).

This is Van Buren School District's second year of probation, and as of April if there is not considerable support shown by the community to comply with the standards as set forth by the North Central Association...we will be dropped.

These are YOUR Schools, the time has come and you also have some choices:

Gather your own information. Attend School Board Meetings. Work on or with the School Advisory Committee...then listen carefully to all of the facts and act accordingly. Or: Sit back. Let others do your thinking for you. Let someone else take care of your schools for you.

A comment...this situation did not happen overnight—so whichever way the crisis is resolved, check in and check on your schools as individuals in the future.

Marilyn Montgomery
Belleville

Raps local postal service

To the Editor:

My problems with the postal service may be unique, but I think they are similar to the problems many Romulus residents face when dealing with the postal situation as it is in Romulus, today.

Briefly, for unknown reasons, I have not been receiving social service checks at my home address in Romulus, although they are correctly addressed and other mail is delivered without problem.

Because Romulus mail is collected, sorted and processed in Taylor, I have had to explain my problem to various individuals and supervisors in Taylor, who have treated me with a less than concerned attitude.

I've been forced to spend a lot of time, gas and money driving between my home in Romulus, to the post office in Taylor, a distance of at least 15 miles round-trip,

once I have to go around the airport.

My point is, that if Romulus had its own full-service, first-class post office, I wouldn't have to do all this running around to get my problem solved.

As it stands today, I'm in danger of losing the social service help, all because my checks are going undelivered—and it isn't even my fault!

I urge all Romulus citizens who may have experienced similar problems, and have been inconvenienced to support Mayor Oakley in his drive to get a new post office for Romulus, by sending in the coupon printed in last week's paper and by signing the petitions, too.

Thank you for supporting our goal of a new post office and for printing my letter.

Sharon Lake
Romulus

Blasts recall drive

To the Editor:

Recently I read in the Romulus Roman that Romulus city officials received a 20 percent salary increase. I have no objections; however, the people should know that five school board members with a combined total of 34 years of service, salary free (they receive no pay whatever), are being subjected to a recall

election which will cost taxpayers \$7,000 for trying to save education in Romulus.

To this I do object.

A few may criticize school board actions but where else in our democratic society can you get so much service (34 yrs.) for free?

Sheldon L. Chandler Jr.
Romulus

Salvation Army says thanks

Letter to the Editor:

We, of The Salvation Army, would like to extend our sincere appreciation to the citizens of the metropolitan area of Detroit for their support of our annual Christmas drive.

Those who contribute, those who volunteered their time, and the media, radio, T.V. and newspapers that helped us tell our story.

The Salvation Army in the metropolitan area was able to touch the lives of nearly

70,000 individuals through our prison toy lift program, visits to 30,000 patients in 20 rest homes and hospitals, senior citizens party for 1200 at Cobo Hall, checks for Christmas dinners to 6,000 families, Christmas Toy Shop and neighborhood Christmas parties.

From all of those we have able to serve, please accept a very simple "Thank you".

Raymond Carroll

Lt.-Colonel
Divisional Commander

From the State House

Housing authority reviewed

By THOMAS H. BROWN
State Representative
37th District

The Michigan State Housing Development Authority (MSHDA) was established by Public Act 346 of 1966. That Act states that "...there exists in the State a seriously inadequate supply of, and a pressing need for, safe and sanitary dwelling accommodations within the financial means of low income or moderate income families..." MSHDA was created to fill this need.

The Authority is now authorized to issue up to \$900 million in notes and bonds for the purpose of making loans for the financing of housing units for low or moderate income families or individuals. Such loans are secured by mortgages or security interests.

MSHDA is operated by an Authority Board composed of seven members, four of whom are appointed by the Governor. MSHDA employs approximately 150 staff members.

The Housing Authority has had a number of successes. New construction inner city efforts have been among those successes. In the City of Grand Rapids, MSHDA is experimenting with another type of development—townhouses that are for sale based upon zero lot lines rather than condominiums.

THE MSHDA Detroit office has been involved with the Northwest Detroit Housing Conservation Program, an ambitious demonstration project designed to rehabilitate all homes owned by HUD within a target area in northwest Detroit. The program has resulted in the

rehabilitation and sale of over 300 units.

MSHDA has developed a special housing program for the adult mentally retarded which has been copied in several other states and cities throughout the country. MSHDA's program is to build and finance 16-unit residential centers for the semi-independent mentally retarded who would otherwise be institutionalized. Michigan is expanding this program to include the physically handicapped and the formerly mentally ill.

The Housing Authority has had its share of controversy also. Initially, criticism was received because of MSHDA's slowness in obtaining urban program results. They have also experienced continuing controversy involving minority sponsorship of developments. MSHDA has what is known as a balanced housing approach which has the effect of requiring cities to provide family housing opportunities for low and moderate income people if they desire to have an elderly housing project in the community. This program has been controversial: for example, a recall attempt was initiated in the City of Southfield involving several council members.

The Authority has also had trouble effectuating a solid rural housing effort.

A continuing controversy is the income level to be served by MSHDA, although with the advent this year of new rules related to income limits, this controversy has been somewhat alleviated.

A new housing rehabilitation program,

which will be administered by MSHDA, is intended to help revitalize some of our older homes and neighborhoods. This legislative program, HIP-NIP (housing improvement program; neighborhood improvement program), is a grants and loan program for housing rehabilitation and was recently signed into law. It will provide approximately \$100 million rehabilitation funds for 20,000 homes of low and moderate income families over the next three years.

A special legislative committee has been established to work with the Housing Authority in the implementation of HIP-NIP. As a result, citizens, representatives of cities, and lenders are now involved in the process of helping to write the rules under which this grants and loan program will operate.

It is expected that home improvement loans will be available beginning in April 1978; grants and deferred payment loans will be available beginning in July 1978. MSHDA will be working closely with local units of government and community action agencies in administering this important rehabilitation program.

There will be numerous benefits to all of us when HIP-NIP is implemented. Benefits will be in terms of better living conditions, preservation of existing housing, betterment of neighborhoods, stabilized or increased property values, preservation of a tax base in older communities, and the stimulation of others to improve their homes.

The Rotating Pulpit

'The Special Book. . . Timothy 4:13'

"The cloak that I leave at Troas with Carpus, when thou comest, bring with thee, and the books, but especially the parchments."

We find here in these verses Paul's final letter just before his martyrdom, and it is addressed to Timothy. Along with the final words Paul asked Timothy for a personal favor. There were three things that Paul asked Timothy to bring him when he went to Rome — this coat, his books and his parchments, or the Inspired Writings.

He wanted His Coat to keep him warm physically. He wanted his books to keep him alert mentally. He wanted his parchments to keep him grounded spiritually.

The term "parchments" as Paul used here has been questioned by some as meaning other things, but most scholars of the Word are in agreement that Paul was referring to the scrolls of sacred writings when he referred to the "parchments."

The Bible is a special book. Of all the books written and of all the volumes that fill the shelves there is one book that is "special above all books." One of the professors that I had in Bible College definition of the Bible is this:

The Bible is like a clock. At one minute past 12 you have the Book of Genesis, and one minute to 12 you have the Book of Revelation. As the clock winds around with all of its time, so the Bible is united with all its time.

In the Book of Genesis we read "In the Beginning" God created the heaven and earth." In the Book of Revelation we are told that there shall be a "new heaven and earth."

In the Book of Genesis we are told the tree of life is denied. In the Book of Revelation we are told that the tree of life is for the healing of the nation.

In Genesis 3 we are told that the ground is to be cursed. In Revelation 22 we are told there shall be no more curses.

In the Book of Genesis we find that Satan appears to torment. In the Book of Revelation we find that Satan disappears tormented forever.

In the Book of Genesis that man's early home was beside a river; we find in the Book of Revelation that man's eternal home also will be beside a river, one clear as crystal.

There are no contradictions in the Bible. There is not one writer who would disagree doctrinally, morally, or in any other way with any other writer of the Bible.

Think about those who wrote the Bible. Moses, an Egyptian prince; Joshua, a soldier; Amos, a poor farmer; Samuel, a priest; David, a king. From all walks of life they were given the words of God to write. Why is it "Special?" Paul said "but especially the parchments."

The sacred words were special to Paul. They have been special to multitudes down through the ages of time, and they still are special to us today.

I want to give just a few personal reasons why the "parchments" the Word, the Bible is special today.

(1) It has a special message to every sinner: The message that a lost soul needs is not one of condemnation or how sorry he is or what a rotten life he is living, but the message every sinner needs is a message of hope and deliverance. Thank God He sent that message in His "Parchment."

John 3:16: "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life."

What God is conveying to every sinner is that He does love them and that He has given His very best to make a way for them to be saved and that He has put it on terms that every sinner can be saved. God doesn't ask for your talent; He does not ask for your money; He doesn't require your goodness, but just ask the sinner to respond to His Grace and to receive His Son as their Saviour.

Paul said "But especially the parchments." Sinners friend will

you just one moment forget all you know about sorry Christians, bad preachers and split churches. God has a "special message for you."

(2) It has a special meaning to every saint: To every child of God the Bible is his daily portion for living. Most new converts will get the family Bible and carry it around, holding it as if they are afraid someone is going to take it away from them. The pages of this "Special Parchment" opens up the way for the believer, unfolds the curtains of time and eternity and feeds the soul. For an example the Bible is the book that gives. 1 John 5:13: "These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life." It gives assurance of our salvation.

Remember what Paul said — "but especially the parchments." We may be able to survive without a coat to keep us warm or books to keep us smart, but the child of God could never make it without the Special Book.

(3) It has a special measure to every soul: When we have walked the last mile to depart from this life and come face to face with the

Creator and Judge, it will not matter then who you are or what you name is or what you have done in the field of religion, but the same "Special

Parchment" that holds the "Special Message", and has the "Special Meaning" will be the special measuring rod."

Know your law

Direct student loans bridge money gap

NOTE: This is one of a series of public service articles explaining, in general terms, a provision of Michigan Law. Individuals who wish to determine the effect of any law upon their private legal affairs should consult with a private attorney.

By FRANK J. KELLEY
Michigan Attorney General

As the cost of higher education continues to increase, loans to students at the same time become scarcer and more valuable. The Michigan Higher Education Student Loan Authority has taken a step to help relieve that problem of scarcity.

Beginning in January of 1977 the authority started the State Direct Student Loan Program as a new source of direct loans to eligible students. If you are thinking about attending, or are currently enrolled in a college, university, community college, or vocational school, but

have been unable to get an educational loan from a private lender, you may want to look into this program.

Under the program, an eligible student can get a loan directly from the authority for as much as \$2,500 a year, if he is a undergraduate or vocational school student, and for as much as \$5,000 if he is a graduate or professional student.

However, the amount of the loan cannot exceed 50 percent of the student's total educational costs for the year. An eligible student can re-apply each year for additional Direct Student Loans until he reaches a maximum of \$7,500 towards his undergraduate or vocational degree, or \$15,000 towards his graduate or professional degree.

While the student is in school, he pays only a one-time fee of 1 percent of the principal amount of the loan (this fee is deducted from the first

disbursement of the loan). Also, while the student is in school, interest on the loan is paid by the federal government.

After the student graduates or stops attending school, he has nine months to begin making payments on the loan. At that time, the student has five years in which to repay the

loan at 7 percent simple interest. The Direct Student Loan Program is open to all students who are Michigan residents, or who are dependents of Michigan residents. To qualify, the student must be enrolled in a participating educational institution on at least a half-time basis and meet the

eligibility requirements set by the authority. If you think that you could benefit from the Direct Student Loan

Program, inquire about the specifics of the program at the financial aids office of the educational institution you attend or plan to attend.

MCC
offers
calendar

The Michigan Consumers Council has a 1978 Consumer Calendar available for consumers who want to know more than the date.

"Certain consumer problems are seasonal," said executive director Linda Joy. "That's why we've designed this calendar. Each month describes a particular consumer problem and gives an appropriate phone number to call for assistance."

"For example, many consumers have trouble making ends meet right after the holidays. That's why January tells about our brochure, 'What to Do When You Can't Pay Your Bills.'"

"Many consumers don't realize they can call toll-free to some government agencies for help with certain problems," Joy added. "We've included as many of those numbers as possible in the calendar."

Consumers who would like a copy of the 1978 Consumer Calendar can write the Michigan Consumers Council, 414 Hollister Building, 106 W. Allegan, Lansing 48933. There is no charge for the calendar.

'Great Escape' continues

Nostalgic movies from the '30s continue as "The Great Escape" series moves into February. On Saturday nights, "Film Festival with Paul Winter," on Channel 56, will present two film classics starting at 10 p.m.

"The Great Escape" is the Channel 56 slogan for six weeks of Hollywood golden-great double features—a total of 12 films in all—

running through Feb. 18. The movies feature a galaxy of stars like Spencer Tracy, Joan Bennett, John Wayne, Franchot Tone, Dolores Del Rio and Joel McCrea.

Romance is the theme for the evening of Feb. 4. Starting at 10 p.m. will be the South Sea adventure, "Bird of Paradise." In this 1932 production starring Joel McCrea and Dolores Del

Rio, a yacht crewman and native princess become entangled in a saga of searing passion and pagan rituals.

Following "Birds of Paradise" will be another romance, this one based on greed and selfishness. "The World Moves On," directed by John Ford and starring Franchot Tone and Madeleine Carroll, tells of a family that, through the Depression and

World II, find out the hard way that love is more important than money.

The night of Feb. 11 will feature drama. "The Power and the Glory" is a one-track story of love and competition in the railroad industry. This 1933 release stars Spencer Tracy and Colleen Moore. Immediately following will be the greatest of all

detective stories, "Sherlock Holmes." Clive Brook stars as the super sleuth on the trail of that super criminal, Prof. Moriarty.

The final Saturday night of "The Great Escape" will be action-adventure night. "The Big Trail," an epic in its time and the movie that propelled John Wayne to stardom, will be the first offering at 10 p.m. Also starring Tyrone Power and Ward Bond.

"The Big Trail" recounts the story of the first wagon train to successfully cross the West to Oregon.

The second offering of that night will be "Six Hours to Live." Through a miracle of science, a man is brought back to life for six hours and uses the time to put his life in order and name his murderer. Warner Baxter and John Boles star in this 1932 classic.

CITY OF BELLEVILLE NOTICE OF PUBLIC HEARING ON AMENDMENT TO ORDINANCE NO. 65-86, ZONING ORDINANCE OF THE CITY OF BELLEVILLE

PLEASE TAKE NOTICE that by direction of the City Council of the City of Belleville a public hearing will be held on the 6th day of February, 1978 at 8:00 o'clock p.m., in the Council Chambers at 6 Main Street, in the City of Belleville, County of Wayne and State of Michigan, for the purpose of granting any person interested the right to be heard by the City Council on a proposed amendment to Map Area 21C of the zoning map of the City of Belleville.

Amendment to Map Area 21C will change the present R2 zoning to a B2 zoning and will be in the area described generally as:

The Northerly 150 feet of Lot 306 Assessor's Belleville Plat No. 5 of Part of Sections 21, 22, and 28, T. 3 S., R. 8 E., according to the plat thereof as recorded in Liber 67, Page 72, Wayne County Records.

Copies of the amended Area Map will be available for inspection in the office of the City Clerk prior to the time herein set for public hearing.

AGNES FRISCH,
Acting City Clerk

Petition drive has '100,000 to go'

The initiative petition drive by the 1,460 member Michigan State Police Troopers Association (MSPTA) has now reached 63 percent of its minimum goal of 266,000 voter signatures, according to Doil Brown, executive secretary.

Brown said troopers have collected 166,000 signatures to date in their drive to get the issue of collective bargaining for troopers and sergeants on the November 1978 general election ballot.

Troopers now have six months left to gather the additional 100,000 by the deadline to get on the ballot. The deadline is 120 days before the November election, or about June 30.

MSPTA's constitutional amendment calls for troopers and sergeants to have the right to

bargain collectively with the state and submit all disputes to third party, binding arbitration as now provided by law for local police and firemen under Public Act 312 of 1969, passed by the Michigan legislature.

Current pay and grievance procedures for troopers are controlled by the Michigan Civil Service Commission, under a meet and confer approach.

MSPTA, an independent organization, now is spending about \$6,000 per month to advertise the drive. The drive is totally underwritten by trooper members of their association. MSPTA has accepted no outside contributions.

Some 1,600 individual citizens and small groups throughout Michigan are helping troopers circulate the petitions.

ROMULUS COMMUNITY SCHOOLS MINUTES

The Special Meeting of the Romulus Board of Education held on November 28, 1977 was called to order by President Budd at 6:30 P. M. Roll call showed all members present; all administrators were present. Pledge of Allegiance was led by President Budd.

The Board convened in Closed Session at 6:34 P. M. for the purpose of student hearings and reconvened in Regular Session at 8:01 P. M.

APPROVAL OF AGENDA: Moved by Christensen supported by Avery to approve the Agenda with the deletion of Item VII. E. "Environmental Conservation Field Trip - No. Jr. High School." Ayes: 6. Nays: 0. Motion carried unanimously.

COMMUNICATIONS AND EXPRESSIONS FROM THE PUBLIC: Letter dated November 9, 1977 and received November 14, 1977 from Y. Gladys Barsamian, Judge, Probate Court, Juvenile Division, Wayne County, outlining concerns on the juvenile justice plan currently being considered for adoption by the State of Michigan.

Letter dated November 23, 1977 and delivered personally to the Board of Education by Mr. Daniel Doss protesting the transfer of his daughter from Hale Creek School to Mt. Pleasant School.

Supt. Garfield recommended that the Board receive the letter, take under advisement and refer to Administration for disposition of same. Moved by Avery supported by Silvey that the letter of Mr. Daniel Doss be taken under advisement and referred to Administration for disposition of same. Ayes: 6. Nays: 0. Motion carried unanimously. Members of the audience expressed their concerns and opinions re the reinstatement of particular programs.

SUPERINTENDENT'S REPORT:

Building and Site Progress Report

Mr. Thomas M. Janack stated that weather did not permit Nagle Paving to install the entrances at North Junior High School. Item of information.

Maintenance of Buildings and Grounds

Price quotations were presented to the Board of Education for the installation of lighting fixtures at Beverly School. He recommended the Board accept the low bid of Spilane Electric Co. in the amount of \$2,493.00. Moved by Christensen supported by Avery to award the bid to Spilane Electric Company in the amount of \$2,493.00 for the installation of electric fixtures at Beverly Elementary School. Ayes: 5. Nays: 1. (Lombardi) Motion carried. Mr. Thomas M. Janack stated that 6 price quotations were mailed for the replacement of gas heaters in the Bus Garage, but only two were received for same. Moved by Silvey supported by Lombardi to re-bid gas heaters for the Bus Garage. Ayes: 6. Nays: 0. Motion carried unanimously.

Sale of School Properties

Mr. Thomas M. Janack advised the Board of Education that he had received only two inquiries on the sale of ten (10) portables. It was the consensus of the Board that Mr. Janack advertise for bids on the ten (10) portables.

Appraisal of Romulus Elementary School

Mr. Janack stated that he mailed letters to approximately seven or eight appraisers for the sale of Romulus Elementary School. The appraisals will be ready for the December 12th meeting. Item of information.

School Lunch and Breakfast Programs

Moved by Silvey supported by Christensen that Mr. Janack contact the Michigan Department of Education to advise them that the Romulus Community Schools will not be operating a School Lunch-Breakfast Program for the 1977-78 School Year. Ayes: 6. Nays: 0. Motion carried unanimously.

Mr. Janack requested permission from the Board to investigate the feasibility of installing vending machines at the Romulus Senior High School. It was the consensus of the Board to grant Mr. Janack permission.

Treasurer's Report

Moved by Christensen supported by Chandler to accept the Treasurer's Report as presented. Ayes: 6. Nays: 0. Motion carried unanimously.

Personnel Actions

Moved by Lombardi supported by Avery to accept the Personnel Actions as recommended by the Superintendent of Schools. Ayes: 6. Nays: 0. Motion carried unanimously.

Board Vacancy

Moved by Chandler supported by Lombardi to remove the Board Vacancy from the table. Ayes: 6. Nays: 0. Motion carried unanimously.

Moved by Avery supported by Lombardi that Michael D. Woods be appointed to the vacancy on the Board of Education. Ayes: 5. Nays: 1. (Christensen) Motion carried.

Scheduled Board Meeting - December 26, 1977

Moved by Silvey supported by Chandler that December 12, 1977 be the only scheduled Board Meeting for December and, if necessary, a Special Meeting may be called. Ayes: 6. Nays: 0. Motion carried unanimously.

Moved by Lombardi supported by Avery to convene in Closed Session for the purpose of student hearing determinations. Ayes: 6. Nays: 0. Motion carried unanimously. The Board convened in Closed Session at 8:55 P. M. and reconvened in Regular Session at 9:55 P. M.

Moved by Christensen supported by Lombardi to place Student J 77-78 in the Alternative Education Program. Ayes: 6. Nays: 0. Motion carried unanimously. Moved by Chandler supported by Silvey that Student I 77-78 be allowed to return to school on November 29, 1977. Ayes: 6. Nays: 0. Motion carried unanimously.

Vice President - Board of Education

Moved by Chandler supported by Avery that Member Silvey be nominated for the office of Vice President. There being no other nominations, Member Silvey was elected Vice President by acclamation. Ayes: 6. Nays: 0. Motion carried unanimously.

Moved by Chandler supported by Avery that the meeting be adjourned. Ayes: 6. Nays: 0. Motion carried unanimously. The meeting was adjourned at 9:57 P. M.

Respectfully submitted, Gloria M. Chandler, Secretary, Romulus Board of Education.

SUMPTER TOWNSHIP NOTICE OF PUBLIC HEARING

January 10, 1978

Meeting opened with the pledge of allegiance to the flag at 7:40 pm. Supervisor Demski presiding. Roll Call found present: Supervisor Demski, Clerk Reeves, Treasurer Banotai and Trustees: Folks, Overman and Williams. Absent: Trustee Hall, ill. Also present were Deputy Clerk Sienko, Administrative Aide Redman and approximately 22 citizens.

Motion by Overman, supported by Williams, to accept agenda. Motion carried unanimously.

Supervisor Demski called on Henry Redman to explain to those present the reason for the Public Hearing. The law states that we must have two Public Hearings with citizens in-put to receive Block Grant Monies. The amount the Township is to receive is approximately \$80,000.00, for 1978. It can be used for development of the park site, clean drains, etc. It could also be used for the New Fire Station. What we are asking for at this time is citizens input for the use of the monies. Monies could possibly be used for the renovation of the Pioneer Apts. and could be used for the cleaning of County Drains. It is a possibility that we may not be able to have the use of the Grade-All this year, as we have had in the past two years. Other communities are also in need of it. Some of the monies could also be used for the access road to the Police Dept. and Dog Pound.

Mr. Harness questioned the use of the Grade-All from the County. He suggested approaching Mr. Karolyi, who resides on Arkona Road, to perhaps lease his equipment. He has a bull dozer and other heavy equipment.

Other uses of the monies could possibly go for improvements on the Park Site at Sherwood and Wear Roads.

Mrs. Dienes remarked that the Wayne County Drain Commission should be the ones to take care of the County Drains as we are paying for that service on our taxes. Henry Redman explained that to get a County Drain cleaned certain steps have to be taken. The first step is to petition the County to clean the drain, then a study is made, then a Public Hearing is set up and finally the cost is determined.

Tom Pickett of the Wayne County Health Department was introduced.

Mr. C. Slayton asked how often the drains were reviewed. Also when the drains are reviewed is the Township charged. (Assessed).

Mr. Harness congratulated Supervisor Demski on his appointment to the Wayne County Task Force. He also asked why, with a 30 day advanced notice on certain subjects, he failed to get an answer.

Mr. Slayton asked what Mr. Redman's name and position is with Sumpter Township.

Mr. C. Koger stated that in his opinion the cleaning of the drains should be foremost in importance.

Trustee Folks stated that Block Grant Monies is administered by the Township Board and have no administrative fees built in.

Trustee Williams asked other citizens to express their opinions.

Mr. Harness asked a question regarding water line excavation. Trustee Folks and Mr. Harness were of the opinion that the drains should be high priority.

Mr. P. Quenet asked which drains could be cleaned and which could not. Township is allowed to clean County Drains. Road ditches come under the jurisdiction of the Wayne County Road Commission. Drains come under the Wayne County Drain Commission.

Mr. Slayton asked the question as to whether all road ditches belong to the Road Commission. Answer is no. Some belong to the Drain Commission.

Mr. Harness stated that a fire station near his home would in all probability lower his insurance rates.

A question was raised as to the ownership of Pioneer Apts. Sumpter Township owns the Pioneer Apts. Before it can be used it will have to be brought up to code.

Treasurer Banotai asked Mr. Redman if a fire truck could be purchased with part of the monies. Mr. Redman said he would look into the possibility.

Mr. Berry asked if a library could be put in the Pioneer Apts. He was told that the Wayne County Library would not agree to it. In addition we would still have to pay our share to the Wayne County Library System.

Mr. Slayton stated that he was in favor of drain cleaning with the monies. He thought the Township needed this most.

Supervisor Demski asked if there was any more in-put. Also stated that there will be another Public Hearing on January 24, 1978.

No more questions were forthcoming from the floor.

Motion by Reeves, supported by Williams to adjourn Public Hearing. Public Hearing adjourned at 8:17 pm.

Respectfully submitted,
James M. Reeves, Clerk

I, James M. Reeves, Clerk for Sumpter Township, do hereby certify that the above is a true copy of the minutes taken at a Public Hearing, held on January 10, 1978 at the Sumpter Township Hall, 23483 Sumpter Road, Belleville, Michigan 48111.

ROBERT K. DEMSKI, SUPERVISOR

JAMES M. REEVES, CLERK

For second marking period

17 students top BHS honor roll

Seventeen students at Belleville High School have been awarded perfect marks for the second marking period of the 1977-78 school year.

Garnering 4.0 grade point averages were Kimberly Buchanan, Deborah Burek, Christine Capili, Ella Chamberlain, Michael Chen, Gregory Davis, Pamela Fitch, Honsel Frazier, Corinna Huff, Bridget Hohnson, Mary Kilanski, Tim McClelland, Jill Misna, Shelley Ott, Marci Rocha, Scott Tanner and Lanae Voelker.

Servicemen

(Continued from Page 4) Sgt. Michael J. Moore, the son of Mr. and Mrs. James Moore of Kraft Place, Romulus, recently entered East Berlin to observe conditions on the communist-controlled side of the Berlin Wall. The excursion was part of an orientation tour of the divided city that is given to U.S. Army members stationed in West Germany. The Berlin Orientation Tour is intended "to give American soldiers a first hand look at the differences between a free and a controlled society, so they can see for themselves why they are stationed in Germany," according to Army officials. The hope is that the contrast will add new meaning to their roles and assignments in West Germany. Under the Potsdam Agreements, members of the U.S. military are permitted access to East Berlin. Sgt. Moore is a mechanic with the 64th Support Battalion at Wiesbaden Air Base in Germany. He is a 1973 graduate of John F. Kennedy High School, Taylor. His wife, Jacqueline, is with him in Germany.

William M. Oakley, Mayor City of Romulus

District attracts road projects

Wayne County Commissioner Royce E. Smith has hailed 13 major road improvements and reconstruction projects proposed for his district in Western Wayne County in 1978-79.

The projects, which include paving some gravel roads in the rapidly growing district, also call for the replacement and widening of narrow, antiquated bridges, the widening of major intersections, and reconstruction-widening of existing roadway.

With an estimated total cost more than \$6.7 million, the projects were recently approved by the Wayne County Road Commission, which proposes to finance the program with a \$6 million bond issue that will

generate \$21.6 million more in federal matching funds.

The bond issue must be approved by the Michigan Municipal Finance Commission before work could begin, possibly this spring.

Smith said projects approved by the road commission within his large District 27 include:

- Construction to five lanes of concrete pavement on Haggerty Road from Ford to Cherry Hill, a distance of 0.9 miles, at a cost of \$1.04 million.

- Replace bridge on Ridge Road at Fellows Creek and widen shoulders, \$75,000.

- Replace bridge on Lotz Road at

Fellows Creek, widen and pave approaches, cost \$86,000.

- Replace culvert and widen road on Lotz Road at Barker Drain, \$23,000.

- Replace culvert and widen-pave approaches on Van Born at Horner Drain, \$23,000.

- Construct five-lane concrete pavement on Haggerty Road at Ford Road intersection, cost \$676,000.

- Reconstruct and widen Sheldon Road to five lanes from Joy Road to Ann Arbor Trail, a distance of 1.7 miles, cost \$1.9 million.

- Replace Ridge Road bridge at Lower Rouge River, widen and pave approaches at a cost of \$92,000.

- Replace Willow Road bridge at Swan Creek, widen and pave approaches, cost \$138,000.

- Reconstruct Lilley Road to five lanes at Ann Arbor Trail and at Plymouth-Main intersections at a cost of \$807,000.

- Construct two-lane concrete pavement on Beck Road from North Territorial to Five Mile, reconstruct railroad crossing midway, make five-lane intersection, a distance of 1 mile at a cost of \$1.1 million.

- Construct new bridge on Rawsonville Road at Huron River, a joint project with the Washtenaw County Road Commission at a cost of \$600,000.

78-004

Motion by Raspberry, supported by McAnally, to adopt Resolution 78-004.

RESOLUTION 78-004

WHEREAS: The State Legislature has adopted, and the Governor has signed into law, Public Act 266 of 1976, which provided for a payment of Two dollars and fifty cents (\$2.50) surcharge on license plate purchases by the owners of non-commercial trailer and recreational vehicles; and

WHEREAS: The City of Romulus believes that this is a harsh and unjust imposition on the owners of non-commercial trailers, most particularly since said owners utilize said trailers and/or recreational equipment on an infrequent basis, and strictly for personal use.

NOW, THEREFORE, BE IT RESOLVED: The City Council of the City of Romulus does implore the Governor and the Legislature to amend Public Act 266 of 1976, to provide the surcharge on license plate purchases, be charges on trailers utilized for commercial purposes only.

BE IT FINALLY RESOLVED: That copies of this Resolution be forwarded to Governor William Milliken, Senator Faust, Representative Mahalak, Representative Owen, and to all surrounding communities in Wayne County.

Roll call vote showing: Ayes - Raspberry, Block, McAnally, Cantrell, Carter, Banks. Nays - None. Motion carried unanimously.

78-005

8. Motion by Raspberry, supported by McAnally, to adopt Resolution 77-785.

RESOLUTION 77-785

WHEREAS: The Walter Reuther Long-Term Care Facility was constructed with Revenue Bonds, due to expire in the Year 2000, at a cost of \$10,500,000, and completed for occupancy in June of 1974, and

WHEREAS: The Wayne County Board of Commissioners has ceased the funding of the Walter Reuther long-term care facility as of January 15, 1978, and

WHEREAS: This action will cause said facility to be closed as of that date, thus causing the transfer of extremely ill patients, and

WHEREAS: Such transfers will most certainly result in the death and disorientation of some of those persons:

NOW, THEREFORE, BE IT RESOLVED: That the City of Romulus City Council does hereby urge the Board of Commissioners to reconsider this action and thus seek to continue the operation of this unique health care facility, and that in the interest of protecting human life and eliminating the trauma of uprooting those patients, cancel any plans to transfer them.

FINALLY BE IT RESOLVED: That this resolution be forwarded to the Governor of the State of Michigan, the State Legislators, Wayne County Board of Commissioners, and public officials in the affected communities urging that they make every effort within their power to avoid the closing of the Walter Reuther Long-Term Care Facility.

Roll call vote showing: Ayes - Raspberry, Block, McAnally, Cantrell, Carter, Banks. Nays - None. Motion carried unanimously.

9. Motion by Block, supported by Carter, to adjourn the meeting. Roll call vote showing: Ayes - Raspberry, Block, McAnally, Carter, Cantrell, Banks. Nays - None. Motion carried unanimously.

Respectfully submitted,

Leonard J. Folmar, Clerk
City of Romulus

I, Leonard J. Folmar, Clerk for the City of Romulus, do hereby certify that the foregoing is a true copy of the Minutes of Regular Meeting of the Romulus City Council held January 3, 1978.

Leonard J. Folmar, Clerk
City of Romulus

SUMPTER TOWNSHIP BOARD MINUTES

Regular Board Meeting
January 10, 1978

Meeting opened with the pledge of allegiance to the flag at 8:28 p.m. Supervisor Demski presiding.

Roll Call found present: Supervisor Demski, Clerk Reeves. Treasurer Banotai and Trustees: Folks, Overman and Williams. Absent: Hall, ill. Also present were Township Attorney Hess, Deputy Clerk Sienko and approximately 25 citizens.

Motion by Overman, supported by Williams, to approve agenda. Motion carried unanimously.

Motion by Williams, supported by Overman, to approve, with correction, the December 13, 1977 Board Meeting Minutes. (Correction to read, Motion by Williams, supported by Overman to eliminate all Commissioners; Police, Water, Fire and Park. Ayes: Demski, Banotai, Williams and Overman. Nays: Folks and Reeves. Motion carried.) Motion carried unanimously.

Motion by Williams, supported by Banotai, to accept Planning Commission Meeting Minutes of January 4, 1978 as read. Motion carried unanimously.

Motion by Williams, supported by Overman, to accept Police Report as read. Motion carried unanimously.

Motion by Williams, supported by Banotai, to accept Dog Warden Report as read. Motion carried unanimously.

Motion by Reeves, supported by Williams, to accept Water Report as read. Motion carried unanimously.

Motion by Reeves, supported by Williams, to accept Fire Report as read. Motion carried unanimously.

Motion by Reeves, supported by Williams, to accept Treasurer's Report as read. Motion carried unanimously.

Supervisor's Report: Ban on the \$2,000,000 Loan & Grant has been lifted. Application has been submitted for the second \$1,000,000 Loan & \$1,000,000 Grant. The Wayne County Board of Health is asking for a resolution for funds to complete a study as to where there is evidence of contaminated wells. Mr. Demski introduced Mr. Tom Pickett, of the Wayne County Health Department, to answer questions of the Township Board. Mr. Overman asked how the county arrived at a figure of \$11,000. Was it to come out of the grant or was it to be a separate grant. Mr. Folks asked if he brought a resolution with him. Also how he intended to contact every one in the disadvantaged area to check their well.

Mr. Pickett stated that they will try to check every well for depth, odor problem, detergent problem, etc. The study is to start the first of February and the results should be in by the end of March. He was asked if the study could be done sooner, if Mr. Redman went to the Board of Commissioners to get additional help could it be completed sooner? Mr. Pickett stressed the need for the resolution to be passed at this evening's board meeting in order to have it before the Ways & Means Committee on Thursday. Attorney Hess asked who could give the answer as to where the \$11,000 is coming from. If it comes from the grant & loan it will cut off 440 ft. of water line. Trustee Folks asked if most of this study hasn't already been made. Mr. Pickett replied, not for sulphur. Attorney requests we pay back what ever FmHA allows for study. Mr. Glenn Brown, of the Wayne County Health Department, thinks perhaps \$3,000 could be cut from the monies. Mr. Mitchell was quoted as saying the additional monies are needed. Trustee Folks asked if this was an eligible expenditure. Mr. Pickett agreed it was.

Motion by Williams, supported by Folks, Township Board adopt resolution of the Wayne County Health Department Study, with the assistance of a legal opinion from the Attorney, see if we can forego this \$11,000 debt. Motion carried unanimously.

Supervisor recommended the following resolutions:

Motion by Williams, supported by Overman, the Township adopt Signature Authorization Resolution authorizing Supervisor Demski and Township Administrative Aide Redman to execute any and all documents necessary to meet the requirements set forth by the FmHA. Motion carried unanimously.

Motion by Williams, supported by Banotai, the Township Board adopt Resolution designating the Romulus Branch of the Manufacturers National Bank of Detroit as its depository for all funds advanced for construction and improvements in their water extension program. Motion carried unanimously.

Motion by Williams, supported by Overman, the Township Board adopt Resolution that the Township of Sumpter will make Quarterly Reports on Form FHA 442-2 and any other reports required by the FmHA, as itemized in the "Bookkeepers Agreement." Motion carried unanimously.

Motion by Williams, supported by Banotai, to table for further discussion Township joining the Belleville Chamber of Commerce. Motion carried unanimously.

Motion by Folks, supported by Reeves, to receive and file letter from Carl Levin regarding House Bills 4017 and 4018. Motion carried unanimously.

Motion by Reeves, supported by Williams, to accept Supervisor's Report. Motion carried unanimously.

Engineer's Report: Authorize and seek bids on Phase III. Bids to be opened January 24, 1978 at 11 a.m. and reviewed for recommendation at evening Board Meeting. Presented Clerk and Supervisor with copies of bid documents and specifications for review. Bids are on a per foot basis.

Motion by Reeves, supported by Williams, to accept Engineer's Report. Motion carried unanimously.

Attorney Hess read Sec. 22.01 Non-Conforming Uses & Buildings under the new zoning ordinance.

Motion by Reeves, supported by Folks, Planning Commission be authorized to mail out non-conforming record to Township residents. 3 Ayes: Folks, Reeves and Demski. 3 Nays: Overman, Banotai and Williams. Motion failed.

Motion by Reeves, supported by Folks, Planning Commission be authorized, the Township pay cost of printing and mailing (bulk mail) sending out non-conforming literature. Motion carried unanimously.

Motion by Reeves, supported by Williams Township Board adopt Resolution which would award the Township's Revenue Bonds to the FmHA. Motion carried unanimously.

Motion by Folks, supported by Williams, that Township Attorney prepare a contract between the Township and certain residents of Willis Court to provide for water services in accordance with Township Engineer's recommendations with modifications of Item No. 4 and with addition regarding the right of way. Motion carried unanimously.

Motion by Williams, supported by Overman, the Township Board follow recommendations of Acting Chief of Police to transfer Class 'C' license, SDM license, and dance permit at 25525 Sumpter Road to Richard Marker and to deny the transfer and/or issuance of entertainment permit. Motion carried unanimously.

Motion by Williams, supported by Banotai, to pay John Perkins for the loss of one goat, killed by dog or dogs unknown, at a rate shown in Township Ordinance. Motion carried unanimously.

Motion by Williams, supported by Banotai, to pay Ernest Michling for the loss of 18 chickens, one duck and two guinea hens, killed by dog or dogs unknown, at the rate shown in the Township Ordinance. Motion carried unanimously.

Motion by Banotai, supported by Folks, to approve transfer of funds EDA, 12-1-77, Garrison Company, amount \$45,364.00. 1-3-78, Garrison Company, amount \$46,204.62. 1-3-78, Beri Klie, amount \$600.00. Also approve the transfer from Water Receiving to Water Operation and Maintenance for Water Department Obligations: Rec. No. 3351, 11-29-77, in the amount of \$15,000. Rec. No. 3677, 12-16-77, in the amount of \$10,000. Rec. No. 3704, 1-3-78, in the amount of \$10,000. Also Water Receiving to FmHA Grant, Rec. No. 3698, dated 12-29-77, for the deposit of \$2.50 debt service charge on water bills from 11-28-77 to 12-21-77, in the amount of \$1,205.30. Also from Savings Account to General Fund per Rec. No. 3352, dated 11-30-77, in the amount of \$3,819.86 to cover employee withholdings (State & Fed.) for November 1977. Also per Rec. No. 3702, dated 1-3-78, in the amount of \$5,248.08, to cover employees withholdings (State & Fed.) for Employees Social Security, per receipt No. 3715, dated 1-9-78, in the amount of \$8,703.01. Also from the Rehabilitation Grant 12-27-77, Eugene Pitchford \$550.00. 12-27-77, Willie Jones \$120.00. 12-27-77, Eliza Daniels \$175.00. 12-27-77, Johnnie Kellogg \$230.00. Also Bil Mar Builders for Walter & Alberta Smith, dated 12-27-77, in the amount \$646.00. Also Rehabilitation Grant to Water Department 12-27-77 for Arthur Gray water tap the amount of \$173.80 also 12-27-77 for Charles F. Bennett the amount of \$560.00. Also to Williams P. Stewart & Sons for installation of Water line for Arthur Gray, 12-29-77 the amount of \$1,120.00. Total expenditures in Rehabilitation Program \$3,574.80. Motion carried unanimously.

*Also for Ralph King & Sons Electric.

Motion by Reeves, supported by Folks, to approve sending the Electrical Inspector to March Seminar at Kellogg Center. Motion carried unanimously.

Motion by Folks, supported by Reeves, to appoint Sherry Olds to the Citizens Advisory Committee. Motion carried unanimously.

Motion by Reeves, supported by Williams, to pay warrants as monies becomes available. Motion carried unanimously.

Floor discussion - 10 minutes.

Motion by Reeves, supported by Overman, to adjourn meeting. Meeting adjourned at 11:35 p.m.

Respectfully submitted,

James M. Reeves, Clerk

I, James M. Reeves, Clerk of Sumpter Township, do hereby certify that the foregoing is a true copy of the minutes taken at a Regular Board Meeting, held on January 10, 1978, at 23483 Sumpter Road, Belleville, Michigan 48111.

ROBERT K. DEMSKI, SUPERVISOR JAMES M. REEVES, CLERK

NOTICE

LAST DAY TO REGISTER FOR THE ROMULUS SCHOOL BOARD RECALL ELECTION TO BE HELD ON SATURDAY, MARCH 4, 1978

To the Qualified Electors of the Romulus Community School District:

Notice is hereby given that, in conformity with the "Michigan Election Laws," I the undersigned City Clerk, will upon any day EXCEPT Sunday, and a legal holiday, the day of any regular of special election, receive for registration the name of any resident of the Romulus Community School District not registered, who may APPLY TO ME PERSONALLY (or authorized substitute) for such registration EXCEPT during the time intervening between the Close of Registration for the ROMULUS SCHOOL BOARD RECALL ELECTION and the day of such election.

Notice is hereby given that I will be at the Romulus City Clerk's Office, 11111 Wayne Road, Romulus, Michigan on:

VAN BUREN PUBLIC SCHOOLS MINUTES

Minutes of the Board of Education
REGULAR MEETING
December 12, 1977

The Regular Meeting of the Van Buren Board of Education was held in the Board Room of the Administration Building on Monday, December 12, 1977 at 8:00 p.m.

Members present: Charles Paas, Robert Cook, William McCollum, Doris Roe, James Sayre, Ronald Tocco, and Richard Muse. Also present were Superintendent Dale Kaulitz, Director of Business Affairs Jack Hosmer, Director of Instruction Douglas Brown, and Director of Personnel Raymond Kohr.

President Roe called the meeting to order at 8:00 p.m. The minutes of the regular meeting of November 14, 1977 and special meeting of November 21, 1977 were reviewed. Motion by Ronald Tocco, supported by Charles Paas, that the minutes be approved as printed. Motion carried.

James Sayre presented a policy regarding the acceptance or rejection of gifts or donations of money. Motion by Robert Cook, supported by James Sayre, to approve policy as presented. Motion carried. (Copy attached)

George Craven from Jahr Associates presented recommendations for award of bids for bid package No. 6 for high school renovation. Motion by William McCollum, supported by Ronald Tocco, to approve award of bids as presented. Motion carried.

On recommendation of the Business Office, motion by Ronald Tocco, supported by James Sayre, that:

Caroline Sherwood, cafeteria worker, be granted request for termination effective October 6, 1977;

Georgetta Bricks, school bus driver, be granted a medical leave of absence effective October 31, 1977 until August 31, 1978; and

Donna Jeffrey, school bus driver on layoff status, be rehired as a regular bus driver effective November 24, 1977. Motion carried.

The financial reports and the bills for the month of November were reviewed. Motion by Robert Cook, supported by William McCollum, that the financial reports be approved and the bills be paid as presented. Motion carried.

Jack Hosmer presented recommendation for appointment of George Craven and Nora Smith to the Board of Canvassers. Motion by Richard Muse, supported by Ronald Tocco, to approve appointments as presented. Motion carried.

Jack Hosmer presented a lease agreement for use of Sumpter School by C.U.F.A. (Communities United for Action, Inc.). Discussion was held regarding lease agreements for other two possible tenants. Motion by Robert Cook, supported by William McCollum, to approve lease agreement for C.U.F.A. as presented. Motion carried. (Copy attached)

Charles Paas discussed the Martinsville School and property. He recommended that an appraiser be hired to appraise the property and put it up for sale. Sale could be by bids with a minimum figure or with a fixed price. Motion by Charles Paas, supported by Richard Muse, that recommendation be approved as presented. Motion carried.

Rev. Fujii from the Emmanuel Baptist Church presented a request for the use of Martinsville School as a mission project. If program is successful, the mission board could loan money to purchase the property. It would take six to seven months to determine if program is successful. Discussion was held. Motion by Charles Paas, supported by Ronald Tocco, that following appraisal of the property, it be offered to sale, with the appraised value as the minimum acceptable price, for a period of 2-3 weeks. Board to consider further action following acceptance of bids. Motion carried.

On recommendation of the Personnel Office, motion by James Sayre, supported by Richard Muse, that:

Jacqueline Hollis, teacher at Haggerty Elementary School, be granted Parental Leave of Absence beginning January 23, 1978;

Joan Rice, teacher at Quirk Elementary School, be granted Parental Leave of Absence beginning January 23, 1978;

Joanne Williams, teacher on layoff status, be granted request for termination of contract effective November 28, 1977; and

Lynn Thompson be hired as a Vocational Welding Teacher effective December 5, 1977.

Motion carried.

Motion by Robert Cook, supported by Charles Paas, that the following teachers be placed on tenure status: Marjory Priest, Mable Stroman, and Deborah Stakenas. Motion carried.

Letter was read from Walter Pieknik, President of the Belleville Basketball Booster Club, requesting a parking concession for the basketball season. Motion by Charles Paas, supported by Ronald Tocco, to table request and ask Walter Pieknik to attend the next board meeting for further discussion of his request. Motion carried.

Douglas Brown presented a report on the Michigan Educational Assessment Program results for 1977-78.

A Millage Committee consisting of Ronald Tocco, Chairman; Charles Paas, William McCollum, and James Sayre was appointed to study budget, curriculum, and the possibility of a millage election.

Meeting adjourned at 11:00 p.m.

James L. Sayre, Secretary

SEMTA to standardize bus train fares

The Southeastern Michigan Transportation Authority (SEMTA) is planning a new passenger fare structure for use on all its buses and trains and is urging citizens to help make the final decision on the best method. They will have the opportunity to hear SEMTA explain the proposed fare changes, and can offer their ideas and reactions at four public hearings this month.

SEMTA purchased four private suburban bus companies in the early 1970s (Martin Lines, Lake Shore, Great Lakes and Metro) and has retained the fare structures those companies had been charging. As a result, bus fares can vary widely within the region.

At the present time, the fare on one route may be higher than on another, although the distance travelled is identical.

SEMTA's goal is a fare system that will be simple and equitable for all its customers. Two alternative proposals will be presented for public review and comment at the hearings. Under both alternatives, fares will be equalized on all SEMTA routes throughout Wayne, Oakland and Macomb counties. In some cases, fares will be lowered by the changes and some will be increased. In all cases, the fares will be easier to understand and consistent.

The two proposals differ in the number of zones and the zone charge.

Under Alternative 1, there would be six suburban zones. The maximum fare would be \$1.25. The minimum (or base) fare would be 50 cents, and it would be adequate for two zones. For each additional zone travelled, the charge would be 15 cents.

Under Alternative 2, there would be three suburban zones. The maximum fare would be \$1, with the base fare 50 cents, also good for two zones. Each additional zone would cost 25 cents.

Both plans call for a surcharge for premium service which would be added to the regular bus fare. Examples of premium service are Limited Stop Buses (express buses), Park and Ride and Commuter Rail (Pontiac-Detroit).

Both alternatives allow for discounts for students, the elderly, and handicapped.

SEMTA is studying the possibility of offering discounts for pre-paid fares, such as monthly passes.

The public is urged to attend the public hearings to offer opinions on these proposed changes. Written also, comments may be submitted before Feb. 3 to SEMTA, Box 333, 211 W. Fort St. Detroit 48231. The telephone number is 962-9800.

Dates and places for the public hearings are:

— Oak Park Community Center Building, 14300 Oak Park Blvd. 7:30 p.m. Jan. 18, Detroit Bank and Trust Building, seventh floor, 211 W. Fort St. at Washington Blvd. 12 noon Jan. 19; St. Clair Shores City Hall, 27600 E. Jefferson at 11 Mile Road; 7:30 p.m. Jan. 19; Hyatt Regency Hotel, second floor, 7:30 p.m. Jan. 25.

What's for lunch?

On tap for students in the Van Buren and Lincoln Consolidated School districts next week will be such cafeteria entrees as hot open-faced turkey sandwiches, beef-O-roni with cheese and barbecue on buns.

In Van Buren's elementary schools the menu Monday will be beef turnovers with gravy, mashed potatoes and gravy, bread and butter, fruit Jell-O, cookies and milk, followed by juice, pizza, cole slaw or salad, pudding and milk on Tuesday.

Next Wednesday's bill of fare will be bowls of chili, hot dogs on buns, tator tots, pudding and milk.

On Thursday the cafeterias will be serving hot open-faced turkey sandwiches, mashed potatoes and gravy, cranberry sauce, bread and butter, fruit cake, and milk, with soup, fish on buns, fruit Jell-O, cookies and milk closing out the week.

In the junior highs, the menu Monday will be soup, cheeseburgers on buns, tator gems, cookies, fruit, and milk, with pizza, tossed salads, pie and milk on tap for Tuesday.

Next Wednesday's lineup will be oven-fried chicken with mashed potatoes and gravy, cranberry sauce, vegetable, bread and butter, pudding and milk.

Next Thursday the menu will be beef-O-roni with cheese and Italian veal cutlets, vegetable, bread and butter, fruit Jell-O, cake and milk, while a menu of juice, fishwich, cole slaw, tator gems, cookies and milk will close out the week.

The alternate menu selections will be doubleburgers Monday, Coney Island foot-longs Tuesday, Belleville burgers with cheese next Wednesday, sirloin submarine sandwiches next Thursday and Belleville burgers next Friday.

In the Lincoln Consolidated Schools the menu Monday will be hamburgers on buns, with potato chips, peaches, buttered corn and milk.

Next Tuesday the cafeteria will be serving hot turkey sandwiches, whipped potatoes, cranberry sauce, buttered mixed vegetables, and milk, while tacos, buttered corn, fruit, cookies and milk will be on tap for next Wednesday.

Next Thursday the cafeterias will be serving spaghetti, buttered peas, rolls and butter, fruit and milk, while barbecue on buns, buttered green beans, potato chips, Jell-O, fruit and milk will round out the week.

The Ball Road Tabernacle will be showing "Shiokari Pass", a new film from the producers of "The Hiding Place" at 7:30 p.m. Sunday.

A true story, "Shiokari Pass" is based on the international best sellers by Ayako Miura. Nearly two million readers have been touched by the story of the abiding love of a young couple at the turn of the century.

Credited with creating a deeper understanding of the Christian faith among the Japanese people, the film tells of the love of Nubuo Fujiko and of his willingness to be guided by his personal faith, no matter how great the cost of commitment.

"Shiokari Pass" is the kind of film that will be enjoyed and remembered by the entire family," a church spokesman said.

There will be no admission charge for the film.

The church is located at 7007 Ball Road, Romulus.

WEMU is daily

All day radio has come to Western Wayne County once more with the expansion of programming at WEMU — 89 FM, Ypsilanti's public radio station.

The station now will be broadcasting from 6 a.m. to 1 a.m.

WEMU's Morning Show host, Art Timko, begins at 6 a.m., with light and lively jazz, local news, weather, interviews and special features.

Mammals are studied

"Endangered Mammals" will be presented at the Nature Center of Kensington Metropark near Milford on Jan. 21 at 9 a.m. This is the second of three programs on endangered species.

Why are many mammals, such as the eastern timber wolf, black-footed ferret and blue whale in danger of becoming extinct. Naturalist Dave Moilanen will consider through slides and discussion the causes of extinction and what is and can be done to prevent it.

This 1 1/2-hour program is for families and individuals only, however, advance registration is required.

For information or registration contact the Nature Center of Kensington Metropark at 685-1561 (Milford).

PERSONALIZED MONEY

Open a WSB checking account and you'll receive a supply of checks with your name and address printed on them. It's the best way we know of personalizing your money just for you.

But in addition to having "personalized money," a Wyandotte Savings Bank checking account provides an easy, safe and efficient way for you to use your money. In fact, we offer four types of checking accounts, just so there will be one just right for everyone:

Personal Check Plan ... for people who write only a few checks a month and don't wish to be bothered with a required minimum balance.

Diamond Cheque ... requires a minimum monthly balance yet saves money because there are no service charges.

Senior Citizen Checking ... available free-of-charge to anyone of retirement age. (Direct deposit of Social Security and retirement checks available, too.)

Business Checking Accounts ... offering a wide variety of check forms and backed by the extensive experience you want in a bank that handles your commercial account.

Open a checking account today at any WSB office and get your personalized money. Your money is protected by a bank with over 100 years experience and insured up to \$40,000 by the FDIC. At Wyandotte Savings Bank, you can Bank On Us!

'World' fills gap in news presentation

"World," a new 13-part series of international documentaries will debut at 9 p.m. Feb. 2 on Channel 56. "World" will alternate on Thursdays for 26 weeks with "The Advocates," public television's award-winning debate series.

The basis for the new series, "World," is that since the end of the Vietnam war, newspaper and magazine coverage of the news has steadily shrunk. "World" is an attempt to fill the growing information gap.

According to executive producer, David Fanning, "The goal of 'World' is to generate awareness—to challenge the way we see things by showing the world as others see it."

"World" will touch upon political, economic and social forces behind foreign events. The first broadcast in the series, "The Clouded Window", hosted by former CBS News correspondent Daniel Schorr, documents the way TV news is globally assembled, presented and — perceived.

Other programs in the series include a docu-

drama based on an actual confrontation between striking Polish workers and the head of Polish Communist Party.

AUTO FACTS

Traffic signs along American streets and highways are being redesigned because traffic experts have discovered that drivers react much more quickly to symbols than to words. Two signs might mean the same thing, but the new type which uses symbols transfers meaning much more quickly. The new signs are similar to the international signs that Europe have successfully employed for years.

Do-it-yourself mechanics enjoy browsing among the beautiful displays of foreign and domestic auto parts and accessories at KOSIN'S AUTO PARTS, 26831 Michigan, Inkster. We carry everything you need to keep your car running efficiently. Our expert staff is always willing to help you select parts and to offer practical advice on the job you have to do. Ask about our fully-equipped machine shop! We do all types of engine repair and can handle any size engine from motorcycle to agricultural or marine. Call KOSIN'S at 563-3894. We are open daily until 8 P.M., Saturdays until 5 P.M.

AUTO TIP: Be alert to signs and believe all warnings of curves, hidden drives, narrow bridges, etc.

NOW YOU CAN PAY FOR YOUR BUSINESS INSURANCE WITHOUT ANY INTEREST COSTS....

Girl Scout Cookie Sale kicks off Jan. 30

Connee Morris, Dolores Wallace are area leaders

The 1978 Huron Valley Girl Scout Cookie Sale is about to get underway in Western Wayne, Washtenaw, Livingston and northern Monroe counties. Order-taking begins Jan. 30 and ends Feb. 12 with delivery slated between Feb. 27 and March 11.

Two area residents, Connee Morris of 375445 Walnut Dr., Romulus, and Dolores Wallace of 27609 West Huron River Dr., New Boston, have been named as chairmen for their respective communities.

Mrs. Morris, who was area chairman for the sale last year as well as a Brownie Girl Scout troop leader for two years, is responsible for directing the fund-raising efforts for some 470 Girl Scouts.

She not only will handle the 16 selling troops (or nearly 270 Girl Scouts) in Romulus Elementary, junior and senior high schools, but will take on the directorship of some 200 Girl Scouts in 13 troops in the Belleville area.

Her territory will include Cory, Mt. Pleasant, St. Aloysius, Gordonier, Hayti, Merriman, Hale Creek, Beverly, Wick and Barth Schools in Romulus. It also covers Edgemont, St. Anthony, Elwell, Tyler and Savage Elementary Schools, North and South Junior High and Belleville High Schools.

Mrs. Wallace, who has been area chairman for six years, will be coordinating the sale for six troops or approximately 70 Girl Scouts in New Boston, Waltz, Willow and Riverside

Schools as well as Huron Township.

Handling the sale for Lincoln Consolidated Schools, which include 10 troops or 170 Girl Scouts, are Mrs. Carol LaPine of 57444 Sunset Trail, Ypsilanti; Rose Stonik of 50333 Willis Rd., Belleville and Ann Scott of 10880 Willis Rd., Willis.

These girls are among the nearly 7,000 Girl Scouts, ages nine to 18, within the Huron Valley Girl Scout Council who will be setting out to reach this year's goal of 400,000 boxes of cookies sold.

Profits from the sale will help fund the construction now underway of a large troop house at Camp Crawford in Washtenaw County. Funds also underwrite camp maintenance and development for Camp Linden in Livingston County and Camps Crawford and Hilltop in Washtenaw County.

In addition, the sale raises money for troop service projects, trips and equipment.

This year's sale features a new cookie — the Snow Drop, a chocolate cake cookie topped with marshmallow frosting. The other five traditional favorites: Peanut Butter Patties, Thin Mints, Vanilla Sandwich Cremes, Shortbreads and P.B.'s (oatmeal cookies filled with peanut butter frosting) will also be available.

The cookies are \$1.25 a box, a price Girl Scouts have held for two years.

The Cookie Sale is authorized by the State of Michigan under License Number 9054.

Cookie chairmen named

The Huron Valley Girl Scout Council held its kick-off luncheon for the annual Girl Scout Cookie Sale at Win Schuler's in Ann Arbor on Jan. 10. Three area women, Mrs. Dolores Wallace (from left), Mrs. Gayle Nash and Mrs. Connee Morris, who are among those coordinating the sales in their communities, look on as "Mr. Bubbles"

(Hank Moorehouse of Ypsilanti) performs one of his magic fetes. Mrs. Wallace is heading the sale in the New Boston-Huron Township area while Mrs. Morris, assisted by Mrs. Nash, will handle orders, sales and distribution in Romulus and Belleville.

Scouts can earn awards

Of course the real reason for the Cookie Sale is to raise money for the troops and the Council. But because Girl Scouts work so hard during the sale, the Council feels the girls deserve something for their efforts.

Selling just one box of cookies means a girl has raised 20 cents for her troop and 54 cents for the Council. For this, Girl Scouts and volunteers who participate in the sale will receive a Certificate of Thanks. Certificates are ordered by the troop cookie sale chairman at the time the troop cookie order is placed.

Girls who sell at least 50 boxes of cookies will earn a patch with the number 50 on it. Plus she has helped her troop get \$10 and the Council \$27 in contributions. To earn a patch with 100 on it, Girl Scouts must sell 100 or more boxes of cookies. Girls who sell 300 or more will receive a "Super Patch". Patches are ordered by the troop cookie sale chairman at the time payments are turned in.

Girl Scouts can earn only one patch — the one for the highest number sold.

Girls who sell at least 78 boxes of cookies will be awarded a tote bag. Selling 78 boxes means the troop gets \$15.60 and the Council receives \$42.12.

The bags are 8"x11" high, made of 10 oz. army duck, in bright canary yellow with silk screened green letters spelling "Girl Scouts Are Smart Cookies." Bags are ordered by troop cookie sale chairmen at the time the troop order is placed. They will be given to the chairman by the area cookie sale chairman at the time the cookies are delivered.

These are to be awarded at the time payments are turned in or at a special troop ceremony.

The area cookie sale chairmen will have an additional supply of certificates, patches and bags for those girls who qualify through late spring orders.

Travels, wedding, out-of-state visitors keep residents on-the-go

Mrs. Muriel Smith of Liberty Street and her granddaughter, Lynn Akans of Ypsilanti, returned home Jan. 7 after spending two weeks in the East. The two visited the M.F. Marshalls and their daughter, Kathie, at Roxbury, Conn. Lynn has now returned to her studies at Eastern Michigan University for the winter term.

Mr. and Mrs. Gillman Mullreed of Madelon Street motored to Pontiac on Jan. 7 to attend the wedding of their great-nephew, Scott Allison, and Jane See at the United Methodist Church of Pontiac.

Sharon Clark of Ann Arbor began her many birthday celebrations by having dinner at the Bemis Road home of her parents, Mr. and Mrs. Verne Clark. Other guests were also present for the occasion.

Mr. and Mrs. Cecil Benjamin of Fowlerville were Tuesday luncheon guests of Mrs. Muriel Smith of Liberty Street.

Rodney Anderson and family of Fort Collins, Colo. have returned home after spending three weeks with his parents, Mr. and Mrs. Robert Anderson of Belleville. They also visited with his grandmother, Mrs. Margaret Anderson of Menlo Park Drive.

Mr. and Mrs. Doug Akers of Willis Road are the proud parents of a baby boy born Jan. 5. He weighed 8 lbs. - 1 oz. and was 19 1/2 inches long. The young man's name is Ralph Douglas and the happy grandparents are Mr. and Mrs. Elmer Parraghi, Mrs. Maxine Knowlton and Mrs. Marge Akers plus one great-grandmother, Mrs. Alice Bacon, all of Belleville.

The family of Don and Mabel Berry of Westland surprised them on their silver wedding anniversary with a lovely party. There were 48 guests present including Roy Akers and his family from Virginia. They spent Saturday night with his mother, Juanita Akers of Liberty Street, who also was at the celebration.

Cora Bradshaw entertained the Past Matrons of Belleville at her home on Bedell Street on Jan. 5. The 14 women present enjoyed luncheon, had their business meeting and spent the remainder of the afternoon visiting and playing games.

Mr. and Mrs. Verne Clark of Bemis Road and Mrs. Betty Fulton of Liberty Street spent Saturday visiting at the home of Mr. and Mrs. Louis Keefe in Manchester.

Mr. and Mrs. O. L. Hunter entertained guests from California for two and a half weeks over the recent holidays. Mrs. Hunter's sister, Alice Brandt of San Francisco, and her brother and wife, Philip and Joy Brandt of Santa Cruz, completed a family picture which hadn't been together on Christmas since childhood.

The group spent Christmas Eve at the Richard Hunter's on Hull Road where dinner and a gift exchange were held. During their stay, Ron Hunter took the visitors to the Renaissance Center and to dinner in Dearborn Heights.

The guests also toured Fairlane

Shopping Center, the University of Michigan and Eastern Michigan University campuses and were guests of Mrs. Myrtle Wells at the farm of Mrs. Marcella Quell on Baldwin Road near Maybee where they saw a display of some 20,000 Christmas lights.

For the first time in several years, the entire John T. Thompson family was together for Christmas at their home on High Street. Their son, John, was home from Australia and daughters, Cheryl and Mary, came from California to join the two girls at home, Betty and Beth.

For the past two and a half years,

John has been teaching industrial arts near Melbourne in Australia. Cheryl and Mary, who were employed by Yosemite National Park, made arrangements to fly home together with their brother for the holidays.

John, a 1971 graduate of Belleville High School and 1975 alumnus of Western Michigan University, traveled to Australia in May of 1975 to teach in their public schools. He enjoyed the country, making many new friends and meeting fellow teachers from other countries.

Cheryl has returned to her work at Yosemite while John and Mary have remained at home for the present.

Metrics discussed at Study Club meet

The first meeting of new year for the Belleville Woman's Study Club took place Jan. 11 at the Lemontree Clubhouse with 15 members and one guest, Mary Lindemann, in attendance.

The Home Life Department, comprised of Virginia Turney, Leota Schweigert, Sylvia Amerman and Lucille Touse, were in charge of the evening program which featured James Lightfoot, a teacher at Edgemont Elementary School.

His topic was "Meeting Metrics" and included slides on how metrics will effect our lives in weight,

length, temperature and volume. He discussed with the group the resistance to the metric system, its benefits and possible ways of implementing the system in the near future.

Avis White, club president, conducted the business meeting which followed after which the hostesses served refreshments.

The Home Life Department will sponsor local interest in the Ann Arbor Women's City Club's annual home tour which is scheduled for April 28. Interested parties may call Virginia Turney at 697-0436 for further information.

Quotes worth quoting...

"All you need to be happy in Las Vegas is a jug of wine, a loaf of bread and thou. And then another thou — and another thou — and another thou."

Bob Orben said it.

Senior citizens name Elda Bohl new prexy

The Belleville Area Senior Citizens Club held installation of officers for 1978 at its Jan. 5 meeting at Edgemont Elementary School. Mrs. Virginia Melcher, the new Senior Citizens Coordinator for Van Buren Township, conducted the ceremony at which Elda Bohl took over the reins of the president.

Other officers are Marie Ocholik, vice-president; Ethelyn Ramsdahl, secretary; Mike Sirdanik, treasurer, and Charles Gibeau, board member.

Hobbies and crafts of some of its own members will be the highlight of the Jan. 19 meeting of the senior citizens which is scheduled for 6:30 p.m. at Edgemont School.

Nell Van Wormer will display her collection of jewelry crosses which have come from all over the world. Ina Lunde will present a display and discussion on knitting. Mike Sirdanik, an expert on coin collecting, will give pointers on buying and selling coins and Elda Bohl will exhibit ceramics and discuss the art.

Engagements announced

MISS JONES

MISS GILBERT

MISS ROMANSKY

Wedding bells are in the future for three young women in the area. One is planning a spring altar date while the other two have not, as yet, set the dates for their ceremonies.

JONES - KUBOFF

Mr. and Mrs. Allen Jones of 9394 Tobin Rd., Romulus, announced the engagement of their daughter, Debra Lynn, to George Kuboff Jr., the son of Mr. and Mrs. George Kuboff Sr. of 18700 Huron River Dr., New Boston.

The bride-elect is a 1977 graduate of Romulus High School. Her fiancé is an alumnus of Huron High School's class of 1974.

The young couple have not set a wedding date.

A young Belleville couple, Connie Elaine Gilbert and Monte Allen Prouty, are engaged but have no wedding date planned at the present time.

The daughter of Mr. and Mrs. Matthew E. Barraco of 42875 Expressway, Belleville, Miss Gilbert is in her senior year at Belleville High School. She is employed at One Hour Martinizing of Belleville.

The prospective bridegroom, the son of Mr. and Mrs. James E. Prouty of 48540 Judd Rd., Belleville, graduated from Belleville High School in 1977 and currently is employed by the Ford Motor Company at Ypsilanti.

ROMANSKY - HOFFMAN
Debra Romansky, the daughter of Mrs. Stanley Romansky of 30220 Pennsylvania, Romulus, will be a spring bride. She and her fiancé, Michael Hoffman, have decided on May 27 wedding date.

Both young people are 1974 graduates of Romulus High School. Michael Hoffman, a part-time student at Wayne County Community College, is employed by the City of Romulus.

The future bridegroom is the son of Mr. and Mrs. Anthony Hoffman Jr. of 15970 Inkster Rd., Romulus. He is employed by American Hospital Supply Corporation.

A touch of orange

Hearty snacks are in order for the chilly season and winter sports enthusiasts. Tart Orange-Flavored Coconut Chews are easy to make and taste ever better when

served with a frosty pitcher of orange-flavored instant breakfast drink. (Photo courtesy Tang instant breakfast drink.)

For your recipe file

A reward for good sports

There's a lot more to cold weather than braving the elements and coping with layers of clothing. There's the anticipation of the holiday season and winter's first snowfall, the freeze over the lake and the promise of fun and excitement, particularly for the youngsters. And if the sport's fun, it also whets the appetite. So, home to warmth and some hearty snacks.

These tasty Orange-Flavored Coconut Chews will find a host of eager customers. Tang orange flavor instant breakfast drink provides a pleasantly tart flavor, and coconut adds to the chewiness. These bars are easy to make and store well in a covered container.

A good accompaniment for these bar cookies is a large pitcher of orange-flavored instant breakfast drink that supplies Vitamin C along with good, refreshing flavor. For a change of pace, substitute chilled ginger ale in place of some of the water when mixing the drink. Keep an extra jar of the breakfast drink mix on your kitchen shelf for quick-and-easy replenishments for a thirsty crowd!

ORANGE-FLAVORED COCONUT CHEWS

1 cup all-purpose flour
1 teaspoon double-acting baking powder
1/2 teaspoon salt
1/4 cup butter or margarine
1 cup sugar
2 tablespoons orange-flavored instant breakfast drink
1 egg
2 tablespoons water
1 one-third cups (about) flaked coconut
Mix flour with baking powder and salt. Cream butter. Combine sugar and instant breakfast drink; gradually blend into butter. Add egg and water and beat until smooth. Fold in flour mixture; stir in coconut. Spread batter in greased 8-inch square pan. Bake at 350 degrees for 35 to 40 minutes, or until cake begins to pull away from sides of pan. Cool in pan. Cut into bars. Makes about 20 bars.

Camp Fire Candy Sale announced

It's that time again — to place your annual Camp Fire Candy order. Over 4,500 Camp Fire members will be taking individual pre-sale orders throughout the tri-county area during Feb. 10-24. The Council's selling goal for 1978 is 135,000 units of candy.

All new products from the Heath

and Stuckey candy companies will be featured this year. Three choices will be offered — Heath Mint Truffles, Heath Toffee Miniatures and Stuckey's Peanut Crunch. All three varieties are priced at \$1.50 per box.

The annual Candy Sale remains

the single largest fund-raising effort of Camp Fire Girls Detroit Area Council. Proceeds from the sale provide 38 percent of the Council's yearly operating budget, and also help support Camp Wathana, a 380-acre resident facility near Holly, Mich.

Camp Wathana is open all year for a variety of camping experiences for non-members as well as Camp Fire members. Opportunities range from a summer resident camp program for girls ages 6 - 17, to group and family camping outings in the fall, winter, and spring.

Persons wishing information on how to purchase Camp Fire Candy can telephone to Detroit Area Council Office, 833-2670. Camp Fire is a Torch Drive agency serving Wayne, Macomb and Oakland Counties.

Please include your phone number

PLEASE include a telephone number with any news item you send in or drop off at the office. Make sure it's a number where you can be reached during working hours (9 a.m. to 4 p.m.) It is im-

portant since quite often stories need to be verified or spellings on names have to be checked.

REMEMBER... a phone number, please!

German-Americans set 'fashioning' party

PLYMOUTH — The German American Club of Plymouth will sponsor a traditional pre-Lenten event, a "Fashioning Party" (masquerade party) at 8 p.m. Jan. 21 at the Plymouth Cultural Center. The Melodias will play for dancing, prizes will be awarded for the best costumes and German snacks, beer and wine will be served. Donation for tickets is \$7 per couple and may be purchased at the door or by calling 699-6964.

BELLEVILLE — The Belleville Area Chamber of Commerce will hold its board-luncheon meeting at 12 noon Jan. 19 in the meeting room of Bonanza restaurant in the Lakewood Shopping Center. For reservations, call Leona at 697-7151.

ROMULUS — The Youth Fellowship of the Community United Methodist Church, 11160 Oliver Street, will hold a spaghetti supper with pie for dessert from 5 to 7 p.m. Jan. 19. Donations are \$3 for adults and \$1.50 for children. The public is invited to attend.

BELLEVILLE — The Belleville Area Senior Citizens Club will meet at 6:30 p.m. Jan. 19 at Edgemont Elementary School. Several of the club's own members will furnish a program on hobbies and crafts.

BELLEVILLE — Members of the American Business Women's Association (ABWA) are asked to note the change in meeting date from the first to the third Thursday in February. On Feb. 16 following the 7 p.m. dinner, L. Brooks Patterson, Wayne County Prosecuting Attorney, will speak on "Keeping Habitual Criminals Off the Street." Interested parties, the public included, are asked to call Caroline Hesson

at 481-0400 for reservation. Guests may attend the dinner, which is \$5 per person, or just the program which follows.

BELLEVILLE — "Luncheon is Served", its annual winter event, will be sponsored by the Mothers Club of St. Anthony's School at 12 noon on Feb. 7 in the school cafeteria. Tickets at \$1.75 are by reservation only and may be ordered by calling 699-9604 or 699-4243.

BELLEVILLE — Overeaters Anonymous, Belleville Chapter, meets each Thursday at 7:30 p.m. at the First United Methodist Church of Belleville. Call 697-7445 or 497-9339 for further information.

BELLEVILLE — Bingo is played each Wednesday at St. Anthony's Parish. Games begin at 6:30 p.m. in the Fr. Foltz Building adjacent to the church on West Columbia Avenue. The public is invited to attend.

BELLEVILLE — The TOPS Club of Belleville (Take Off Pounds Sensibly) meets every Wednesday at the Belleville United Presbyterian Church, 11900 Belleville Road. Weigh-ins begin at 6:45 p.m. and meetings at 8 p.m.

EDITOR'S NOTE: It's a Date is open to all local non-profit organizations free of charge. Information for the column should be submitted by phone or mail by the Thursday before the issue in which it is to appear. Call Suburban Living Editor, Lee Smith, at 697-9191 or mail information to 116 Fourth St., Belleville, 48111. Items must be received by 2 p.m. on Thursday and will be repeated until outdated.)

Cub Scouts close year with award dinner meeting

Belleville Cub Scout Pack 1071 has had a busy holiday season.

On Dec. 17 they participated in the annual Belleville Christmas Parade, then on Dec. 19, held a Christmas dinner at the First Methodist Church of Belleville.

The youngsters now are looking forward to the new year and to their first roller skating party, to be held Saturday at the Ypsilanti Roller Skating Rink.

At the Pack's December meeting, awards were given to:

—Eric Lecomby, one-year star;
—Rick Armocost, Bobcat badge;
—Charlie Carlton, one-year star;
—Greg Farmer, Arrow of Light;
—Tom Sumner, one-year pin;
—Richard Erby, Brian Anderson, John Haase, Gregory Drake, James Karoyli, Mike Sutherland, Scott Ninius, Craig Mercer, Eric Treece, Johnny Campbell and Tim Daprick, Bobcat badges;
—J.D. Parr, one-year pin; athletic badge;
—Jef Fancher, Wolf badge,

Webelos colors;

—Bill Armstrong, athletic badge;
—Craig Barotai, athletic, citizens and aquanaut badges;

—Frank Ashe, athletic badge and Webelos colors; and
—Dennis Wilson, athletic badge and Arrow of Light.

Local rinks join in annual benefit

Two local skating rinks will be taking part in Skate '78, the second annual skate-athon for the American Diabetes Association—Michigan Affiliate Inc.

The Wayne Community Center, located at 4635 Howe Road, and the Garden City Civic Arena, located at 170 Log Cabin Road in the city's municipal park at Cherry Hill and Merriman roads, will be participating in the skate-athon Jan. 21.

Sponsored by WDRQ radio, Burg King restaurants and WTAC radio

on a regional level, is community project to beat diabetes, the third leading cause of death in the United States and a major cause of heart attacks, strokes, kidney failure, blindness and amputation.

Those persons interested in participating in Skate '78 can pick up entry forms at the participating arenas.

At the Wayne arena, skating will be from 2 to 4 p.m. Jan. 21, while in Garden City Skate '78 will be from 2 to 6:30 p.m. that day.

Send us your wedding information

Want to share that "special day" with those who are unable to be present in person for your wedding ceremony? We'll write the details of your wedding in story form for you — and at no charge — if you'll simply follow a few guidelines.

The Belleville Enterprise and The Romulus Roman offer bridal questionnaires for you to fill out as well as engagement forms for announcing the "start of it all." These forms include all the pertinent

questions involved with your marriage or betrothal.

Forms may be picked up at our office, 116 Fourth St., Belleville (we're in the old Township Hall, side entrance) anytime during the week between the hours of 9 a.m. and 4:30 p.m.

We will also mail forms if a telephone request is made. Call Lee Smith, Suburban Living Editor, at 697-9191.

When The Spirit Soars Homeward

LAST MOMENTS BRING COMFORT

Dearly treasured among life's memories is the final tribute for one deeply loved. This we endeavor to endow with perfect beauty and fitting dignity. We heed every wish, anticipate each need.

'Something for everyone' on winter schedule at YWCA

Registrations are now being accepted at the YWCA Family Center at 26279 Michigan Avenue for winter classes. Diverse programming is offered for youth and adults. Microwave cookery is a way of life. Many women have the oven but so few have the knowledge to use them to their best advantage. Cooking will range from simple to gourmet. Judge the results by tasting a sample. Mr. McCallum does not represent any manufacturer. He has his own company, McCallum Associates, Microwave Cooking Application, and teaches throughout the metropolitan area.

"Making your house a home" a 5-part series will focus on Williamsburg Bouquets - floral decorations for the home, styled after Williamsburg, Va. with demonstration by The Status Shop; Design Trends, for those who want to do their own decorating; floor plans and layouts, furniture styles and accessories will be covered in the lecture. Jacobson's will conduct the lecture.

Picture Framing and Matting, cutting and covering mats, cutting glass, assembling frames, and a host of tips will be covered in a lecture and demonstration. Ms. Delphine Cisló, a professional framer will conduct the program.

Refinishing and Care of Wood and Metals - Methods of refinishing and care of pewter, gold, silver, and woods will be discussed. A brochure will be available to outline the lecture. Don Sebastian of the Detroit Historical Museum (Museum's conservator), will conduct this program.

Tuesday evenings the YWCA offers AGP Rapid Reading. This course has been taught at colleges and universities nationwide. It uses the latest learning techniques and concentrates on basic reading principles that enable you to develop optimal reading skills. AGP lays the foundations for individuals to further pursue speed at home. No machines or aides needed. Average increase of 3.46 times beginning rate.

For the Conscious homemaker - "Honey Do" or Car - Care and Repair: Honey do - a course on home repairs will save you from saying, "Honey, do this" or "Honey, do that". Throughout the course learn about electrical, plumbing, and heating repairs, what to look for when buying a new home, and decorating tips. Celtic Enterprises Inc. will be instructing the course.

Protect yourself from auto repair ripoffs with car. Learn to evaluate the seriousness of a malfunction, make minor repairs to get going again, communicate easily and intelligently with mechanics and save money by practicing preventative maintenance. There are two phases to this program. Phase I: Actual engine parts, models, films and system manuals are used. Phase II: Students may observe or actually perform work on automobiles. Celtic Enterprises Inc. will be instructing the course.

For the more active person in your home the YWCA offers golf, swimming, slim and trim and karate. Indoor golf is aimed at developing fundamental skills to be applied outdoors in the spring. An

instructor from Oasis Golf Course will be on hand to provide personalized instruction.

Swim programs are offered to youths and adults at Edison Institute pool. Classes range from beginner to advance and distance swim. You must provide your own transportation, suit, towel and cap.

Group exercise and weight control discussions are provided in Slim and Trim. Lose excess weight gained over the holidays.

A karate class is offered for youth and adults. Aimed at development in both the physical and mental discipline, classes will learn basic motions of the art and how to apply them.

Ladies travel day out will tour Meadowbrook Hall in Rochester on Feb. 1. A luncheon will be held on the facility.

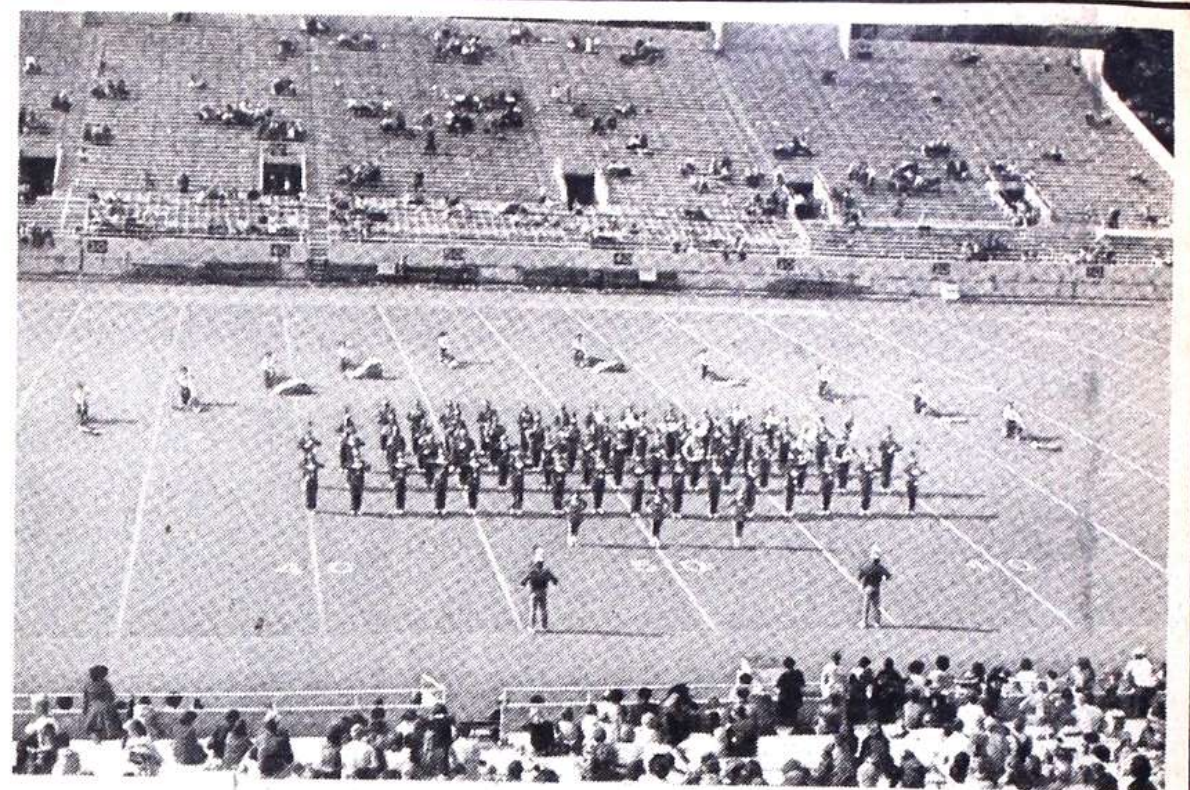

For the youth, the YWCA Skis every Thursday, weather permitting. Bus departs from the YWCA Family Center at 3:30 P.M. and returns at 11 P.M. Skiing is at Alpine Valley in Milford. This cold activity costs \$4 for tow ticket, \$4 for rental of ski equipment, \$1 a lesson and 50 cent for bus rental.

On Tuesday enjoy Young Gourmet and Escape - get-you-out-of-the-house-activities.

Silk screening is offered on Thursdays.

Saturday Kids Korner activities include red, yellow, blue and glue, kinesthetic, me and my shadow, and make your own kind of music.

For information about these and other activities call the YWCA today - 561-4110.

BHS Band stars on post card

The award winning 1977 Belleville High School Marching Band was photographed by Alan Bassett while executing a precision step during its post-game performance at Western Michigan University on Sept. 4, 1977. The picture, which includes Dennis A. Miller, conductor; Kevin Patke, drum major, and Richard Bassett, assistant drum major, has been made up into a color postal card which is now on sale at Andrews and Richardson's Drug Stores. The Band Booster Club, under the chairmanship of Mary Ann Bassett, has

taken on the public relations program to promote both the band and Belleville. Cards are available for 15 cents each or two for 25 cents. On the horizon for the BHS Symphony Band and some concert band members is the 4-day trip to Mexico City in May where the group will be judged on two performances. The band will be selling oranges as a means of defraying some of its expenses. More details will be forthcoming in future issues of the paper.

Cancer: There's hope

— Over a million Americans are affected by cancer each year. But cancer doesn't have to be the beginning of the end. Most people don't realize that 60 percent of all cancer cases can be treated successfully — if detected early enough.

About 2,000,000 Americans living today are positive proof that cancer can be cured.

There are two ways to guard against cancer. The first: prevention. Stop smoking, avoid excessive

sun, have a protoscopic exam for colon-rectum cancer if you're over 40. Women should practice self-examination monthly for signs of breast cancer (and have a Pap test annually).

The second way to combat the possibility of a cancer fatality is as implied above early detection, via a program of regular physical examinations. All of the more common cancers: breast, colon-rectum, lung, oral cavity, skin and uterus can be arrested and in most cases cured — if they're treated early.

If you think you have a problem, don't wait for your yearly physical. See your doctor at once. The Equitable Life Assurance Society of the United States urges you to consult your physician if you have one of these seven early warning signs of cancer:

- Change in bowel or bladder habits
 - Sore that does not heal
 - Unusual bleeding or discharge
 - Thickening or lump in breast or elsewhere
 - Indigestion or difficulty in swallowing
 - Obvious change in wart or mole
 - Nagging cough or hoarseness
- Remember, your good health begins with you.

Home, safe home-- is it?

Home, sweet home... would you believe it's a source of constant danger for your child? The mischief-making toddler just naturally gravitates to all the hazard corners in the house: electrical outlets, bleach

and insecticide containers, medicine cabinet, hot stove. No, you can't tie up your child but you can work to keep danger to a minimum. Here are a few safety rules:

First, make sure your child is aware of the danger zones. Even the young toddler understands the meaning of the word "no" — when your child heads for the stove or lamp cord, make sure a firm "no" is heard loud and clear.

Minimize the hazards he is likely to meet. In the kitchen, make sure all medicines are equipped with resistant safety-lock caps and keep medications out of the reach of children.

Keep your medicine cabinet well-stocked. Some

necessities: sterile gauze compresses, sterile cotton, roller bandages and adhesive strips, petroleum jelly, burn and sunburn medication, antiseptic for cuts and scratches, aromatic spirits of ammonia, universal antidote for poison (consult your pharmacist.)

If emergency strikes, be prepared. Post the telephone number of your physician, local poison control center, ambulance service, fire and police departments in a convenient place... the minutes you save may save a life.

For your recipe file

Round Steak Stacks

Beef round steak can be the all-around best buy when shopping for a meat cut that will hold the budget in line and provide a nutritious entree. Lean and practically waste-free, it supplies more servings per pound than most meat cuts. Each pound is a good nutrition buy too since it contributes significant amounts of high quality protein, vitamins and minerals. All in all, a round steak purchase is a good way to maximize the food dollar, says Reba Staggs, National Live Stock and Meat Board home economist.

ROUND STEAK STACKS

1½ to 2 pounds round steak, cut ½ inch thick
3 tablespoons flour
1 teaspoon paprika
½ teaspoon salt
¼ teaspoon dill weed
½ teaspoon pepper
3 tablespoons lard to drippings
24 carrot strips, cut 3 inches long
8 thin onion slices

1 can (10½ ounces) condensed onion soup
1 package (10 ounces) frozen succotash

Pound round steak into ¼ inch thickness; cut into 8 pieces. Combine flour, paprika, salt, dill weed and pepper; dredge meat and brown in lard or drippings. Pour off drippings. Top each of 4 pieces of steak with 6 carrot strips and 2 onion slices. Top with remaining pieces of steak. Add onion soup. Cover tightly and cook slowly 1½ hours. Add succotash and continue cooking 15 minutes, or until meat is tender and vegetables are done. 4 servings.

St. John's women set annual antique show

The women of St. John's Episcopal Church will present their 14th Annual Antique Show and Sale, Feb. 2 and 3 from 11 a.m. to 5 p.m. and Feb. 4 from 11 a.m. to 5 p.m. at the church, 11 Mile and Woodward Avenue, in Royal Oak.

Displaying at the show will be 29 dealers. Interesting and collectible items include: Perthshire paperweights, antique dolls, Victorian silverplate, embroidered samplers, clocks and old brass bric-a-brac. Also

featured at the show will be a selection of Staffordshire pitchers, four Victorian rosewood parlor chairs (circa 1840), country furniture, primitives and a

delightful display of children's Victorian furniture. Free parking, door prizes, lunch and dinner will be available. Tickets will be sold at

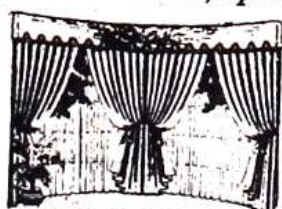

the door for \$1.25. Proceeds of the 1978 show will be donated to

St. John's for special church maintenance projects.

Mexico Inn of Westland

By JOE BENYO

"Hola, amigos" . . . If you've never been to Mexico and have been wanting the chance to see a little of the people, their customs, their food and the sound of their "musica", then get down to 910 S. Wayne Road in Westland. Within a building, that from the outside looks like an "ordinary" restaurant at Avondale and Wayne roads, is Mexico Inn.

It's got to be some sort of plot by the makers of Disney World or someone making you hypnotized as you walk in the door. Robert R. Garza and his wife, Maria (Mama) have been in the food business for more than 20 years. The Garza family has been preparing Mexican-Texas style for more than 40 years, starting with an uncle to learn the business, and in 1952 starting out on their own in Houston, Tex. They came to the Mexican area of Detroit in 1952.

Mr. Garza is quick to point out that for five years he and Maria prepared food in Ecorse on Southfield Road and on Merriman in Westland under the name of Mexico Way Kitchens, before opening the Mexico Inn on Wayne Road.

Most of the people working at the Mexico Inn are between 17 and 22 years of age, all starting out as a dishwasher and under the training of Brenda, the head cook for the past three years. Mrs. Garza herself trained Brenda and supervises any new person in learning the fine art of Mexican-Texas style food.

The Mexico Inn currently has 20 employees. I didn't see one frown on a face during my entire meal and it was though these people not only enjoyed their job, an attitude that truly makes you feel that you must be in Mexico City . . . Acapulco . . . or any fine restaurant in Mexico.

The Garzas have four children — Bob, 30, Carlos, 28, Rudy, 18, and Vinnie, 15 — and one grandchild. All the children have been exposed to the business for some time, with Carlos and Rudy currently helping their parents with the operation.

Mexico Inn seats 135 people for dinner, and normally, Monday through Thursday it is somewhat of an open door policy as business is excellent and there is no waiting at all.

In addition to food, entertainment is provided Tuesday through Sunday from 6 to 11 p.m. in the form of two "musicos", who have been quite a crowd pleaser, strolling and serenading customers at their table. Both men, born in Mexico, and now living in the Mexican area of Detroit, bring an enthusiastic crowd right into the act of singing or humming along with everything from a slow ballad to a rousing Mexican bullfight to a "Guadalajara". Manuel on the guitar and Clemente on the guiterone, or base guitar, form an unusual talent and combination, as well as both singing in lead and harmony and some of the finest sounds heard since I had the pleasure of being in Mexico some years back.

The rousing "Mariachi", or Mexican music, lends itself to the true Mexican decor that greets you as you enter the Mexico Inn. The decor is truly Mexican in its finest, with sombreros hanging from the ceiling, vivid colored sarapes adorning the walls, an enormous macramé of flowers in a hanging basket, hand woven rugs forming an intricate pattern on the ceiling itself. The dropped area of the ceiling is done in a vineyard setting with grape arbors, combined with the lattice work of the wood styled outdoor garden effect. Wood paneled walls are also accented with wrought iron wall covering, spaced in between various other large wood salad utensils and Mexican bull horns, and other style

figurines and paintings. Breathtaking . . . and elegant . . .

A gift shop also is provided for those who desire a bit of Mexico within your budget, some starting as inexpensively as \$1 for a souvenir to \$150 for turquoise earrings, and other objects such as ceramics, clothing, sombreros, art of famous Mexicans, and so many things too numerous to mention. When you visit Mexico Inn, you will see for yourself, how Mexico has come to Westland.

The Mexico Inn boasts of many of the fine cocktails that have made Mexico famous, such as the Margaritas, tequila sunrise, sombrero, Cuba Libre and the Bloody Maria . . . with the price between \$1.25 and \$1.75. And Mr. Garza has imported Mexican beers at \$1.10 for those who have long enjoyed both the light and the dark beers of that country.

A unique system of serving the foods, brings everything to your table piping hot. All the food served is done so on hot plates and requires the waitresses to use hot pads to bring your dinner from the kitchen.

The atmosphere . . . the food . . . the music . . . the gift shop . . . the friendliness of all the employees makes the Mexico Inn a family-style restaurant that can be enjoyed by those of all ages. On an average, some families dine on a regular basis, two and three times a week, sampling various items from the menu with each visit. Our dinner was served by Maureen, who because of my limited knowledge of what is in the Mexican food, very pleasantly introduced me to each item as one was served.

The taco, with the shell, lettuce, tomatoes, beans, onions, cheese and Mexican sauce was excellent. Spiced just enough to be a tangy, yet not to burn the roof of your mouth. For those who wish additional "hot" taste, that's provided. The Mexican-Texas style chili was thick and chili is not just chili, until you have tried it at the Mexico Inn.

The refried beans were delicious, and quite different than what one would expect, especially since most of the canned type are rather bland, this was very tasty indeed. The Tostada also was very good and consisted of a corn tortilla with refried beans, lettuce, tomatoes and cheese. Again, simply different then you make at home, or from a can.

I was served several plain tortillas, both the corn and flour, with just a touch of butter on them. And even served like this, they were as tasty as one might expect. On the advice of Mr. Garza, I

selected the Mexican-style porterhouse steak, that is cooked in Spanish sauce, and served with guacamole salad, enchilada, beans and tortillas.

For \$8.50, this dinner was more than one can eat, and the steak was served on a hot plate. The sauce of tomatoes, onions, green pepper, and Mexican spices was superb . . . not knowing what the guacamole salad tasted like, I very hesitantly asked, and was told, that it is avocado salad served with corn chips . . . and only tasting avocado once in my life while I was in California years back, I was prepared to dislike it at once, but one must taste something, to be able to write about it.

I now am ashamed to admit, that it was fantastic . . . absolutely delicious. I ate more of the salad then anything else I was served. Guacamole consists of avocado, tomatoes, onions, lemon juice and a bit of hot sauce, almost chopped so fine, that it is eaten with the corn chips, in a chip dip style.

The menu consists of combinations of foods to delight the fancy of just about anyone. From a taco, cheese enchilada, beef enchilada, rice and bean for \$4.25, with various others in between to suit your appetite.

For those with a small appetite, The Mexico Inn has a mini-combinations, ranging with four different combinations priced at \$3.55 each dinner.

Full dinner items are between \$4.25 to \$4.95, including taco, enchilada, tostada, and burrito dinners. ala carte items with no salad bar are available from \$2.20 to \$2.60, as well as the Mexican-style porterhouse dinner, Mexican-style stew, botanas, and the famous guacamole salad ranging, from \$2.95 for a salad, to \$8.50 for the steak. A salad bar also is available for those wishing a salad only, and a child's plate is offered of Mexican food for \$3.25 each.

For those who might not care for a full Mexican dinner, an American menu is also available starting with a hamburger from \$1.35 to a chicken dinner at \$4.25, or a shrimp dinner at \$4.75.

A complete lunch special from 11:00 a.m. until 3 p.m. is available with four different combinations for only \$3.45, and mini-combinations \$2.95 to \$3.10 depending what one wants. A new "take out only" is now being featured with tacos, tostadas, enchiladas, or burritos for only 49 cents or six for \$2.89.

Mexico Inn is open seven days a week Monday through Thursday 11 a.m. until 12 p.m. Friday and Saturday 11 a.m. until 4 a.m. and Sunday 12 Noon to 12 P.M.

JA units observe own week

Junior Achievement Week — 1978 will be celebrated Jan. 22-28 throughout southeastern Michigan with many special events scheduled to focus attention on this program of economic education for high school students.

On Monday, 10 students will be guests at the Economic Club of Detroit luncheon. They will be seated at the head table with Chairman Allen to be recognized by many of Detroit's top business people.

The best Junior Achievement product of 1978 will be selected Wednesday afternoon at the Engineering Society of Detroit. Sales and marketing officials will choose from the top 10 products on display taking into account basic marketability factors.

To include the public in JA Week — 1978, each JA center will hold an Open House Monday through Thursday from 7-9 p.m. Local JA centers included the Plymouth Center, 585 W. Ann Arbor Trail, Plymouth; Wayne Center, 3139 Wayne Road, Wayne; and Ypsilanti Center, 113 Pearl St., Second Floor, Ypsilanti.

'Candide'

"Candide", hailed as one of the "best of all possible musicals", opens at the Bonstelle Theatre in Detroit on Jan. 27 and runs for weekends through Feb. 5. In the title role is Paul Maisano with Kay L. Grismer as Cunegunde. Music is by Leonard Bernstein, and the play is adapted from the book by Voltaire by Hugh Wheeler. Lyrics are by

Richard Wibur, with additional lyrics by Stephen Sondheim and John Latouche. Curtain time is 8:30 p.m. on Fridays and Saturdays, with two Sunday matinees at 2 p.m. Call 577-2960 for information and reservations. The Bonstelle is the undergraduate theatre of Wayne State University.

Famous Early Movies resume at museum

The Famous Early Movies Series for 1978 at Henry Ford Museum's Theater is off and running, with 17 fun-filled movies yet to be shown on the comedies of yesteryear.

The series opened Jan. 8 with two classic Harold Lloyd silent films, "Hot Water" and "Safety Last", with Mae West and Cary Grant teaming up for "I'm No Angel" Jan. 15.

The series continues Jan. 29 with a wartime comedy offering Abbott and Costello in their first full-length feature. In "Buck Privates", the delightful duo escape from pursuing police by accidentally enlisting in the army. Basic training never was like this.

A country boy daydreams his way back to ancient Rome in the Feb. 5 film, "Roman Scandals." Eddie Cantor prances through the starring role: Busby Berkeley provides lavish choreography, and a hopeful starlet by the name of Lucille Ball makes her brief debut as one of the slave girls.

The famous Barrymore profile appears Feb. 19 as John teams with Carole Lombard in the noted film, "Twentieth Century." Barrymore is a tricky theatrical producer who raises Lombard from humdrum to stardom and then gets the heave-ho. His attempt to win her back on a cross-country train is the theme of the film.

Mark Twain's immortal "The

Adventures of Tom Sawyer" comes to the big screen on April 2. The cast include Tommy Kelly as Tom Sawyer, Victor Jory as the evil Injun Joe and a host of others including Walter Brennan, Margaret Hamilton, Donald Meek and Jackie Moran.

The April 9 presentation, "Murder, He Says," stars Fred MacMurray and Majorie Main in an offbeat tale of a mild-mannered salesman, a backwoods family with weird habits, a gun moll and a missing fortune.

"Tramp Tramp Tramp," on May 7 allows visitors to Henry Ford Museum a chance to see Harry Langdon and Joan Crawford cavort in a very light-hearted comedy. In an attempt to win Joan's heart (and \$25,000), Harry enters a cross-country hitchhiking contest and runs into all sorts of trouble — from sheep to police to mother nature. All the while he's providing all sorts of laughs.

W.C. Fields versus Baby Leroy might be the alternate title of May 14's Famous Early Movie, "It's a Gift." Written by Fields under the name Charles Bogle, it follows the misfortunes of general store proprietor Bissonette, his nagging wife and irksome offspring.

The comedy continues May 21 as Laurel and Hardy skip off to Chicago for a meeting of the "Sons of the Desert." Their wives think they've

gone to Hawaii for their health and the boat sinks on the way back. One of The Boys' best films.

"Bringing Up Baby," shown May 28, combines Cary Grant and Katherine Hepburn in an offbeat comedy involving a dizzy socialite, a staid archeologist and a large leopard cub.

Summer brings a pause to the series, which resumes Sept. 17 with Buster Keaton's silent "Steamboat Bill Junior". The old stone face becomes involved in riverboat rivalry in this 1927 film. On Sept. 24 an unusual tale of the actions and interactions of a host of upper-crust and just crusty women emerges in the 1939 film, "The Women." It has an all-star female cast including Joan Crawford and Rosalind Russell.

Jack Benny plays both Shakespeare and Hitler in "To Be Or Not To Be," a 1942 black comedy shown Oct. 15. Head of a troupe of Polish actors, Benny tries to outmaneuver the conquering Nazi armies with the help of lovely Carole Lombard. Miss Lombard returns Oct. 22 with William Powell in "My Man Godfrey", the delightful tale of how a down-and-out businessman shows the upper class what living is all about.

Shrine Circus set for Detroit opening

The thrills, fun and glamor of the 70th annual Shrine Circus are headed for Detroit with 38 performances scheduled in the State Fair Coliseum between Feb. 3 and Feb. 19.

Sponsored by Detroit's Moslem Temple of the North American Shrine, the circus will feature 25 major acts in its 2½-hour performances, including several specially devised for introduction here.

One of the most unusual will be an animal tamer with five white tigers, so rare that only 11 are known to exist throughout the world. Others will include aerialists, wire-walkers, motorcyclists, elephants of every size, trained dogs of every description, a host of performing chipmunks, bareback and trick riders and many specialty acts capped by a dramatic "outer space" closing.

Advance tickets are on sale at the State Fairgrounds main ticket office and at Hudson's, Sears, Ward's and Bank of the Commonwealth offices.

Performances will be at 1:30 and 7:30 p.m. daily with special early-bird performances set for 10:30 a.m. on each of the three Saturdays. Admission charges for the Monday through Friday matinee performances and Monday through Thursday evening performances are scaled from \$4.50 to \$2.50. Friday evening and other weekend performances range from \$5.50 to \$3.50.

Proceeds from the annual circus go to support Moslem Temple activities which primarily are directed toward the care of crippled and burned children.

Shrine Circus general chairman this year is Thomas G. Draper.

"Each year the 1,000 or more local Shriners who work on the circus strive to make it bigger and better than ever before," Draper said. "Although it may not be widely known, this is not

a set circus that performs throughout the country, but one specially put together for Detroit audiences.

"Thus, we are able to book top acts from anywhere in the world so the circus is new and different every year with appeal to all age groups. No matter how many times they may have been to the circus in the past, we know we can offer something they have never seen before."

Among the many acts to be featured this year are:

—Hawthorne's Performing Elephants whose performance includes one elephant standing on the backs of two others.

—Pablo Rodriguez Troupe, aerial artists from Europe, who perform stunts in the air that even the world's top gymnasts can perform only on the ground.

—Arturo Segura, bounding rope artist from Spain, who works without a balancing pole. He is unique in performing a double somersault in the air.

—The Great Hortobagys springboard acrobats from Hungary. One dramatic stunt is two-and-a-half somersaults with a twist to land with two feet on the head of a colleague balanced on two others.

—Zippe's Arabian Riders, bareback riders from Europe, whose feats include two riders simultaneously somersaulting between the backs of two horses running in tandem.

—Miss Tina, from Argentina, performs a spectacular "upside-down walk" high above the audience.

Each show also will present an "All-Shrine Pre-Circus Spectacular", a parade of colorfully garbed Shrine bands and marching units. An integral part of the circus will be continuing performances by the 40-member Clown Troupe from the Moslem Shrine.

Aleichem Institute set for annual art show

The 15th annual Sholem Aleichem Institute Art Show and Sale will take place on Feb. 3 - 5 at the Shenandoah Country Club, 5600 Walnut Lake

Road between Farmington and Drake Roads in West Bloomfield.

Recognized as the established fore-runner of all art shows in this

area for fresh new talent, as well as well-known established artists, visitors can view more than 3,500 works from 150 of Michigan's top professional artists.

This will be an opportunity for viewers to select works of art such as wood carvings, etchings, stained glass works, silk screen, sculpture, batiks, macrame, ceramics, paintings and jewelry.

With emphasis on a reasonable price range, the Sholem Aleichem Art Show and Sale represents a broad cross-section of racial, religious and cultural backgrounds, making it an event of city wide interest.

Feb. 3 from 8 to 10 p.m. is "Sip and Shop" time. Feb. 4 at 8 p.m. "A Happening" with original art prizes awarded to lucky guests.

The show is open to the public. Donation is \$1 and there are free refreshments.

The show will be open on Feb. 4 from 11 a.m. until 5 p.m. then from 8 p.m. until 10 p.m.; and Saturday from 11 a.m. until 10 p.m. and on Sunday from 11 a.m. until 5 p.m.

The Sholem Aleichem Institute is a local cultural and educational organization — active in all facets of Jewish life related to literature, drama, philosophy, festivals and customs, art and music.

Mothers March will be next week

The week of Jan. 24 through Jan. 31 is a week to remember. That's when the annual Mothers March against birth defects will take place. Sponsored by the March of Dimes, the march is a neighbor-to-neighbor fund-raising campaign.

"The March of Dimes channels money into numerous programs throughout the country," said Mrs. Sandra Hoinika, Mothers March chairman for the City of Romulus. "Some funds provide intensive care for critically ill newborns or special medical attention for pregnant women who have complications."

"Other March of Dimes funds support research, public health

education, and community service programs," she adds. "All of them are aimed at protecting the unborn and the newborn."

Funds raised during the area Mothers March will help support the March of Dimes program.

"Remember when the week of Jan. 24 comes that no one is immune to birth defects. They can strike anyone — a relative, friend, or neighbor. Welcome the marching mother who comes to your door. Help the March of Dimes. You may be helping someone you care about," Mrs. Hoinika said.

To volunteer for the March of Dimes' Mothers March, call 863-3000.

Snow 'stories' surveyed

"Stories in Snow" will be investigated in a family nature walk to be held at the Nature Center of Oakwoods Metropark near Flat Rock on Sunday at 10 a.m. Park naturalist Bob Wittersheim will help visitors read the signs of animal activity

recorded in the snow. For information contact the Nature Center of Oakwoods Metropark at 782-1255 (Flat Rock)

On farm parity

Government shouldn't control agriculture

NOTE: This is the second in a series of articles by Dr. Paul Kindinger dealing with the current farmers' strike and the 100 percent price-cost parity they are demanding of the federal government.

Only Santa in town

Although Santa Claus is ubiquitous and was recently seen all over Western Wayne County, as well as in other parts of the universe, there was reportedly only one place the jolly gentleman could be visited daily in the Romulus downtown business section. Each year, owner Tony Kopas brings in Santa Claus to his Romulus hardware store at 36558 Goddard Road for all the children to visit. Tony bears the expense of the annual visit and was thanked by

local residents this season who took their children to see the famous sleigh driver and reindeer owner. Shown here just before his magical Christmas Eve world tour is Santa with two-year-old Toya White of Romulus on his lap and good-hearted Tony at his side. Kopas said he enjoys bringing in Santa Claus each year for the kids to see "because I know how much it means to the children." — ANP photo.

Winter wildflowers is topic of walk

"Winter Wildflowers" will be examined in a family nature walk to be held at the Nature Center of Oakwoods Metropark near Flat Rock on Sunday at 2 p.m.

Park naturalist Glenn Dent will identify many familiar plants in the absence of colorful blossoms. Their value as a winter wildlife food source, survival aide and ground cover will be discussed.

The program is free, however, vehicle entry permits are required.

For information contact the Nature Center of Oakwoods Metropark at 782-1255 (Flat Rock).

By DR. PAUL KINDINGER

The U.S. farm economy, particularly the cash grain producer, is being squeezed financially. They are caught in what is commonly referred to as a cost-price squeeze. Some of them are on the brink of disaster and are extremely frustrated. As a result of their frustration — having their backs to the wall — they are protesting by staging a strike. They're looking to Uncle Sam to provide quick relief.

I am not against better prices and higher incomes for farmers. I was raised on a farm and have been involved with agriculture all my life. I can sympathize with what some of these people are going through. However, I find it difficult to support the call for more government control in agriculture. My reasons are based on both the economic and political realities, which I see facing us.

From an economic standpoint, if government were to provide 100 percent parity for farmers, under the present supply and demand conditions in the United States and worldwide, our prices would be completely out of line with world

prices. While the United States does influence world prices, it does not set them. Let's use wheat as an example. The United States produces approximately 13 percent of the world's wheat supply. However, we currently are holding nearly 30 percent of the world's wheat stocks. In other words, we already are a residual market for wheat.

Furthermore, world wheat stocks increased by roughly, 65 percent between the 1975-76 marketing year and the 1976-77 marketing year. Thus, an artificially high United States price would place this country at a further competitive disadvantage in world markets under current supply conditions.

It should also be recognized that at the beginning of the 1977-78 marketing year we had carryover stocks of wheat amounting to 1.1 billion bushels in the United States. We added another 2.1 billion bushels at harvest, for a total supply on hand of nearly 3.2 billion bushels of wheat. Domestic use is expected to be only 858 million bushels. This leaves more than 2.3 billion bushels to do something with. We need to be more aggressive in selling our products to

customers outside the United States. This is where U.S. agriculture's future lies.

Wheat is perhaps a dramatic example of the problem grain farmers are facing right now. But it also serves to illustrate a point well established in economics that if the price of any commodity or service is kept too high, some of that commodity or service will remain unused or unsold. If the government were to insure 100 percent parity for farmers the price would be out of line with world markets. And at least in the case of wheat, this would mean further growth in domestic surplus, which would in turn lead to further acreage and planting restrictions and thus, more government controls.

Federal subsidies only serve to discourage adjustments to changing market supply and demand conditions. Such subsidies also protect inefficiencies and encourage the misallocation of scarce resources. Furthermore, such subsidies would create resentment on the part of the taxpayer-consumer. Thus, from an economic point of view government guarantees appear to be unsound.

What about from a political point

of view? The government cannot be expected to eliminate all risks for any business. Farmers already can avail themselves to crop insurance and disaster relief programs. Congress just passed the new Food and Agriculture Act last fall. This act already has expanded government's role and financial obligations to agriculture over that provided by the previous farm bill.

Federal government officials also are having a terrible time with our trade balance. If they raised government supports to farmers and exports of agricultural products were curtailed as a result, our trade balance would suffer even more.

But perhaps the biggest reality of all is a campaign promise made by President Carter. A balanced federal budget by 1980. This will be a monumental task when you consider the federal budget in 1976 ran a deficit of nearly 76 billion. To implement a 100 percent parity price guarantee for 1978 it is estimated, would cost the government \$44 billion. It does not seem likely that the President nor Congress will be in any position to capitulate on the issue of higher government guarantees for agriculture.

TOWNSHIP OF VAN BUREN

46425 Tyler Road, Belleville, Michigan. ITEM TO BE ON BOARD OF TRUSTEES REGULAR MEETING, JANUARY 24, 1978 at 7:30 P.M.

NOTICE TO RESIDENTS

The following revisions of Dog Ordinance No. 2-16-66 amendments will be presented at the above meeting for board action. Interested citizens encouraged to attend:

1. Section 14 is amended to add a second paragraph as follows:

Destruction of Vicious Dog. Whenever a dog is brought to the pound for having viciously attacked a person, the Ordinance Department may, if deemed necessary and advisable, and after holding such dog a sufficient length of time to meet the requirements of the Health Department for investigation, cause such dog to be destroyed as a vicious dog. Unless waived in writing, notice of intent to so destroy such dog shall be given to the owner if known, and the owner shall have seven (7) days from mailing of such notice in which to seek a review by the District Court for the 34th Judicial District of the order of the Ordinance Department for the destruction of such dog.

2. Section 19 is amended in the second paragraph thereof to provide:

"No dog shall be released from the dog pound unless the owner or person entitled to demand the same shall pay to the pound master or other authorized Township person

a) For first release within the licensing year, \$15.00.

b) For second release within the licensing year, \$50.00.

c) For third and further releases within the licensing year, \$75.00.

In addition, said owner or person entitled to demand the same shall pay \$5.00 per day for custodial care at the pound. All such fees shall be paid over to the Township Treasurer and a full report shall be filed with the Township Clerk on the first and fifteenth of each month. Such report shall contain a description of all dogs impounded and the disposition thereof."

3. All existing ordinances or clauses thereof in conflict with this are hereby repealed.

4. The provisions of this amendatory ordinance are declared to be necessary for health, peace and safety and it shall be given immediate effect.

DOREEN J. CRAVEN,
Van Buren Township Clerk

Belleville shoots down Salem, 64-58

Maybe someday someone will come up with a logical and rational explanation for the amalgam of occurrences that leads to Plymouth Salem's submission on the hardwood to Belleville.

At present it defies explanation. Coach Fred Thomann's Rocks have split with Tom Niemi's Tigers the past four years and Friday night Belleville gained the upper hand by winning a hard-fought come-from-behind 64-58 victory.

Niemi and the Tigers have the upper hand until Feb. 24 when Plymouth will host the rematch. And if the outcome of the game follows the past four-year format the two teams will be tied up again.

"I think each of our players played just a bit harder because Chris wasn't in the lineup," explained Niemi whose Tigers are now 3-1 in the Suburban 8 and very much alive in the title race.

Chris, that's Chris Koger,

Enterprise-Roman
Section C

Sports Scene

January 18, 1978

Tom Mooradian, Sports Editor

Belleville's 6-2 senior didn't dress for Friday night's game because of illness. He had come down with flu and missed school.

Niemi said that he felt that the key to his team's victory "came in the second half when we dominated the boards."

"And I can say this that our ball club showed a lot of maturity and

poise in that game."

But neither team looked impressed the first period as both missed easy shots. In fact, the Tigers couldn't find the basket on their first six shots and Salem exploited the situation and leaped out in front on baskets by Tom Ellinghausen, Rich Hewlett and a pair of free throws by Dave Monk.

Belleville's Rich Laney had tied the score at 2-all with 5:11 showing into the period. Herb Burrus's three-point play closed the gap to 6-5, then Ellinghausen tossed in a short jumper to make it 8-5 Salem. Belleville's junior guard Kelvin Patterson who missed on his first six shots made the first of a one-and-one, after a Salem turnover, Kevin

drilled in his first and only basket of the first half.

Salem responded with a layup by Ellinghausen and Bob Hissom's three-point play, giving the Rocks a 13-8 first period cushion.

Belleville struck first in the second period when Elvis Currie hit on a 15-footer but consecutive baskets by Ellinghausen widened the gap to 17-10. The Tigers fell victim to a rash of personal fouls with Burrus and Patterson each absorbing two each as Ellinghausen, Steve Horton and Monk each tossed in two points each to build on to the Rocks' lead. In the waning minutes of the half, Burrus provided the Tigers with a pair of baskets and a couple of free throws. However, Salem still stayed out in front 28-24 at the half.

Patterson's first shot of the second half found its mark and appeared to sound the knell for the defending

champs. He went on to score 14 more points in the quarter to lead the Tigers to a 46-38 third period advantage.

Currie's jump shot gave the hosts a 36-35 edge with 3:53 left and Patterson came right back with a basket to make it 38-35, however, Hewlett was fouled driving in for a layup and he converted a three-point play to even up the score at 38-all. Patterson's basket snapped the knot for good, then Currie banged one in and Patterson then sandwiched a couple of two-pointers between Mike Christie's layup.

Belleville widened the gap to 10 points midway in the fourth period then hung on as Hewlett drilled in a pair of baskets to bring the Rocks back.

But the champs never managed to get enough fire power up to catch the hosts again.

Patterson's 23 points stood up as the game's high, while Ellinghausen, who fouled out late in the game, collected 22. Burrus contributed 20 points and Currie had 11.

The Rockets also got two figures from Christie who had 11 while Hewlett, who commanded the offense, finished with nine.

According to Belleville's charts, the Tigers had the edge in rebounds 39-28 with Currie nailing down 14 and Patterson getting 12.

"It was a pressure ball game for both teams," noted Niemi. "It's always like that when these two teams meet."

Belleville, Edsel Ford set dates

The "frozen out" basketball game last Tuesday between Dearborn Edsel Ford and Belleville has been rescheduled for January 21, according to Harry Hidenfelter, Belleville High athletic director.

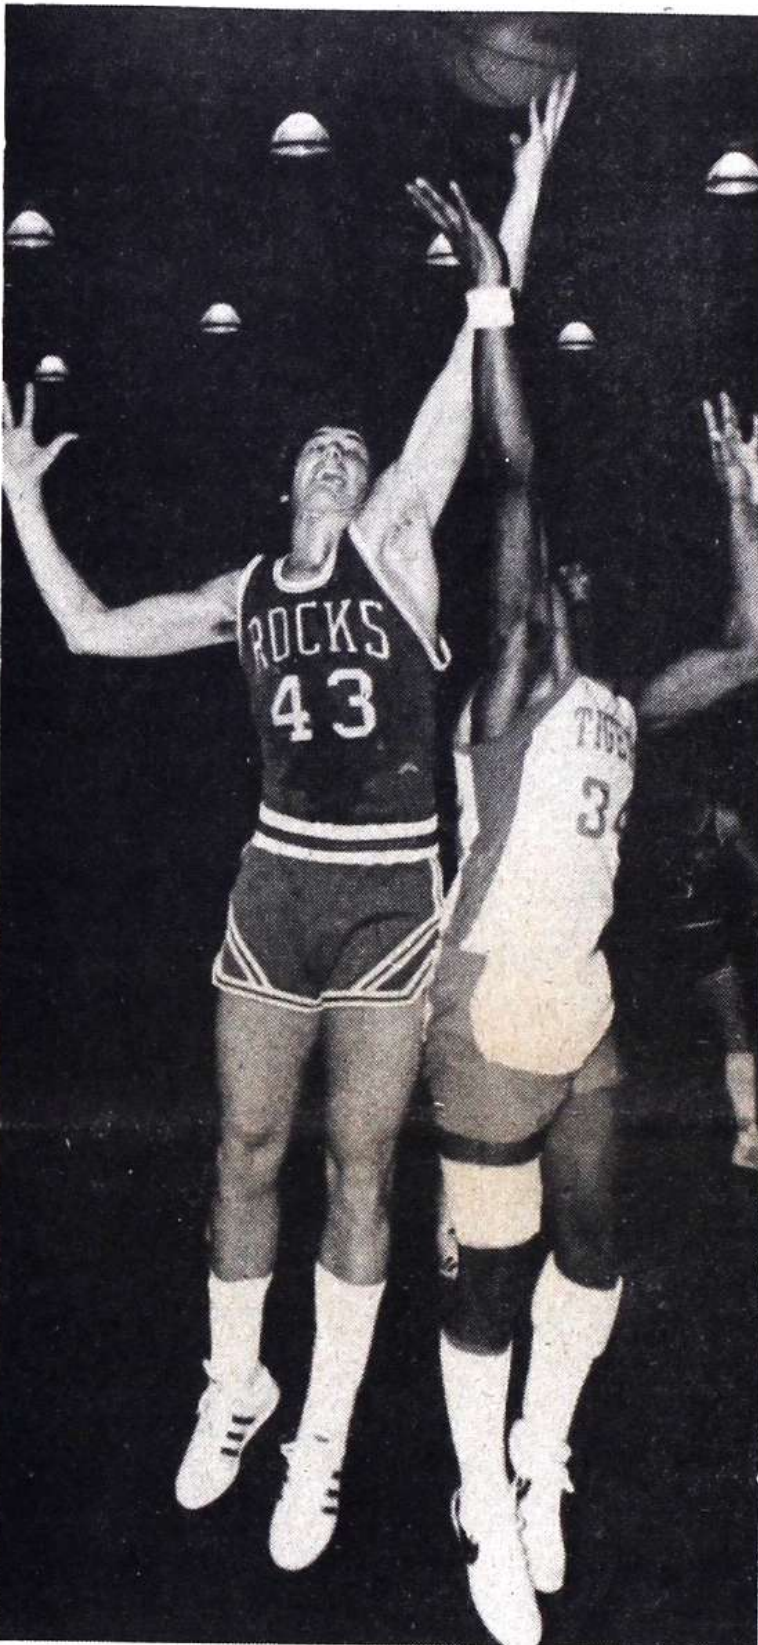

The game was cancelled because of the arctic temperatures that hit the area in the week. Edsel Ford will host the 7:30 p.m. contest between the two Suburban 8 Conference rivals.

Belleville also has a second make-up game with Allen Park. That game will be played Feb. 14 at Belleville High School.

He'll race car

Vic Henkels of Westland has been accepted as an entrant in the World Championship Midget Auto Races to be held at Golden Gate Speedway in Tampa from February 13 through 19.

Henkels has entered his championship American Midget Racing Association Edmunds midget racer in the events.

Tip of the Rock

There was action and drama in Friday night's cliffhanger between Belleville and Plymouth Salem who met for the first time this season. And lanky Tom Ellinghausen (43) has the edge in grabbing this rebound from Belleville's Kelvin Patterson (34). Patterson, held to

three points the first half, came alive and scored 20 to ignite a come-from-behind 64-58 victory over the Rocks. It was Salem's second straight league setback after winning eight straight, while the Tigers are 3-1 in the Suburban 8 Conference.

Glenn '5' crushes Franklin

Realizing it can't afford a single slip if it is going to retain the Northwest Suburban Conference basketball title, defending champ Westland John Glenn tightened its grip on first place with a 71-58 victory over Livonia Franklin Friday night.

Glenn capitalized on a cold shooting Franklin quintet which hit only one of 15 shots from the field in the second period to build up a 27-16 halftime lead. The Rockets led the Livonians 11-10 after the first period.

"We went completely cold in that second period," moaned Franklin Coach Jim McIntyre, "and nobody was hitting. It really got bad out there, so I began substituting in hopes our bench would fire us up."

The victory gave Coach Gordie Davis' Rockets a perfect 3-0 record in the league and left the Patriots with an even 2-2 conference mark.

Glenn's Pat McBride strolled off the court with the game's individual scoring honors. The senior guard drilled in nine field goals and hit on two of three free throws for 20 points. Center Tom Jurewicz contributed 19 points and did an excellent job on the boards, while Daran Armstrong, who chipped in with 10 points, was the sparkplug to organizing the Rocket offense.

Chris Baker, a 6-4 junior pivotman, tossed in 16 points for the Patriots while teammates John Zannis and Jim Wilson counted 12 and 11 points respectively.

Franklin got 20 of its 58 points from the free throw line where they missed only three foul shots. Meanwhile Glenn was also busy at the foul stripe as the Rockets converted 19 of 27 chances.

Franklin clashes with the league's "hard luck" team of the year, Garden City East, Friday night in the Panther lair. Glenn has a visitor from the North to contend with, Alpena, which is making its first visit to the Westland high school.

Glenn lands Salem mat crown

Rockets boast 5 gold medals

Westland John Glenn has made a habit of it to claim the Plymouth Salem Invitational Wrestling title. And apparently Coach Bob Lusk has decided not to give up that habit readily.

Lusk's minions pulled off a succession of surprises and took five of the 13 weight classes to bang out a relatively easy team championship.

In fact, Wayne Memorial, which only the week before had won the talent-laden Schoolcraft Invitational, finished 31-points off the pace. The host, Salem, was third in a field of 15 teams.

"I really was pleased at our

wrestlers' performances," said Lusk. "It was the best we wrestled all year."

Glenn salted away five gold medals as Paul Demers (98), Greg Hamel (126), Bill Meyer (155), Jeff Doyle (165) and Jeff Null (178) emerged atop of their respective weight classes.

The Westlanders also came within reach of winning two other weight classes as their 138-pounder Mickey Bauer and heavyweight Jerome Robinson lost in the finals.

The champs compiled 204 points to Wayne's 173. Trailing the two Wayne-Westland School District

high schools were Plymouth Salem (134), Mount Clemens (125), Thurston (96½), Ypsilanti (84½), Dearborn Heights Annapolis (77½), Livonia Stevenson (50½), Allen Park (40) and Plymouth Canton (37). Livonia Franklin, Garden City East and West, Livonia Churchill and Southfield rounded out the field.

Wayne was represented on the winner's dais by 138-pound senior Chris Bachus and 191-pound senior Chris Leverenz. Runners-up for Wayne included Bo Washon (112), Corry Bachus (132), Jim Fairchild (145), and Dave Lusk (145).

Washon lost a close decision to

Allen Park's Ron Vig who captured a state Class A title a year ago. The two wrestled into an overtime before the officials gave the Allen Park senior the victory.

Leverenz joined the four-falls per tournament group at Wayne as he piled up pins against John Valchine of Allen Park (2:53), Dave Brunell (Annapolis -0:58), Dave Doherty (Plymouth Salem -0:44) and Steve Groh (Livonia Stevenson -1:20).

Salem came up with two champs as Randy Vipperman defeated Ypsilanti's Leo Sutton for the gold in (Continued on Page 4)

Wayne turns back Monroe matmen

Wayne Memorial served notice to Monroe, the Great Lakes 8 Conference co-wrestling champ, it isn't in a sharing mood this year.

Wayne, which had won four conference championships outright before the Trojans forced the perennial champs to hand over a share of the crown a year ago, mauled their arch-rivals, 34-26.

The victory was the fourth consecutive league triumph for Coach John Wood's grapplers, while the

loss broke a Monroe win string at three.

Wayne claimed eight of the 13 weight classes and received pins from Dave Shell (98), Jim Fairchild (145), while receiving a superior decision off the efforts of 138-pounder Chris Bachus.

Wayne will host Wyandotte Thursday night after clashing with the two-time Class A state champ, Bedford Temperance, Tuesday night.

All of the top state powers are expected to be on hand Saturday when Detroit Catholic Central hosts its annual invitational.

Benefit cage game

The world champion Detroit Sparks will take on the Toronto Thunderbolts at 8 p.m., Saturday, January 21 at Wayne Memorial High School. The proceeds of the wheelchair basketball game will go

to quadriplegic John Golembewski, a 27-year-old Wayneite who resides in the Venoy Continued Care Center. Donations are \$1 for teens and senior citizens and \$2 for adults.

On the move

3 in row for Wayne cagers

The pieces are beginning to fall into place for Coach **Chuck Henry** and Wayne Memorial's cagers.

With the omens shifting in the Zebras' favor after a rash of injuries and illness had struck them last month, Wayne has evened up its Great-Lakes 8 Conference record by winning their last three games.

"It's good to have all of our kids back in the lineup," said Henry after his team stopped Riverview 55-41 Friday night after beating Wyandotte 63-46 earlier in the week. "I feel we're so much better with our entire squad on hand."

Riverview definitely thought so. The Pirates couldn't cool the hot-shooting Zebras who shot 52 percent for the game.

Wayne worked its way to a 14-11 first period and went into the dressing room ahead 29-20. However, Riverview apparently found weaknesses in Wayne's defense after the half and scored the first 10 points of the third period to

go up by one, 30-29, before the Zebras reacted.

L.W. Matthews and Richard Carroll broke the game open for Wayne in the fourth period when they connected for five and six points respectively. Matthews, who was fighting the flu, managed to stay in the game and contribute 11 points, while Carroll pumped in a game high 16 points.

The victory moved Wayne into fourth place in the eight team league. The Zebras trail undefeated Taylor Truman (6-0), Fordson (6-1) and Lincoln Park (6-1) in the standings, but will get another shot at the league-leader Truman Friday night in Taylor.

Wyandotte couldn't compete with Wayne on the boards as Darnell Morris led the assault for the Zebras at both ends of the court.

The game was deadlocked at 10-all after the first eight minutes before Morris dumped in six of his eight points to lead a second period surge

that put Wayne ahead 30-19 at the intermission. The Zebras held on the rest of the way and widened the margin by outscoring the Bruins 16-14 and 17-13 the final two periods.

Bob Boertje did an excellent job of defensive work against Wyandotte's top scorer, Don Wheeler who was held to two points in the first half, then sprained an ankle in the third and left the game for the evening.

Wayne shot 27 of 54 from the field and made good on nine of 12 from the foul line. Morris ended up with 14 rebounds, the tops for the evening.

Carroll scored 14 points, leading all scorers while Lee and Carroll contributed 12 points apiece.

Belleville chalks up league swim opener

Despite what their coach called as lackadaisical performance, Belleville swimmers opened up the 1977-78 Suburban 8 Conference campaign with a 49-34 victory over Livonia Bentley.

Coach Sam Vicchy's Tigers lost the duel of first places 6-5 but managed to win their opener thanks to their over-all depth.

"We didn't swim well against them," said Vicchy whose team will face a strong Edsel Ford lineup on Thursday. "I know we can do better and we'll have to if we want to stay in the same water with Edsel."

One of the Belleville bright spots was the all-out effort by Harold Renton who provided the Tigers with two of their five first places. Renton was the top performer in the 200-yard freestyle, finishing in a respectable 1:52.5. He also won the 500-yard freestyle with a 5:06.0 effort.

Prep swim listing

Here is this week's top high school prep swimming and diving listing as compiled by Cherry Hill Coach Jerry Pawloski. In order to get a performance on the listing, please contact Coach Pawloski either at the high school (PA 2-5900) or at his home (941-4399).

5. Plymouth Salem, (Etienne, Hoffman, Harris, Finley) - 3:44.3

Edsel dunks Salem

Edsel Ford, one of the powers to reckon with in the Suburban 8 Conference swim circuit, swept eight of 11 events en route to a 104-68 opening day swimming victory over Plymouth Salem.

Coach Chuck Olson's Rocks got two of their three event victories from sophomore Craig Finley who is considered one of the finest distance freestylers around.

Finley was clocked in 5:01.0 and was given the nod over Edsel's Dave Stavros in the race for the 500-yard freestyle honors. Stavros was also clocked in the same time.

Finley also won the 200-yard individual medley with a 2:10.3.

"Craig definitely is one of the top sophomore freestyle distance swimmers in the state," said Coach Olson. "And he's very coachable. In fact because he can handle a lot of workouts and still is fast, he makes his teammates work even harder. Fans are going to hear a lot about him and he also is an excellent student."

Olson however was disappointed with his team's over-all performance against Edsel.

"I feel moreover that the team didn't react well to the Edsel Ford pool," Olson said.

The loss left the Rocks skidding on a 2-3 won-lost record and they'll try to even up their record Thursday night when they take on Livonia Bentley.

Bulldogs beat Parkers

Coming up with their first over-all times of the year, defending champ Bulldog erased from its paths Highland Park, 93-79, to tighten its grip on first place in the Suburban Athletic Conference.

The victory was the third straight in the league for Coach Jim Hadley's Bulldogs who have won the last three SAC championships.

"It was a pleasant surprise to see the way our swimmers performed against them," said Hadley. "Our kids had to swim their best times to win and they did."

Robichaud captured eight of the 11 events with Ricardo Haynes and Kevin Gustafson accounting for two victories apiece. Haynes was the top 200-yard freestyler and also won the 500-yard freestyle, while Gustafson led his teammates to a slam in the 200-yard individual medley.

Right on target

Belleville's Kelvin Patterson (34) tries unsuccessfully to block this short jump shot by Plymouth Salem's Mike Christie (33) who sank 11 points against the Tigers Friday night. Christie and the Rocks failed to overcome a "hex" that Belleville apparently has over the perennial defend-

ing Suburban 8 Conference champs. The Tigers rallied for a 10-point first half deficit to beat Salem 64-58. For the past four years Belleville has managed to split with the champs. This time though Coach Tom Niemi's Tigers struck first.

Huron suffers title setback

New Boston Huron's dreams of retaining its share of the basketball title is turning into a nightmare as Coach Gene Smith's Chiefs allowed undefeated conference leader, Tecumseh, to slip away with a 69-64 victory last week.

The Chiefs bounced back Friday night to whip Monroe Jefferson 68-56, but the blow handed to them by Tecumseh could be fatal.

Tecumseh boasts a 6-0 record, while Huron is at an even 3-3 mark. Barring a complete break-down by the league leader, it's nearly impossible for Huron to catch up.

Huron looked as if it was going to blow the co-champs off the court as the Chiefs began hitting from everywhere in the first half. A balanced scoring attack led by Mike Knight who scored seven of his 15 points and Steve Gill, who collected six of his eight points in the first period, gave the Chiefs a convincing 26-19 lead. The Chiefs then went on to outscore the undefeated guests 14-11 in the second period to grab a 40-30 halftime lead.

"We played a super first half," noted Coach Smith. "It looked as if we were going to blow them off the court — everything was going right for us."

However, Huron's "big men" took a beating and were hanging on with excessive personal fouls. Starter Randy Pichan had picked up his third foul early in the third period and 6-6 Knight collected his fourth shortly into the second half.

"We were hurt when our starters got those fouls," Smith said. "We just don't have the bench to fill in."

With Huron playing cautiously the second half, the way was paved for Tecumseh's all-state candidate Jeff Hans. Hans, a 6-4 guard, drilled nine of his game high 22 points to lead a third period Tecumseh comeback. By the end of the third, Tecumseh had gained a slim 54-52 edge, then it went on to outscore their rivals 15-12 in the final period.

Gene Reitz counted 16 points for the Chiefs, the team's high, while Knight contributed 15 and Randy Pichan had 14.

Joining Hans in the two figure column were Bret DesErmia and John Ely who tossed in 19 and 12 respectively.

Huron had little trouble with Monroe Jefferson as the Chiefs went on a scoring rampage and built up a 39-24 halftime lead before Coach Smith turned loose his bench.

Reitz, a 5-10 guard, connected on

11 field goals and three free throws for 25 points, the game's high. Teammate Gill added 22 and Knight sacked 10.

Bill Elmore led the loser's attack with 20 points.

Grissom's world

Fishing school?

By SAM GRISSOM
Outdoor Writer

Anyone who has spent any time fishing for trout and salmon on the Great Lakes is aware of the tendency they have to school.

Now at last you can take a cue from the fish and join a school yourself. The Garden City Adult Education Program is offering a ten-week course in Great Lakes Fishing. Whether you are an accomplished fisherman or a novice attending this school would greatly improve your fishing during the upcoming summer.

The class will be starting the night of January 31st so you should register immediately by calling 421-6939. Cost of the ten week course is \$16 and it meets on Tuesdays from 7 p.m. to 9 p.m. at Garden City West High School.

The instructor for the class is Art Dittmar, a fisherman who I would have to rate as one of the most successful currently fishing Lake Michigan. Many times, when I've been fishing out of Manistee, Art has radioed to advise me where he was getting fish when most other boats were empty.

The course will cover every aspect of fishing for Great Lakes trout and salmon.

Topics of instruction and discussion will be trolling, boat handling pertaining to trolling techniques, trolling ethics, temperature preference, fish identification and habits, and a favorite of mine, brown trout "hunting".

Also scheduled to be covered in the class is stream fishing for trout and salmon. This area will cover all of the various methods being used on Michigan streams, and some of the experts in their fields are coming as guest speakers.

Everyone from novice to "expert?" can benefit from a class of this caliber; so don't be surprised if you should see this so-called expert sitting in on a class or two.

As soon as I can get this column finished I'm going to take off for the Thames River, north of Windsor, to do a little walleye fishing. They are starting to move in to the river in good numbers and we picked up a few there last week.

The bigger females haven't moved in yet, but the males are just about the right size for some great eating. The Rapala jigging lure sweetened with a small minnow seems to be the favored bait, but a new lure called a Slip Shad by Gaper in blue and silver is running it a close race. The 3/4 ounce size is your best bet and a number seven is the size to get for the Rapala.

The Rapala jigging lure is a good bait as it comes, but you can improve its fish-catching ability by altering the hook setup. The treble hook hanging from the bottom just isn't large enough so you should change it to a size 4.

The two end of body hooks have too large a gap to really hang on to a struggling fish so you'll need to close the opening slightly. Grasp the hook next to the body with a pair of needle-nosed pliers and bend upward until the barb is halfway between the original position and parallel with the body.

If you go over to Canada remember the limit is six. The Canadian officials check fishermen often so be ready to quit when you reach your limit. Good Luck and "have a ball, y'all."

Extra Point, 4-Seasons roll on in Over 30 loop

League-leading Extra Point Bar and 4-Season's Sporting Goods coasted past their Wayne-Westland Over 30 League hockey challengers last week to remain the frontrunners in the conference.

Extra Point held off a stubborn Johnson's Carbonic 6-4 for their 11th victory in 12 starts, while 4-Seasons chalked up their ninth win in 12 outings with a 6-3 triumph over third place 52nd Show Bar.

Johnson's kept the outcome of the game in doubt until the final period when Extra Point erupted for three goals. The bar people had a balanced attack with six separate players scoring. John Colligan made a bit of personal history when he fired in his first goal of the season.

The losers got a hat trick from Ron Johnson who was also credited with an assist, while Lee Callaway connected for a goal and two assists.

There could be a jolt in the standings this week when Extra Point clashes with 52nd Show Bar and 4-Seasons, two of the teams that still have a chance of bursting the league-leader's title balloon.

Meanwhile, 4-Season's held on to second place by defeating 52nd Show Bar, 6-3. The winners took control of their destiny with a two goal third period. 4-Season's again received a superlative effort from their 1-2 punch, Norm Beasley and Larry Karfish. Beasley netted two goals and three assists and Kaifesh popped in one goal and set up three others. Goalie Jim Gibson also turned in another solid effort.

Ron Wojewski, Perry Toipher, and Don Middaugh scored for the losers.

In a game for fourth place, Jack's Sporting Goods rallied with five goals in the third period to earn an incredible tie with Huron Valley. Jack's scored twice in the last two minutes of the game to deadlock the contest at 8-all.

The oilmen had compiled what appeared to be a sufficient 4-goal lead before the roof caved in. Rich Mullen and Paul Brishi netted a couple of goals to lead the sportsmen who received three assists from Dan Demers.

Tom Dilawa was the big shooter for the Huron team as he scored four times and set up two other tallies to lead the attack.

Terry Carley chipped in with two goals and three assists.

In another thriller, Broach Builders jumped out in front 2-0 to

take a lead over the seventh place Taste Freeze, but the latter erased the deficit and took command 4-3 only to see that score dissipate when Broach's scored the equalizer.

The two settled for a 4-all tie. Broach's scoring leader was Bob Worden who collected two goals and single tallies went to Tom Bryan and Ken Beal. Ken McKee and Bob McMasters scored for Taste Freeze.

In a finger-nail biting game that saw both teams blow two-game leads, Broach's got a Jim Thomas goal with 1:31 to spare to edge Johnson's 8-7. Bryan paced the winners with a pair of goals and two assists, with Bud Broach adding a pair of goals and Jim Thomas adding two assists.

Lee Callaway had a goal and four assists, while Tom Richmond added a goal and an assist for the losers.

South breezes

Coach John Stosick shuffled his front starters into unfamiliar events, but Belleville South still had the depth to bury Taylor Center in a junior high dual swim meet last week.

The 124-48 triumph was South's second on the current season.

South slammed three of the eight events it captured, dominating the diving competition with Pat McClelland, Lori Vicchy and Brian McKelvey.

McClelland led a sweep with 162.15 points, while Lori Vicchy, daughter of Belleville High head swim coach, Sam Vicchy, placed second with 148.2 points. McKelvey was third with 133.85.

Then Dave Carlson led teammates Mark Oddy and Allan Riggs to the wire in the 200-yard freestyle. Carlson's winning time was 2:13.3. Memering also won the 200

yard individual medley, turning in a 2:31.1 for the victory. Schofield placed third in the event (3:00.0). Schofield and Carlson went 1-2 for the 100-yard butterfly. Schofield touched in first with a 1:07.2.

South also swept the 100-yard freestyle event with Dave Dubisky (1:58.4), Mike Titus (1:07.7), and Cindy West (1:08.0) and came back with John Smolen, Allan Riggs and Joe LeForce to place 1-2-3 for the 500-yard freestyle. Smolen had the winning time of 6:12.5.

Mark Oddy's 1:10.5 was the best time for the 100-yard backstroke and teammate Jeff Sterling placed third in 1:13.0.

Cut home fuel bills up to 50%.

Reduce your fuel bills by as much as 50% with Aerolite Foam insulation. Full wall and ceiling insulation means lifetime savings and year 'round comfort.

Aerolite, one of the highest rated insulating products available, fills uninsulated wall spaces to serve as a permanent barrier against transfer of heat through outside walls. Aerolite provides better protection than blown wool, glass fiber and granular fill. The better it insulates . . . the more energy it saves . . . and the lower your fuel bills will be.

Aerolite effectively insulates new and older homes. And it's practical for all types of construction.

Enjoy the benefits of a properly insulated home. Aerolite means money in your pocket. Call for a free estimate today!

Franklin swimmers host W. Bloomfield

Livonia Franklin swimmers will get an opportunity to see just how good they are Thursday night when a strong West Bloomfield contingent invades the Patriots' pool.

The nonleague confrontation is a warm-up for the Northwest Suburban Conference opener which will pit Coach Larry Teahan's defending co-champs against North Farmington, holder of other half of the title.

Teahan sees the battle for the league championship shaping up into a three-team affair with "North Farmington as the team to beat."

Teahan pointed out that he has a large number of seniors on this year's squad, "and whenever you have a senior team, you're going to be strong."

Franklin unleashed its senior power against out of the conference rivals, Garden City West, and buried Coach George Hanosh's Tigers 118-51 for their fourth victory in six starts.

Mike Balnaves accounted for a pair of Franklin victories, setting a pool record for the 500-yard freestyle as he churned a 5:13.0. Balnaves also won the 200-yard freestyle with a 1:56.6.

Franklin captured 10 of the

possible 11 events with Gary Sellars chalking up a double win. Sellars stashed away the 100-yard butterfly in 1:02.2, and took the 100-yard backstroke with a 1:05.8 effort.

Meet results: Livonia Franklin 118, Garden City West - 51

The Magnificent Alternative.

Or, how you can finish your magnificent Capp Home just by using your magnificent mind.

Let's start at the beginning. You're thinking about building a home. Naturally, you want it to be beautiful. Designed to suit your personal lifestyle and taste.

But you don't want to spend all outdoors for your beautiful new indoors. A Capp custom-built home is the answer. You see, over the past thirty years we've built a very successful business with a very simple philosophy. Offer people a variety (more than sixty) of beautiful home designs to choose from. Even let them design their own. Work with them in planning a final interior layout and exterior design that will best fit their needs. Build a basic structure as solid as Gibraltar, using only top quality materials and up-to-date construction techniques. And never cut corners. Make the whole process quite affordable, and enable the owners to save even more money by offering them all the top-quality materials and easy-to-follow instructions they'll need—to do the finishing work themselves.

Which brings us to the finish. What if you're not handy, or wouldn't have the time to "Finish-It-Yourself?" Can you still save money on your Capp custom-built home? Of course. Here's how. By using your own good mind, acting as your own general contractor (thereby eliminating that rather costly gentleman) and getting the appropriate skilled tradesmen to do the work for you.

You can get the whole story, simply by giving us a call, or by sending for more information (our Capp Homes Planning Book). It'll give you many good alternatives to consider.

A new Capp Home. It just may be the best housing value you'll ever see.

Cherry Hill '5' builds up title stock

Exploiting Crestwood's lack of board strength, Cherry Hill raced past its Tri-River Conference basketball rivals 87-69 to remain at the top of the league hill.

Coach Dick McNally's Spartans have won all four of their conference starts and nine of 10 games over-all this season.

Leaping ahead 21-13 at the end of the initial period, Cherry Hill built up a 15-point lead, 42-25, before

heading into the dressing rooms at halftime.

However, Crestwood refused to quit and jarred their hosts in the next eight minutes thanks to scoring power supplied by Craig Bonza, Steve Popp and Mark Bartlo who gave the Dearborn Heights cagers a slim 57-55 edge for three periods.

But Cherry Hill came back in the final period as Tyrone Jordan and Don Calloway opened up with a

barrage of baskets that gave the visitors a overwhelming 32-14 edge.

"We played moments of excellent basketball," said Cherry Hill coach Dick McNally. "But we had a complete letdown in the third period—there were too many mental lapses. We came back and dominated the boards in the last period which helped us get our fast break working again."

Calloway, Cherry Hill's 5-9 senior

guard, scored a career high 24 points and had a handful of assists. Jordan, though, walked off with individual scoring honors as he connected on 11 field goals and seven of eight free throws for 29 points.

Cherry Hill's Floyd Simmons who teamed with Jordan to give the Spartans control of the boards, hauled down 10 rebounds and contributed 13 points. Jordan had 14 rebounds.

Bonza, a rugged senior forward, provided the Chargers with 22 points while Wopinski and Popp sank 13 and 12, respectively.

Earlier in the week Cherry Hill buried Garden City West 76-48 for its third conference win. West put up a battle for the first half and closed to within seven points (35-28) after trailing 20-12 for the first period.

The Spartans put it away with a 53-32 wedge in the third period.

"West hustled all the way and made it close during the first half,"

McNally commented. "Our tight man-to-man defense in the third period gave us some fast-break baskets and helped us pull away to a safe lead."

Jordan sparked again as he sank 25 points, had 10 rebounds and

blocked three shots, while Calloway was busy directing the floor game. He finished with 14 points and 10 assists.

West responded with center Pat Dybas's 10 points and Doug Boston also scored 10.

2 seconds to go

Harrison clips Churchill, 60-59

Playing listlessly in the first period, Livonia Churchill managed to overcome a 10-point deficit only to lose by one in the last two seconds to Farmington Harrison, 60-59.

Though the loss hurls the Livonians, (2-3) two games out of first place occupied by Plymouth Canton (3-1), Coach Fred Price's Chargers are not out of the title picture.

"We played four of our five league games on the road," Coach Price stressed. "and it is difficult winning on the road. We'll have the home court advantage the second time around."

With two seconds left, Harrison's Brian Burgess surged toward the baseline and passed inside to Scott Hendries who connected on a six-foot jumper to give the winners the decisive basket.

"It was a tough one to lose," Price added, "but we let them get away from us by 10 in the first period and played catch-up most of the

night. You just can't do that and expect to pull out the game."

Harrison went ahead 17-7 in the first period and Churchill came back as Bob Rathbun, Dave Abbe and Dave Krick went on a shooting rampage. Each scored four points to lift the Chargers to within a basket, 31-29, before the intermission.

Churchill outscored their rivals 20-16 in the third period and played for the percentage shots in the last eight minutes. Hendries, who collected four points for the evening, sank both of his baskets in the last two minutes.

Churchill had four one-and-one free throw opportunities in the last minutes where they could have stashed away the victory, but couldn't convert on them. The Chargers finished the evening with 19 of 29 at the foul line as compared to Harrison's 4 of 11.

Ray Progar pumped in 14 points to lead the Chargers while Ralph Jarrot picked up 12 and nine

rebounds. Dave Krick, the only other Churchill player to hit in double figures, counted 11 points.

Paul Butkunas paced Harrison's attack as he sank 15 points.

After clashing with winless Garden City East Tuesday night, Churchill will return to conference play on Friday, hosting Walled Lake Western.

Romulus victory streak at 4

Romulus cagers are coming of age fast.

With most of the seniors scattered across the area when a millage failed, the handful of Eagles who stuck it out have proven that they can win basketball game.

Coach Rod Hanna's troops tripped up Tri-River Conference co-leader, Melvindale, 55-49, and turned back Detroit Chadsey 74-66 to streak their winning streak to four games.

"Our kids are playing excellent defense," said Hanna who is in his first year as head coach at the high school. "And, against Chadsey we shot a fantastic 62 percent. You know I'm really proud at the way these kids have jelled and we only have one senior in our lineup so we're a team of the future."

The young Romulus quintet will have a rough time this week as they resume competition Friday night at

Crestwood, a senior-stocked team. The Eagles clashed with Class B state power Flint Beecher at Beecher Tuesday night.

Against Chadsey, the Eagles jumped out in front 19-16 after the first period and held on 43-35 at the intermission. But Chadsey came back and closed the gap to 60-57 for three periods before the Eagles, paced by sophomore Kevin Wilson who scored six points in the last period, inced it with a 14-9 scoring edge.

Herb Buckley led Romulus's scoring attack with 19 points, while John Kersey picked up 18 points and 10 rebounds. Vince Bean contributed 13 points and an equal amount of rebounds.

Phillip White's 18 points stood up as the best scoring effort by the Detroiters.

Melvindale tried to intimidate

Romulus with a full-court, man-to-man press the first couple of minutes of their confrontation and abandoned their folk as the fast-breaking Eagles chalked up a 16-12 edge. Both teams then settled into a zone defense and each scored 12 points for the next eight minutes.

Romulus widened its 28-24 halftime lead by outscoring their rivals 17-12 in the fourth period after Melvindale came within a basket, 38-36, of tying it up for three periods.

Bean and Buckley split 28 of the Eagles points, while Melvindale's sophomore forward Fran Farraj pumped in 20 points to lead all scorers.

The two victories lifted the Eagles to a 4-3 over-all record.

The winning edge

Romulus' junior center John Kersey (dark jersey) has position and this "tip-in" as Melvindale's John Drobek (53) futilely attempts to

block. Kersey and the Eagles knocked off the Tri-River Conference co-leaders to stretch their winning streak at four games.

Wayne swimmers make it 4 straight

Unbeaten Wayne Memorial coasted past John Glenn 128-40 and crushed Taylor Truman 118-54 for its fifth consecutive dual meet swim victory of the season last week.

Coach Jim McPartlin's Zebras placed their 5-0 record on the block Tuesday night when they ran up against area and Class B state power, Cherry Hill. They resume Great Lakes 8 Conference competition Thursday against a highly-touted Taylor Center contingent.

Wayne captured 10 out of a possible 11 first places against Truman Joe Miles claiming two of the events. Miles posted a 23.5 in leading a Wayne sweep of the 50-yard freestyle. He then stashed away the 100-yard freestyle with a 51.9 performance.

LEGAL NOTICES

THE CHERRY HILL SCHOOL DISTRICT WAYNE COUNTY, MICHIGAN
NOTICE OF LAST DAY OF REGISTRATION
TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

PLEASE TAKE NOTICE that the Special Election of The Cherry Hill School District, Wayne County, Michigan, will be held in said School District on Wednesday, February 22, 1978.

Act 269, Public Acts of Michigan, 1955, as amended, provides as follows:

"The Inspectors of Election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides."

The last day for receiving registrations for said Special Election will be: **MONDAY, JANUARY 23, 1978**

Persons registering after 5:00 o'clock p.m. on said day will not be eligible to vote at said Special Election. Persons planning to register must determine when the appropriate City or Township Clerk's Office will be open for registration.

Under the provisions of Act 269, Public Acts of Michigan, 1955, as amended, registrations will not be taken by school officials, and only persons who have registered as general electors with the appropriate City or Township Clerk of the City or Township in which they reside, or through registration at a Secretary of State Drivers' License Bureau, are registered school electors.

NOTICE IS HEREBY GIVEN that all persons having the following qualifications are entitled to register and vote:

a. A Citizen of the United States,
b. Over 18 years of age, and
c. A resident of the State of Michigan for at least 30 days and of the School District 30 days prior to the date of election.

THIS NOTICE IS GIVEN by order of the Board of Education of The Cherry Hill School District, Wayne County, Michigan.

LEGAL NOTICES

To the Supervisor and Clerk of the Township of Canton, Wayne County, Michigan.

Sirs:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on December 21, 1977, decide and determine that the certain streets described in the minutes of said Board should be County roads under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said streets are hereby made a part of this notice, and are as follows:

Present: Vice-Chairman Herron and Commissioner Burton.

Commissioner Burton moved the adoption of the following resolution:

BE IT RESOLVED by the Board of County Road Commissioners of the County of Wayne, Michigan, that if hereby accepts the dedication to the use of the public of the following described roads and they are hereby taken over as county roads and made a part of the county road system of the County of Wayne:

All of Candlerwood, Crofton, Kingsley and Richmond Courts; Elmhurst Avenue; Kingsley, Richmond, Sheridan, Warfield and Webster Roads and Westchester Lane, as dedicated to the use of the public in MAYFAIR VILLAGE SUN'N No. 2, part of the N.E. 1/4 of Section 3, T.25., R.8E., Canton Twp., Wayne Co., Michigan, as recorded in Liber 97 of Plats on Pages 77, 78 and 79, Wayne County Records, constituting a total of 1.863 miles of County Roads.

The motion was supported by Commissioner Herron and carried by the following vote: Ayes: Commissioners Burton and Herron. Nays: None.

THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan this 3rd day of January, A.D. 1978.

ASSOCIATED NEWSPAPERS

78's are here... biggest new car inventory EVER

High volume means two things to you: a low price and a large selection. So we now have the biggest inventory ever - over a hundred new 1978 Toyotas.

You know how we like to set sales records...we did in '77 and that's why they've sent us so many new cars. Well, we intend to break all records in '78. So you'll get a bigger selection at the best possible price.

Remember, three things have made us the number one import dealer in the area. One, we sell Toyotas. Two, we sell at the lowest price possible. And three, we don't sacrifice service to volume. At Toyota Ann Arbor, you get the most car for your money.

the more we sell, the more we get the more we get, the better the deal
